SPORT NOTES

What an autumn this has been for fall sports of all kinds in Charlottetown, and all over the east!

Ruby P. 2.04 3-4, when herself should be considerably better than anything now racing on the Cape Breton circuit, but she is going into new conditions.

Ottawa keeps right on producing hockey material par excellence. The latest is Wally Kilrea, brother of Hec., the Senators' star wing, who has signed with the Senators, too.

Walter Johnson will lead the Washington Senators to new training grounds next spring. Clark Griffith having signed a contract for the club to do its 1930 training at a stadium located at Biloxi, Miss.

T. S. Wheeler, of Augusta, Me., who spent most of the past summer in New Brunswick while his horses raced on the Maine and New Brunswick circuit, plans to ship some of his horses to Pinehurst, North Carolina, for the winter matinee season there.

Odie Cleghorn, who was manager of the Pittsburgh Pirates the past couple of seasons, has been added to the staff of referees of the National Hockey League, a position for which he is well qualified. So far, however, his brother, Sprague, does not appear to have caught on anywhere.

Leon Toole, who was located at Woodstock several years ago and gave Kedgewood K. 2.07 1-4; Red Line, 2.09 1-3, and other well known campaigners, their early racing, is in winter quarters at Franklin Park, Greenfield, Mass., after a satisfactory season with Peter Harvey, 2.10; Lady Morgan, 2.10, and others.

Mike Rodden, now sports editor of The Toronto Globe, apparently does not intend to give up refereeing hockey games altogether, although the long jumps involved in acting in the National Hockey League made him resign from President

Calder's staff. He is one of 11 referees named for the International League by President Charles S. King. Louis Berlinguette, of Quebec, is among the former hockey stars included in the lucky, or shall we say unlucky (in this case) eleven.

The National Hockey League season which opens this evening with Canadiens at Ottawa, Rangers at Montreal, Chicago Blackhawks at Toronto and Boston at Detroit—promises to be the most successful in the history of professional hockey. From Boston, Montreal and other cities in the Calder loop come reports that the advance sale of reserved seats to season ticket holders has resulted in a complete "sell out." In other words, no matter whether the seats are occupied or by whom, the rinks and the clubs are assured of capacity business for the coming season. The weak link in the National Hockey League chain again is Pittsburgh. Benny Leonard, the retired prize fighter, doesn't seem to have done much towards improving the Pirates, and it probably won't be long before either Cleveland or Philadelphia takes Pittsburgh's franchise.

The National Sporting Club of London, most famous of all fight clubs, is soon to pass out of the picture, according to W. H. Hamilton, who writes of fistic affairs for the Boston Herald. He says his information came from London. If it is all true it will mean the passing of an organization where many British noblemen and wealthy Englishmen enjoyed the ring sport long before the support of the 600-Millionaires of Madison Square Garden was enlisted. In recent years other clubs have been offering big purses and have been getting the attractions, until now fighters no longer consider it a great distinction to appear at the National Sporting Club. The famous old building is to be razed and as there are no new quarters in sight it seems that the organization, which has been kept going by private subscriptions, will soon be a thing of the past.

Waterford boy on. Frankie Erne was secured as a substitute. Erne proved no match for the champion. He hardly landed a punch before Foreman slashed him to the floor for a nine count and then back again for the full ten seconds. In fact it took Erne ten minutes to recover from the knockout blow Foreman administered in a mix-up on the ropes.

With The Giants

NEW YORK, Nov. 13.—Emil F. Muesel, one time star left fielder with the Phillies and the Giants, signed today to serve as second coach of the Giants. Dave Bancroft, teammate of Muesel at Philadelphia and New York and later manager of the Boston Braves for four years, recently came to terms with John McGraw to act as first coach.

U. N. B. TRIMS FREDERICTON

(Canadian Press) FREDERICTON, N. B., Nov. 13.—The University of New Brunswick rugby fifteen this afternoon took its place in the finals for the McCurdy Cup, emblematic of the Maritime "Title in a most decisive fashion, defeating Fredericton City, winners of the New Brunswick league 16 to 0. The winners appeared to be at the top of their form, the lay-off of the past few days having done good. The defeated team deserved a closer score and the final result did not represent the play as the green and white several times was right on the U. N. B. goal line by both forward and backfield play, but failed to get through. Fredericton played considerably better than against Dalhousie University on Armistice Day, when Dal. won 6 to 0. Owing to injuries the U. N. B. scrum was lighter than it has been, but the pack was aggressive at all times and played well in the scrum. The college backs played in great form preventing the city team from scoring and getting over for four tries.

