## Storm Plays Havoc In Many Centres

### MORE MYSTERY FOUND GUILTY SURROUNDS OF PAYROLL KIDNAPPING PADDING

A "Contact" Is Supposed To Have Been Made Between Abductors Of Lindy Baby And Dean Of Norfolk, Va., Church.

(Associated Press)  
HOPEWELL, N. J., March 28.—On a mission he considered so important that he flew nearly 300 miles through storms which had grounded most other planes, the Dean of a Norfolk (Va.) church, came here today to speak to Colonel Lindbergh. "All I can say is that we are optimistic." He apparently referred to himself, John H. Curtis, Norfolk boat builder, and Rear Admiral Guy H. Burrage, retired, who have been associated since March 9 in efforts to secure the return of the child.  
Over the week-end Curtis made a mysterious aeroplane trip for the purpose of meeting the abductors. His associate, however, did not make it clear this afternoon whether the "contact" to which he referred had been made by Curtis on his trip or at some earlier time.

### New Brunswick Highway Supervisors Ordered To Make Restitution.

FREDERICTON, N. B., March 28.—(By the Canadian Press) — Four highway supervisors are found guilty of deliberate payroll padding in the report of R. F. Hartley, Deputy Attorney-General of New Brunswick, who, as commissioner, conducted an investigation last year into charges of payroll irregularities in connection with road and bridge work done during 1930 in the counties of Restigouche and Madawaska. Irregularities are found in connection with the payrolls of eleven other supervisors and superintendents, but the men themselves are exonerated on various grounds, restitution of overpayments being ordered in most cases.

Overpayments uncovered a total of \$7,963.36. These are set forth in detail in Mr. Hartley's report, which was tabled in the Legislature here tonight, by Hon. D. A. Stewart, Minister of Public Works.  
The four supervisors, named as having deliberately padded the payrolls are:

### Storm Levies Heavy Death Toll

DAMAGE WROUGHT BY OHIO TORNADO

Ohio came within the fringe of the disastrous storm which levied a toll of death in the south on March 21. Snow, wind, rain, lightning, ice and sleet were mingled in a freak mixture of nominally spring weather which tied up transportation and communication lines in many places of the state and caused heavy property damage. Hamilton, O., was the hardest hit of any city in the state. Six persons were injured and several buildings knocked down. Photo shows wreck age caused by the high winds at Hamilton, O.

### NEW ENGLAND SWEEPED BY BLIZZARDS

Flocks Of Early Robins, Blue Birds And Song Sparrows Meet Death In The Freezing Winds.

NEW YORK, N. Y., March 28.—Blizzards buffeted New England, gales swept the eastern seaboard, snow drifts marooned Easter holiday motorists as Easter Monday became a belated winter day. Snow from seven to twelve inches deep, the heaviest fall of the winter, blanketed New Hampshire. In the Berkshires, drifts blocked many of the highways, and school children were grateful over unexpected extension of Easter holidays.  
Many vacation parties were held snow bound in the Pocono Mountain resorts in Pennsylvania. Railroad's sent out snow flangers for the second time this winter, and snowplows charged the wet drifts on highways.  
North of Well, Mass., a storm felled twenty five telephone poles

### PARLIAMENT RE-ASSEMBLES TODAY

Whether Budget Will Be Brought Down On Thursday Is Problematical.

OTTAWA, Ont., Mar. 28.—(By the Canadian Press) — Parliament re-assembles tomorrow afternoon, following the brief Easter recess. Prospects are for an initial session of the Commons which may continue into the small hours of Wednesday morning. The resolution preliminary to the bill extending the unemployment and farm relief act from Mar. 1 to May 1 will have to be got out of the way before other business is touched. It was on this measure that the Prime Minister last week moved closure.  
Whether the Budget will be brought down on Thursday is problematical. Much depends on

### U.S. TARIFF ON OIL AND COAL IS DENOUNCED

Democrats Bitterly Opposed To Proposed Tax Levy — Improbable That New Duties Written Into Tax Bill Will Become Law.

