

Shackleton says:

"The question of the concentrated beef supply is most important—it must be Bovril."
Shackleton knows. He is taking no risks. He chooses Bovril because the food he takes must yield every ounce of nourishment to his men.
Follow Shackleton's example. Into a single bottle of Bovril is packed the nourishment value of many pounds of beef, and even a plain meal yields much more strength and nourishment if you are taking Bovril. But remember Shackleton's words: **It must be Bovril.**

IN MEMORIAM

MRS. ANGUS McDONALD

The angel of death visited the home of Mr. Angus McDonald, Tryon, on the evening of the 19th day of October and claimed for its reward the loving wife of Mr. McDonald, after an illness of over four months, which she bore with more than Christian patience. All through her suffering

she never murmured or complained but always had a cheerful word and smile when spoken to of the great beyond. She leaves to mourn a sorrowing husband and son at home; also a father, one brother and three sisters. Interment took place in the Presbyterian Cemetery at North Tryon on Wednesday afternoon, the services being conducted by Revs. Mr. Hattie and Young. The pall-bearers were: Mr. Jas. A. Chisholm, Mr. Frank Lang, Mr. Will Cameron and Mr. Theodore Wait.—S. (Island papers please copy.)

ITCHING BURNING OF ECZEMA INTENSE

Began on Child's Face. Spread all Over Head. Pimples Would Fester and Break Like Boils. Cuticura Soap and Ointment Healed.

Elrose, Sask.—"My little boy had eczema when he was about a week old. It began on his face and spread all over his head. It was in pimples and they would fester and break like little boils all over his head, but were like rash on his face. The eczema was very itching and the burning was intense; it made him so restless he could scarcely sleep.

"I tried several ointments and salves and they seemed to do very little good so I tried Cuticura Soap and Ointment after he had been sick about a month. When I used Cuticura Soap and a few applications of the Cuticura Ointment I noticed such a difference. He was able to sleep and his face began to get a new skin on it. I kept on using them for three months, and two cakes of Cuticura Soap and three boxes of Cuticura Ointment cured him." (Signed) Mrs. A. F. Thayer, July 13, 1914.

Samples Free by Mail
Cuticura Soap and Ointment do so much for pimples, blackheads, red, rough and oily skins, itching, scaly scalps, dry, thin and falling hair, chapped hands and shapeless nails, that it is almost criminal not to use them. They do even more for skin-tormented infants and children. Although sold by dealers throughout the world, a liberal sample of each will be mailed free, with 32-p. Skin Book. NO STOMACH PAIN, GAS, INDIGESTION IN FIVE MINUTES

"PAPA'S DIAPEPSIN" IS THE ONLY REAL STOMACH REGULATORY KNOWN.

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that just makes Pape's Diapepsin the largest selling stomach regulator in the world. If you eat ferments into stubborn lumps, you belch gas and acid; head is dizzy and aches; breath eructate sour, undigested food and foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach regulator in the world.

address was, it was necessary in order to quench the grateful feelings of the visitors towards their hosts, to express their sentiments in a more tangible form, so Mr. and Mrs. Gallant were the recipients of valuable presents. Should destiny govern the future of Mr. and Mrs. Gallant as their friends would wish, they will be favored with many more happy anniversaries.—M.

