PRINCE COUNTY GUARDIAN

Branch Offices in Summerside and Alberton.

Dr Donahue has taken the practice of the late Dr Gallant, Kinkora. The Doctor paid a visit to Summerside Saturday.

J. A. G. Ellis, O'Leary, arrived in Edmonton February 20, and is registered, along with a number of other Islanders, at the Pendergast Hotel.

Rev. H. Harper, Port Hill, returned Saturday from Milton where he spent the week in conjunction with the Rev. J. C. McLean, conducting a series of special services. The services were held in St. John's church, Milton, and were well attended. It is expected that good results will follow.

The Journal of the 2nd Inst says: "We have learned from a gentleman in a position to know that a number of diseased carcasses of beef have been sold in this town this winter." This is a most serious charge. There are several butchers in town; there are also several merchants who retail beef purchased from country butchers and farmers. Both butchers and merchants have heretofore been regarded as honorable men. This charge implicates them all and will very materially affect their business, for few citizens will care to take their chance on such a disagreeable uncertainty as this. If the editor of the Journal has any foundation outside of a fertile imagination for this statement he is equally guilty with the informant and will be held responsible if he makes a clean breast of it. Neither the man who sells diseased beef nor the man who knows he does is worthy of being shielded. Citizens and meat dealers will look to the Journal either for a straight, manly statement or for a backdown.

On Friday, March 8th, a Concert will be given by the pupils of Kensington High School. An excellent program is being prepared. Admission—20 cents. Sale of Candy. Should the above date prove unfavorable, the Concert will be given on the first fine night of the following week. 3-2d tues2

A series of Lenten sermons is being preached in St. Paul's Roman Catholic Church, Summerside. The first was preached by the pastor Rev. J. C. McLean, the second by Rev. Dr. Monaghan. The sermon yesterday was preached by Rev. John J. McDonald. Forty hours devotion began yesterday at the morning service.

Persons using flour should always ask for flour made from Manitoba wheat as it absorbs more water than any other and makes better bread. Ask for Robinson's. If you can't get Robinson's get Five Roses or Royal Household. These ought to be as good as they are ground from the same kind of wheat and by the same process. 2-4d21

Captain Joseph Read & Co., Summerside, received the following telegram, Saturday: Judgment Malabar case today in your favor on all points. Signed, Weldon & McLean, St. John, N. B. This case was tried over a year ago in St. John between the owners of the tug Lily and the Messrs. Read & Co., owners of the Malabar, and arose from the vessel going ashore in Musquash River, N. B. while being towed by the tug. The owners of Malabar sued the tug for damages. The Messrs. Read are to be congratulated on the successful issue of a suit which involved considerable money.

Minards Liniment Cures Distemper

IMPORTANT ANNOUNCEMENT

We wish to announce to the public in general that we have just opened up a complete and very beautiful stock of Wall Paper. You will find not only the patterns and colorings beautiful in the extreme, but the qualities are very superior, while the prices are much lower than you would expect to pay for such goods. Competent critics say it is the best and most beautiful wall paper they have ever seen, while the prices are a revelation. Added to the extremely moderate prices at which we are able to sell the wall and ceiling papers, we are about to introduce something unparalleled in wall paper selling viz:— Instead of selling the border by the yard as has been the custom, an item by the way, which always added considerably to the cost of papering a room, we will sell the border by the roll, at the same price as the side wall paper. This is certainly an important saving, and one which will undoubtedly appeal to all.

Not only can we sell you both paper and borders at prices the most moderate, but we promise you an assortment of patterns and colorings which will both charm and delight you. They have been selected with infinite care, and undoubtedly taste, there being not an undesirable pattern in the whole lot of upwards of 300 different designs. In order to introduce this magnificent line to the public we will hold a

Grand Wall Paper Demonstration

On Thursday and Friday, the 7th and 8th inst.

An event which will be both unique and appropriate. Our whole second flat will be given over to a gorgeous, yet tasteful, display which will be well worth coming miles to see.

As an additional attraction we will have a grand display of New Spring Goods on the first floor.

Thousands of dollars worth of the cream of British, Canadian and Foreign markets will be placed on view. New Spring Jackets, New Spring Skirts, New Dress Goods, New Silks, New Trimmings and many other things too numerous to mention, all justly claiming boundless admiration.

We extend a most cordial invitation to all to come to our Grand Wall Paper Demonstration, and enjoy what will undoubtedly be a feast of artistic beauty. Sample books will be placed in convenient places, while courteous attendants will show the many beautiful designs.
