Pains in Chest The Danger Signal

That Tells of Approaching Pneumonia or Serious Lung Trouble Prevent Further Developments by Using

Dr. Chase's SYRUP OF Linseed and Turpentine.

When it hurts to cough, when coughing or a long breath causes pain or a feeling of soreness in the chest, when the linings of the throat and bronchial tubes feel raw and sore, when you feel that the cold which you expected to wear away is getting the better of you, turn to Dr. Chase's Syrup of Linseed and Turpentine, and you will get prompt relief and cure.

Mr. John Clark, coachman, Port Hope, Ont., writes:—"Being exposed to all kinds of weather I frequently catch cold. Last winter I was so bad with a cold I could not speak above a whisper, and had great pains in the chest. At last I feared it would develop into consumption if I did not succeed in getting proper treatment. A friend advised me to try Dr. Chase's Syrup of Linseed and Turpentine, and I began to improve before I had taken half a bottle. One bottle cured my cold, which I believe would have proven very serious if I had not used the medicine."

As a prompt cure for croup, bronchitis, whooping cough, asthma, and all throat and lung affections, Dr. Chase's Syrup of Linseed and Turpentine is wonderfully effective. It is not a mere cough mixture, but a thorough far-reaching medicine which acts on the whole system and drives out disease. 25 cts a bottle; family size, three times as much—60 cts. At all dealers, or Edmanston, Bates & Co., Toronto.

A ROYAL WEDDING.

BERLIN, May 1.—The Grand Duke of Saxe-Weimar and Princess Caroline of Prussia were married at Buckeburg Castle, principality of Schaumburg-Lippe, yesterday.

THE MAN WHO IS INDEPENDENT.

When a man has money and position he usually becomes hard to please. He is disposed to criticize and to want the best of everything. Take, for instance, H. R. H. the Prince of Wales, who visited Canada a short time ago. He wouldn't use bread made from ordinary flour, so, indeed—he wanted the best bread that Canada could produce, and so he got Ogilvie's Flour to make it. The result is that to-day Ogilvie's is, by Royal Warrant, the Flour of the Royal Household, and you know, the Royal Household in all things invariably demands the best.
