FORMER PASTOR TO OFFICIATE.—Rev. R. G. and Mrs. Fulton, City, left yesterday on a trip to Montreal. Rev. Mr. Fulton's place in the First Methodist Church pulpit next Sunday will be filled by Rev. (Capt.) H. E. Thomas, of St. John, N. B., a former rector. Rev. Mr. Thomas' many friends here will be delighted to see him again.

MR. HYNDMAN RESIGNS.—Mr. E. W. Hyndman has resigned his position as a recruiting official for the Royal Flying Corps. Mr. Hyndman has fulfilled his arduous duties in that capacity faithfully and well, without any assistance. He has recommended Lt. Hobor Large for the position. Major Hodgkins of the Air Service is expected in Charlottetown this week. Mr. Hyndman has had over seventy applications from young men wishing to join the air service.

OF LOCAL INTEREST.—With two months of a furlough, Lieutenant Stephen A. Dawson, of the Royal Naval Air Service, arrived home yesterday after many months' service in France. His father, Rev. G. P. Dawson, pastor of Exmouth street Methodist church, and his family were given a surprise yesterday morning when Lieutenant Dawson opened the door of his home and walked in, as the family had no idea he was coming home. Lieut. Dawson crossed overseas as a member of the 9th Field Ambulance and was seventeen months in France. He returned to England and took a course in flying which he just recently completed. St. John Standard.—Mr. Dawson was formerly stationed in P. E. Island.

AN Always Ready Pill.—To those of regular habit, medicine is of little concern, but the great majority of men are not of regular habit. The worries and cares of business prevent it, and out of the irregularity of life comes dyspepsia, indigestion, liver and kidney troubles as a protest. The run-down system demands a corrective and there is none better than Parson's Vegetable Pills. They are simple in their composition and can be taken by the most delicately constituted.

FEW FOLKS HAVE GRAY HAIR NOW

Well-known local druggists say everybody is using old-time recipe of Sage Tea and Sulphur

Hair that loses its color and becomes thin or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.

IN MEMORIAM

JAMES GARLAND

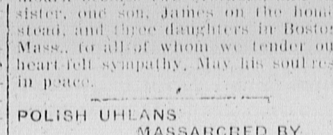

On March 19th, there passed peacefully away at the Charlottetown Hospital, an old and respected resident of Fort Augustus, in the person of James Garland, at the advanced age of 79 years. The late Mr. Garland was engaged in the coal and iron business, being one of the pioneer settlers of P. E. I. and by his labor and industry made for himself a comfortable home. In all these years he enjoyed robust health until about two months before his death. He prepared a will for the final summons, and died a happy death. Deceased was not far from 80 years of age. He was attended in his last illness by his pastor, Rev. A. J. McDonald, who administered the last rites of the Catholic church. His funeral, followed by a large concourse of friends, took place at St. Patrick's church, Fort Augustus. There all the usual funeral rites were performed in the adjoining cemetery to await the resurrection. The pall bearers were Messrs. Jos. Beard, Jas. H. Cumiskey, Norman McDonald, Patrick McGurk, Alex. McEachern, and Peter Beaman. He leaves to mourn besides two brothers, and one sister, one son, James, on the home island, and three daughters in Boston, Mass., to all of whom we tender our heartfelt sympathy, may his soul rest in peace.

SPANISH ADVENTURER Under Arrest in Paris

PARIS, April 29.—The arrest of an espionage charge of the Marquis de Arqueville, a Spanish subject, which took place on Monday, has resulted in the development of his remarkable career. This morning's newspapers print the story of the manner in which the marquis, after having worked as an engineer for the Krupp's for eleven years, made a fortune of 4,000,000 francs in commissions on the sales of submarines built on plans furnished by him.

Gained 20 Lbs. and Feels Fine

Never Expected to be Well and Strong Again—An Enthusiastic Statement Endorsed by a Postmaster

Larkville, N. B., May 1.—Here is a cheerful letter from a man who was greatly broken in health and much discouraged. Fortunately he found in Dr. Chase's Nerve Food the exact treatment he required and was able to restore his health and vigor. As a blood builder and invigorator of the nervous system, this food cure of Dr. Chase's has a most remarkable record. You can prove this for yourself by reading the letters published in this paper.