—CRYSTAL WEDDING.—On the twenty-fourth of October, there took place in Mont Carmel a very pretty and interesting gathering, when Mr. and Mrs. Peter T. Arsenault celebrated the fifteenth anniversary of their wedding. Fifteen years ago Mr. Peter Arsenault, of Mont Carmel, wedded Miss Annette Arsenault, daughter of Mr. Peter Arsenault, of Abram's Village. The celebration of fifteen years ago, witnessed by a large circle of friends and relatives, was reflected on the date above-mentioned in Mont Carmel. The celebration was highly appreciated by those invited, who all responded to the call. Although Mr. Arsenault is wedded for the third time, and at long intervals between his marriages, he is yet in vigorous health and capable of attending ably to his daily work. The happy couple were the recipients of many and beautiful presents. After the guests were all assembled they proceeded to enjoy themselves in a very appropriate way. Music soon filled the air with its melodious strains, and filled all hearts with joy. Music played on the fiddle and accompanied on the organ was admirably performed by certain members of the party and served as one of the chief features of the enjoyment. Songs and choruses were sung by the youths and were a feature which greatly helped to contribute to a common feeling of merriment, as well as to inspire a sense of gratitude towards their host and hostess for having provided for such an appreciated entertainment. After everybody had partaken of the delicacies of a well-provided supper, everyone went home pleased at the store of enjoyment of which they had been participants.—R.

—A GOOD EXAMPLE.—While other factories were considering how much cheese they would send to the poor Belgians, the patrons of the Lot 16 Dairying Association decided to give one days product to the fund. As a result much more milk was received than on other days and about 700 pounds of cheese was made or about \$125 worth. The notable feature is that not only did the patrons supply the milk free, but the haulers hauled it free and Mr. MacDougall put it up free. This cheese has been sent to the committee in charge in Charlottetown.—Y.

—A BUSY SOCIETY.—The Women's Patriotic Association of Alberton still continues to hold sewing meetings, and much work is being accomplished. Three cases of Hospital supplies have already been forwarded, and a fourth case will be ready in a few days. The Association also collected and forwarded the following goods to the Belgian Relief Committee: one case and one bale of clothing, one case of 10 foot caps, one bbl. and one bag of flour, five cases mackerel, one case lobster, one case preserves, and \$20.52 in cash. The Association is very grateful to the I. O. O. F. of Alberton, who so kindly gave the free use of their Hall, with light and fuel, for the sewing meetings. It is very important that the good attendance at these meetings will be kept up, for there is still much work to do.

—ALMA.—The progressive favours of Alma and vicinity have almost completed their fall work and all agree that the result of this year's labor is quite satisfactory. Josie Gaudet, Alma's successful teacher has returned from her home in Pleasant View where she spent a pleasant and well merited vacation.

C. C., Summerside, spent Sunday at her home in Summerside and returned to Summerside on Monday.

—ANNIVERSARY.—A pleasant event of unusual interest took place on the night of the 20th inst., at the home of Mr. Joseph M. Gallant, Abrams Village, where neighbors and relatives had assembled to celebrate the 18th anniversary of their wedding. Although taken entirely by surprise, Mr. Gallant knew how to receive his visitors. Those present enjoyed themselves in various ways, and although they had expected a night's fun, they were all loud in their eulogy and avowed that the reception given them was far beyond their anticipation. A special feature of the night was a beautiful French address, read to Mr. and Mrs. Gallant. This address breathed forth the sentiments of joy and congratulations of the guests to their host in that God had so lavishly showered his blessings on the happy couple, and expressed the sincere wish for a prolonged and undisturbed conjugal life. Baby Eczema Becomes Chronic

Causing Great Suffering and Anxiety — Prompt Relief and Cure by Dr. Chase's Ointment.

This is one reason why every mother should know about Dr. Chase's Ointment, since it is an unfailing cure for all itching skin diseases.

Mrs. F. Clarke, Belmont, Man., writes:—"My baby had eczema on her ear. The sore was very bad and nothing seemed to do her much good. Hearing of the remarkable cures Dr. Chase's Ointment was making, we sent for some, and after the third application the sore began to heal. I am glad to say that it is quite well now, and we give the credit to Dr. Chase's Ointment. We cannot recommend this preparation too highly."

Here is another letter, which tells of the cure of a five weeks old baby: Mrs. Wallace Mingo, River John Road, Colchester County, N. S., writes:—"My little girl took eczema when she was five weeks old. Though we doctored her until she was nearly a year old, she got no better. I was advised to use Dr. Chase's Ointment, and this treatment completely cured her."