NEIGHBOR SIGNS

(Canadian Press) OTTAWA, Ont., Nov. 13.—Salary differences having been satisfactorily adjusted, Frank Nighbor late this afternoon signed a one year contract to again play with the Ottawa Hockey Club of the National Hockey League. The far-famed poke checking veteran will be in uniform when Montreal Canadiens invade the capital to set the League's 1929-30 schedule under way tomorrow night. Because of the difference of opinion over salary which kept the one time peer of centre ice men from signing with the Senators, Nighbor has not taken part in the pre season conditioning grind, so it is unlikely he will fill the pivot position on the regular line up against the "Flying Frenchmen" in the initial tilt. Joe Lamb, the former Sussex, N. B., amateur, is expected to get the call as centreman with Nighbor working with Bill Touhey and Len Grosvenor on the second string forward line.

Twenty gold pieces worth \$100 were found in a collection box outside Woolwich, England, War Memorial Hospital on a recent morning.

A movement for more attractive post office buildings has been started in England.

Paper matches containing advertisements, so common in this country, are to be introduced into Brazil.

Review Of Mar. Harness Racing

"BILLY" KEYES OF ST. STEPHEN LEADS N. B. AND MAINE CIRCUIT—BERT ABBE PACES FASTEST MILE AT WOODSTOCK IN 2.05 1-4—EDNA KLYO TROTS SEASON'S FASTEST MILE IN 2.11 AT FREDERICTON.—FASTEST PROVINCE BRED HORSE WAS CAPTAIN MAC WITH RECORD OF 2.11 1-2—MANY HORSES REDUCE THEIR RECORDS.

(Canadian Press) HALIFAX, N. S., November 13.—The 41st annual review of harness racing in the Maritime Provinces by James W. Power, sporting editor of the Halifax Acadian Recorder, shows another interesting season of Turf events. Forty two regular meetings were held, and 12 matinees. At the former, 504 heats including time trials, were trotted or paced, 21 of them from 2.05 1/4 to 2.13, 95 from 2.13 1/4 to 2.15, there thus being 187 heats from 2.05 1/4 to 2.15, all on half mile tracks. There were 182 heats from 2.15 1/4 to 2.20, 107 from 2.20 1/4 to 2.25, and 28 from 2.25 1/4 to 2.30, a total of 504 heats won in 2.30 or better. There were 82 mile heats, and 62 half mile heats at the matinees, and there were 20 heats at two meetings where the track was but seven furlongs. While at several meetings, the number of starters were not as plentiful as in some former years, there were keen contests with numerous close finishes, all of which many attribute to the three heat plan. There has, however, been much discussion among horsemen between this and the three in five system, with opinions varying as to which is better, as there likewise has been in regard to the money classification of horses with fast records.

The meetings of the Maine and New Brunswick Circuit brought many horses from New England to compete with those of the Provinces making fast and interesting contests, and the lowering of some records. It is of interest to note that the leading money winner on the New Brunswick tracks in this circuit was W. H. ("Billy") Keyes, the popular and able driver and trainer of St. Stephen, N. B., and that he also led all others on the entire circuit. The total winnings of his stable in the latter was \$7,737.50.

The presence of the speedy pacer Bert Abbe, 1.58 1/4, owned by W. F. Woodman of Haverhill, Mass., and driven by Jack Kingsley, was the means of the fastest mile of the season being made at Woodstock when he lowered the track record of 2.05 1/4, held by Jackson Grattan, 2.01 1/4, to 2.05 1/4. He and the brown gelding Bob Seymour, 2.05 1/4, owned by W. T. Bird, Revere, Mass., and driven by Norman Myer, divided honors as to the fastest mile of the year in a race on Provincial tracks. The latter won both the second and third heats of the junior free for all at Fredericton in July in 2.07 1/4, 2.07 1/4. Bert Abbe made similar times in the same heats of the free for all at the Fredericton fall meeting. Bert Abbe's mile was thus the fastest made by a stallion, and Bob Seymour's the fastest by a gelding. The fastest mile by a mare was 2.08 at Fredericton by Little Raven, 2.08, owned by J. H. Farnum, Boston, driven by Jack Kingsley, and which was also the fastest first heat of the year.

