BABY'S TERRIBLE FACE HUMOUR

Would Scratch and Tear Away the Flesh—Neighbours Called it Worse Case Ever Seen—Grew Worse Under Doctors.

CURED BY ONE SET OF CUTICURA REMEDIES

"My baby's face was a mass of sores. The doctor called it eczema, but the child grew worse, the disease eating the flesh away from his nose, and spreading to his body. Neighbours said it was the worst case they had ever seen. His suffering was terrible, and he would scratch and tear away the flesh. We then used the Cuticura Remedies, one set curing him completely, and healing his face without scar or blemish.—Wm. Crilland, 35 Winchester St. Pentonville Rd., N. London, Eng."

The Adventure of the Abbey Grange

"To give me a true account of all that happened at the Abbey Grange last night—a true account, mind you, with nothing added and nothing taken off. I know so much already that if you go one inch off the straight I'll blow this police whistle from my window, and the affair goes out of my hands forever."

The sailor thought for a little. Then he struck his leg with his great sun-burned hand.

"I'll chance it," he cried. "I believe you are a man of your word and a white man, and I'll tell you the whole story. But one thing I will say first. So far as I am concerned I regret nothing and I fear nothing, and I would do it all again and be proud of the job. Damn the beast, if he had as many lives as a cat he would owe them all to me! But it's the lady, Mary—Mary Fraser—for never will I call her by that accursed name. When I think of getting her into trouble, I who would give my life just to bring one smile to her dear face, it's that that turns my soul into water. And yet—and yet—what less could I do? I'll tell you my story, gentlemen, and then I'll ask you, as man to man, what less could I do."

"I must go back a bit. You seem to know everything, so I expect that you know that I met her when she was a passenger and I was first officer of the Rock of Gibraltar. From the first day I met her she was the only woman to me. Every day of that voyage I loved her more, and many a time since have I knelt down in the darkness of the night watch and kissed the deck of that ship because I knew her dear feet had trod it. She was never engaged to me. She treated me as fairly as ever a woman treated a man. I have no complaint to make. It was all love on my side—and all good comradeship and

across the face with the stick he had in his hand. I had sprung for the poker, and it was a fair fight between us. See here on my arm where his first blow fell. Then it was my turn, and I went through him as if he had been a rotten pumpkin.

"She had screamed when he struck her, and that brought old Theresa down from the room above. There was a bottle of wine on the sideboard, and I opened it and poured a little between Mary's lips, for she was half dead with shock. Then I took a drop myself. Theresa was as cool as ice, and it was her plot as much as mine. We must make it appear that burglars had done the thing. Theresa kept on repeating our story to her mistress while I swarmed up and cut the rope of the bell. Then I lashed her in her chair and frayed out the end of the rope to make it look natural, else they would wonder how in the world a burglar could have got up there to cut it. Then I gathered up a few plates and pots of silver to carry out the idea of the robbery, and there I left them, with orders to give the alarm when I had a quarter of an hour's start. I dropped the silver into the pond and made for Sydenham. And that's the truth and the whole truth, Mr. Holmes, if it costs me my neck."

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

AN AMERICAN DISEASE.

Some doctors go so far as to say that indigestion is the national disease of America. There is but one national remedy for indigestion and that remedy is Dr. Hamilton's Pills, which accelerate the action of the gastric glands and give tone to the digestive organs. They strengthen the kidneys and liver, cleanse and purify the blood and thus add general tone to every organ of the body. Flesh and strength are fast restored and the patient can eat and digest any food he pleases. Test Dr. Hamilton's Pills your self—25c. per box or five boxes for \$1.00 at all dealers.

There's a way to be cosily comfortable at home—and he'd not catch the neck of it, if the wife, daughter, or sister didn't help.

Good sorts at \$5.00 and \$6.00

There isn't a safer gift to give him. He don't want you to choose his cigars—but you're away ahead of him on the House Coat subject. The styles here are different from those shown elsewhere, so no danger of buying one that's just like Mr. Smith's or Mr. Jones'. Some are very elaborate, yet the gayest are in good taste.

Of Torturing, Raw, and Scaly Eczema by Cuticura

"My baby was afflicted with a loathsome running eczema on the face. Two doctors treated him for three months, but he grew worse. We then started to use Cuticura, and noticed an improvement at once. In a fortnight the running had ceased, the scabs nearly all dried off, and in a month his face was perfectly clear.—W. H. Quirk, No. 1 West End Cottages, Ruywood Road, N. Southampton."