Mrs. W. A. Rudolph, Liscombe, N. S., writes: "Some time ago I was so run down I could not walk any distance without getting out of breath. When I went to bed at night I could not rest, my heart was so bad and my breath so short, I had begun to think I would have to give up working, when I saw Dr. Chase's Nerve Food advertised, and read of how other people suffering as I was had been helped. I sent for four boxes, took them, and now, thanks to Dr. Chase's Nerve Food, I am feeling well again. I am able to do a good day's work, and can rest well at night. I hope someone who is suffering as I was may see this letter and be induced to try Dr. Chase's Nerve Food, as I feel sure they will obtain speedy relief from their ailments."

"This is to certify that I am acquainted with Mrs. Rudolph, and believe her statement regarding Dr. Chase's Nerve Food to be true and correct."—Mr. W. A. McDiarmid, Postmaster.

Dr. Chase's Nerve Food, 50c a box, a full treatment of 6 boxes for \$2.75, at all dealers or Edmondson Bators Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

ENCOMIUMS FOR PRINCE EDWARD ISLANDER

Sir, As a native, former resident and citizen of Prince Edward Island, my life has been brought into close contact with the years of my youth, by the advent to this great city of New York of one of your noble citizens. I refer to my great, W. Chase, of S. Melrose, of Charlottetown, who is in the fur brokerage business. It is certainly a pleasure to meet a man, coming from his native land, who bears, in his own life, all the lovable dispositions of enterprise, hardy and kindness for which our people are so celebrated.

New York is not slow to take advantage of making the acquaintance and knowing a man of his ability and character. The consequence was that Mr. Melrose went through a series of entertainments in New York Social functions during the season that has just closed. It gave me a sense of joy and pride that one of my fellow-countrymen so much honored, from the simple rooms of the Canadian Club at the Biltmore Hotel, with a membership of 1,000 Canadians, Mr. Melrose made his voice to be heard in public and in private and made many friends.

It also was with him while he was the guest of honor at a fashionable ladies' club in the Waldorf Astoria apartments, where he held his own as if to the manner born. Mr. Melrose was singularly honored, and honored in a way that a millionaire scarcely would be attended at the Aldine Club. John D. Rockefeller, Jr.'s dinner, Mr. Melrose was presented by Dr. Wolkstein (Mr. Rockefeller's pastor) to him, and after the close of the speaking, Mr. Rockefeller held him fast for over five minutes discussing with him things pertaining to Prince Edward Island.

I know that through your valuable paper, friends of Mr. Melrose, of whom, no doubt, he has very many, will rejoice with me, in having a record of these pleasant and honorable occasions in which he figured in the metropolitan city.

ALFRED NICHOLSON.

(Rev. Alfred Nicholson, M.A., late of Southampton, Prince Edward Island, now of New York City.)

Some Sidlights on Work

\$125,000 was absorbed in building of "huts" in France during 1917.

The work of the Y.M.C.A. in London and Paris, advising, guiding, and warning all men, rescuing them from human sharks, men and women, is worth thousands of dollars to the fathers and mothers of the boys.

In England and France the attendance at religious services, free concerts and cinemas was, during February, 559,115.

Free hot food and drinks last year cost \$100,000 in France.

Y.M.C.A. sells many needful things to soldiers, giving best value possible, but the whole of the profits are spent for the soldiers' direct benefit.

The Y.M.C.A. At the Front How the "Big Brother" to the Soldier is Helping Canadian Men Abroad. NEVER in all history has there been such an assemblage of the manhood of the world as that met on the plains of France to-day. Was there ever such an opportunity for a creative, healing work for the bodies, minds and souls of men? Into such a field the Y.M.C.A. has been privileged to enter, writes Francis B. Sayre, in "Harper's Magazine."

Mrs. Newed (sobbing)—"Oh, John! The cat has eaten all the angel cake or, 'Is absolutely final?' 'Quite' was I-baked this morning. Boo-hoo-o-o!" the calm reply. "Shall I return your Newed (consoling)—"Well, don't let letters?" "Yes, please," answered the cry, dear! I'll buy you another cat to young man. "There's some very good material in them I can use again."