The purchase of Community horses by Cape Breton towns added much zest to the racing in Nova Scotia. Reserve bought Lambert Todd, 2.02 1/4, Glace Bay—Pale Face, 2.03 1/4, Sydney—Great Scott, 2.03 1/4, and Wm. Wilson, Dominion, purchased Major Aubrey, 2.11, who took part in several races with these horses. Pale Face, driven by Charley Sweet and

C. B. Calkin, Sackville, N. B., trotted the fastest mile of the season by a gelding owned in the Provinces at Fredericton in July in 2.13 1/4.

The fastest Province bred horse of the season was Captain Mac, owned by Collye McKenzie, Truro, and driven by Johnny Conroy, who won from the principal Cape Breton Community horses at Halifax in 2.11 1/2. Captain Mac was one of the leading performers of the season, with ten firsts in twelve starts, one second and one third. Billy Cope, owned and driven by Wellington McNeil, Southport, P. E. I., and since purchased by Col. D. A. MacKinnon, Charlottetown, was the fastest new performer of the Province bred with his mile in 2.12 1/4 at Charlottetown. Billy Cope, driven by his new owner, also took a matinee record of 2.10 1/4. Martha Dewey, owned by W. H. Bird, Revere, driven by Myer, was the fastest new performer of the year, with a mile in 2.10 at Fredericton, and also a new record for green paces mares. Mac Aubrey, owned by W. M. Fleming, Jupiter, N. B., with a pacing record of 2.10 1/4, after competing in four races at the lateral gait was converted to a trotter, and driven by Avery, became the fastest new trotting performer with a mile in 2.14 1/2 at Fredericton.

The Maritime Province record for three year old paces of 2.16 1/2 made last year by Red Scott, was reduced at St. Stephen by Argol Napoleon, owned by P. E. Abbot, Portland, Maine, and driven by W. R. Fleming, 2.16. Donna Volas Peter, 2.03, owned by T. S. Wheeler, Augusta, Maine, has the fastest fourth heat of the season in the Maritimes to his credit in 2.10 1/2 at Fredericton. Dolly Watis, owned by N. Carmichael, Presque Isle, and driven by Gerow, was the fastest new performer among Province bred mares, with 2.15 1/4 at Moncton.

Joe McKinney, owned by Dr. W. J. Fahey, Lewiston, Maine, and driven by Fleming, was the fastest four year old of the season on a Provincial track, winning at Fredericton in 2.12 1/4. Joe Hedgewood, owned by Jas. Robinson, Upper Woodstock, and driven by DeWitt, was the fastest four year old bred in the Provinces with a mile at Presque Isle in 2.20 1/4.

A feature of the Charlottetown Exhibition meet was the presentation of gold and ribbons, the latter to winners of the respective races, \$10 each to drivers of winners and \$5 for caretakers of winners. The presentations in gold were \$10 for driving fastest heat, trotting, during meet, Col. D. A. MacKinnon with Peter Wilton, Jr., 2.13 1/4; \$10 for driving fastest heat, pacing, Allis Lewis, Revere Mines, C. B. Lambert Todd, 2.10 1/4; \$20 for most points during the meet, equally won by M. Gerow, Ft. Fairfield, Maine, and Malcolm Steele, Summerside, P. E. I., with 17 points each. The Management gave each driver twenty dollars in gold.

No review of the season would be complete without noting the death of Bill Sharon, 2.04 1/4, owned by Dr. D. H. McAllister, Sussex, N. B., the former Grand Circuit performer and former Maritime Champion, which occurred just after finishing in the second heat of his race at Woodstock in July. The following horses, either owned in the Provinces, or made their records on Provincial tracks, entered the 230 list: Martha Dewey, p. br. m., by John R. Kurtz, Fredericton, N. B., July 24, 1929, 2.10. Sassy Marie, p. b. m., by John R. Kurtz, (2.10 at Rochester), St. Stephen, N. B., July 17, 2.11. Dude McKlyo, p. blk. h., by Peter McKlyo, Fredericton, Sept. 20, 2.12 1/4. CHAMP BEATS FRANK ERNE IN FIRST ROUND
