The Saturday Guardian, only fifty cents a year is an excellent gift for that friend of yours abroad. Subscribe for it today. FRANCIS CARTER, St. George's, was taken to the City Hospital by the ambulance yesterday morning. He is suffering from rheumatism. JOHN BONNELL, Worcester, Mass., yardmaster with the Boston & Albany Railway, who has been visiting on the Island for a short time, returned home yesterday. Miss MULLEN and Miss Ella Mullen, daughters of Daniel Mullen post master at Ten Mile House have arrived from Hopdale, Mass., to spend a short vacation at their former home. S. W. AND Mrs. CHABBE have returned from Amherst, where Mr. Chabbe attended the meeting of the Maritime Board of Trade. They visited a number of provincial towns before returning. Mr. JUSTICE FITZGERALD left yesterday morning for Halifax to attend a meeting of the sub-committee of the new Church of England hymn books. While there he will play in the golf team. POLICE Sergeant Taylor who thought he had recovered sufficiently to again resume duty after his recent assault, has been compelled to lay up again for a while, as he is still suffering from the consequences of the blows received. JONATHAN AND Mrs. McWILLIAMS, Brackley Point Road, left yesterday on an extended trip to Boston and other parts of Massachusetts. They will spend a considerable portion of the time with their son Stafford, at Newburyport, Mass. The funeral of the late William A. Trainor took place at 8.45 o'clock yesterday morning from the City Hospital to St. Dunstan's cathedral, thence to the Roman Catholic cemetery. The members of the Charlottetown Council of the Knights of Columbus followed the remains to their last resting place. At the Cathedral, High Mass was celebrated by Rev. Gregory McLellan. The pall bearers were: Messrs T. Hanahan, L. B. McMillan, F. H. Black, Joseph A. Kelly, A. E. Leigh, and Bernard Callaghan. As The Guardian Employment and Information Bureau, established some months ago, has been so greatly appreciated, and has been the means of securing employment for so many people and help for so many business houses and householders, it has been decided to establish in connection with this paper, an Advertising Agency. Thus any persons or firms desiring advertising in any newspaper outside of this city, can have same placed by The Guardian. They can thus secure the same rates as if they placed their order direct, and have each advertisement checked to see that it gets the proper number of insertions and appears as desired. AMOS WEST of York has returned from the Northwest. He saw a great deal of the Western country, having travelled on most of the branch line, and long distances by team. He saw many Islanders. At Edmonton, F. Perkins & Son are in the dry goods business. In the same town are Augustus Mason, Ronald McMillan, Lemuel Senter, John McMillan, G. R. Newson, and Hedley Bryerton. In Inistail, Banff, and Calgary were also visited. At the latter place the McLeod Bros., John Henry and Ed. Harper formerly of Charlottetown, are doing well. Leaving Regina by team he visited Strasburg, about 60 miles distant, where Geo. Drake, Wm. Sellar, Chas and John Holman, Edwards Bros. and Jas. Clarke have taken up considerable land. A large quantity of wheat, which was a very good crop had already been harvested. At Winnipeg, the Wise Bros, sons of Joseph Wise; Turner Bros, formerly of Winsloe; and many others were doing a good business. At Humboldt, Minn., the Matthews, Glows, Diamonds are large producers of wheat and the owners of valuable properties. The cities of Montreal and Ottawa have, he thinks, greatly increased in wealth and population, since last he visited them a few years ago.

