Croupy Coughs of Children.

The tendency to croup is a foe that all parents have to fight. Croup comes in the night, when the help must be right at hand if it is to be helped at all. Adamson's Botanic Cough Balsam is a blessing to all families where there are children subject to attacks of croup or any mean cough. It has a wonderful reputation for its efficacy and fully deserves it.

Blood Disorders

are simply kidney disorders. The kidneys filter the blood of all that should not be there. The blood passes through the kidneys every three minutes. If the kidneys do their work no impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most imitated blood medicine there is.