WASHINGTON, D. C., Mar. 28.—(By Ken Clark, Canadian Press Staff Writer) — First mutterings of what may develop into a first rate United States Congressional tariff storm were heard today on Capitol Hill. Democratic representatives denounced the tariffs on oil and coal written into the tax bill on Saturday, while in the Senate, Vandenberg of Michigan demanded a tariff on copper.  
It appears entirely improbable the proposed levy on coal and coke amounting to ten cents a hundred-

### Urge Reduction In Salaries Of Teachers

ONTARIO, Ont., Mar. 28.—(By the Canadian Press) — Reduction in the standard minimum salaries paid to teachers from \$1,000 to \$800 was urged in several resolutions presented to the trustees' and ratepayers' department during the convention of the Ontario Educational Association which opened here today. The resolutions which originated in several ratepayers' associations in this Province, recommend that the reduction in public school teachers' standards of remuneration should be accompanied by a 20 percent reduction in the salaries of High School teachers.

Considerable opposition to the requirement of the department of Education that after four years' teaching teachers must return to the Normal School for another year, was expressed in several suggested resolutions. Summer refresher courses are proposed as a substitute.

### MOTHER AND CHILD DROWN

SAULT STE MARIE, Ont., March 28. (By the Canadian Press) — A mother and her young daughter drowned in Echo Lake today when the child's sleigh broke through the ice and the mother made a futile attempt at rescue.  
Unmindful of the apparent danger, Mrs. A. Hushon ran from the shore on the cracking ice when five year old Dorothy's sleigh crashed into the chill waters. The ice broke again under the mother's weight and both disappeared before persons attracted by the cries for help could reach the spot.  
The bodies were recovered by a group of searchers directed by Provincial Police.

### Comedy Enjoyed At Prince Edward

"Alabama Bound" Delightfully Performed Last Evening In Aid Of Charlottetown Hospital.

The bright three-act comedy drama, "Alabama Bound," which opened at the Prince Edward Theatre last evening, under the direction of Mrs. Arthur H. Roper, may well be termed one of the most successful local productions seen in Charlottetown for a long time.  
This entertainment, which played to a crowded house last evening, is under the auspices of the St. Charles Auxiliary Society, the proceeds to go to the Charlottetown Hospital. The program was under the distinguished patronage of His Honour Lieutenant Governor Sir Charles Dalton, His Worship Mayor W. S. Stewart and Mrs. Stewart.

### The Fifth To Resign From Nfld. Gov't.

ST. JOHN'S, Nfld., March 28.—Ranks of the Newfoundland Government party were further depleted tonight when Hon. Philip Lewis, member for Harbor Main, and Minister without portfolio in the Squires Government had joined the Independent party. His resignation was the fifth to occur since the session opened a month ago.

### Four Drown

BEDFORD, N. Y., Mar. 28.—Four persons, three from Torrington, Conn., were drowned today when their automobile side-swiped another machine on the rain-swept approach to the Cross River bridge, and plunged into 25 feet of water.

### FEAR FELT FOR SAFETY OF FISHERMEN

Saint John Men Missing Since Last Sunday When They Put off In Open Motor Boat For Fishing Ground.

SAINT JOHN, N. B., March 28.—Fear is felt for the safety of Kenneth Sabean and Raymond Lewis, Saint John fishermen, who are believed to have drowned in the Bay of Fundy since leaving here early Sunday afternoon in an open motor boat to fish off Cape Spencer. Up to a late hour tonight they had not been seen or heard from. Efforts today to locate them, as a vicious northeast storm gathered strength, were fruitless.  
The men were unprepared for any emergency. They had no supply of food with them, as they intended returning later Sunday. Only the necessary equipment for trawling was carried.

### Half Million Dollar Suit

WINNIPEG, Man., L.C. 28.—James Stewart of the Stewart and Grant Construction Company, builders of the Slave Falls power plant for the city of Winnipeg hydro, today preferred a claim against the city for \$500,000 for alleged defaults by the city in matters pertaining to the contract. The claim will likely be dealt with by the Council tomorrow night.  
Slave Falls contract was awarded the Stewart-Grant firm for \$2,227,946 in 1926.

### MURDERS WIFE

BRANTFORD, Ont., Mar. 28.—(By the Canadian Press) — Bruce Robertson, 43, Burford township farmer, in bed yesterday with an attack of influenza, today cut his wife's throat with a razor police charge. Arriving to treat the Robertson family, who were suffering from influenza, Dr. O. C. Powers found Mrs. Bessie Robertson, 40, dying on the floor. She expired before he could do anything for her.  
Nearby, he said, was Robertson.