PETER AND Mrs. McGRATH, City, leave tomorrow morning on a short visit to Sydney. EARLY yesterday the S.S. Restigouche called into this port on her return trip to Montreal. FRANK AND Mrs. LATHAM of Hingham, Mass. are visiting in West Royalty. They are the guests of Mrs. Latham's parents, Richard and Mrs. Burke. DAVID AND Mrs. SCHURMAN leave tomorrow morning on an extended trip to Toronto. They will attend the Toronto Exhibition and also visit Niagara Falls. "The Story of Classified Town" ends with this issue. Hundreds of people have enjoyed reading the interesting chapters of the story as they appeared from day to day. DR. R. STEWART, Leicester, England, spent a week's holiday at Lewis' Point, West Royalty. He left a few days ago to attend the meeting of the British Medical Association in Toronto. W. A. O. AND Mrs. MORSON, Mrs. G. Hodgson, Mrs. DesBrisay, Miss B. Hevils and Miss DesBrisay, Charlottetown and Mrs. John Rodgers Montreal, are spending the month of August at Lewis' Point, Royalty. W. L. KNIGHT with his wife and children, Eugene H. and Alice E. left yesterday morning for Moncton, where they will spend a week with Mr. Knight's brother, William Knight, before returning to their home in Buffalo N. Y. The many friends of John C. Croke of this city, who has been suffering from blood poisoning for the past eight months, will be pleased to know that he has improved considerably, but all will regret to learn that he is still without the use of his hands. Those who want work of any kind or are looking for help of any kind should send their names and addresses with all particulars or call at The Guardian Employment and Information Bureau, New Prowse Block, Charlottetown, Telephone 132a. Those who do not desire to advertise will please send 25 cents with their request, which amount will be returned to them on application if they do not get what they want. At Rose Valley the Guardian correspondent reports that the hay is all taken up—an excellent crop.—Friends are sorry to hear of the departure of Mr. and Mrs. Ramsay who have returned to Boston after spending the summer at the home of Mrs. Ramsay's mother, in Rose Valley.—Misses Sarah and Tottie McKenzie of Rose Valley have been visiting friends at Bradabane.—Mrs. Roderick Matheson is suffering from the effects of a sprained ankle. The S.S. Pretoria sailed yesterday morning for Boston with a large cargo consisting chiefly of canned goods and the following passengers:—Edward Kelly, and wife, Miss Agnes Trainor, Miss S. Heustis, Miss F. Heustis, J. W. Whittier, Miss Bessie Morrison, J. W. Morrison and wife, Lloyd Morrison, J. McKinney, Edward Murphy, Miss S. Stevenson, Wm. Hollowell, Mrs. A. Beaton, Miss G. McDonald, Mrs. J. Kelly, Mrs. Wm. Martin, Miss Ruth Martin, Miss A. E. Gilvary, Miss E. Newman, Miss K. Carrol, Miss M. Cochrane, Miss Grundell, Mrs. Weston, Miss E. A. Barnes, Mrs. Daly, W. T. Prime, A. W. Gupill, B. V. Marshall and wife, J. T. Bealey and wife, Miss S. Howath, John McQuillan, Siloh Shoemaker, Denis Higgins, C. F. Eldridge, T. D. Shaw and wife E. D. Clark, A. H. Andrews and wife, W. H. Murlock and wife.

The business training course of the Charlottetown Business College, has always been recognized as very strong and eminently practical, equal to the best, and the Shorthand and Typewriting departments have been brought up to such a high state of efficiency under Mr. Trainor and his assistants, that they are not excelled anywhere. Just fancy, students going direct from a class to do difficult reporting, and doing it in such a manner as to win unstinted praise. This is not an unusual occurrence at the C. B. C. Last year the shorthand students were obliged to take dictation direct from the typewriter before graduation, but they were allowed to do so on a machine selected by themselves. This year they will be required to do so on any of the seven different classes of machines in use. Having the use and knowledge of such a variety of machines is certainly a grand thing for the student. Every fair minded man must wish the C. B. C. unlimited success, for it not only looks well after the interests of its students, but is a power in securing positions for its graduates.

IT IMPARTS STRENGTH.

Just think of the enormous strengthening power Ferrozone possesses—consider what it did for H. V. Potter, well known in Kingston. "I was subject to spells of dizziness. For eight months I had intense pain in my right side between the shoulders. I was almost incurable with weakness and lack of vigor. Often I scarcely ate any breakfast and felt miserable all day. Nervous, easily excited, troubled with heart weakness, I was in bad shape. Ferrozone restored and nourished me back to health in short order." Whatever your weakness may be Ferrozone will cure. Price 50c per box at all dealers.
