...MR. SILAS CLARK.—A telegram was received in Summerside on Friday conveying the news of the death of Mr. Silas Clark, which took place suddenly the previous night; death being due to paralysis. It will be remembered that deceased was sentenced to a term in Dorchester Penitentiary for shooting Robert Phillips and the news of his death especially at this time when an effort was being made to have him released on parole, is especially sad. He leaves to mourn a wife and family of small children to whom the sympathy of all will go in this their sad bereavement.
...ODDFELLOWS VISIT.—On Thursday evening a very enjoyable time was spent in the Oddfellows Hall, Summerside, when a number of brethren from Charlottetown, and Kensington paid a fraternal visit to Prince Edward Lodge. The visiting brethren numbering about 75 arrived by special train about 7 p. m. and left on return at 1.30. After the usual lodge business was transacted the initiation degree was conferred by the degree staff of Prince Edward Lodge on 3 candidates. Refreshments were then served after which a very enjoyable smoker was held during which short addresses were made by Past Grandmaster Whear, Grand Secretary McKinnon, G. S. Ryan and others of the Charlottetown Lodges Brothers Cook, Morrison, Jardine and others of Royal Lodge, Kensington, and a number of brethren of Prince Edward Lodge, including Mayor Sanders, H. J. Massey and Dr. Jardine also by Bros. Elliott of Woodstock, N. B., and White of St. John. This is the fourth year of the fraternal visits between Summerside and Charlottetown Lodges and the visit of Thursday evening last was one, if not the best ever held, there being about 150 Oddfellows present at the meeting.

Getting Your Money Back
Is the main thought of many foolish investors. O! they say to themselves, we will get our money back in two years and we will chance the rest. But what about the fellow you got your money back from, is he going to get his money back and is he going to keep on getting his money back?

That is the Question
We say, yes, undoubtedly yes, if you invest in the fox ranch that has the pelts which will pay big dividends on PELT BASIS—but not otherwise. Now that is why you should put your money into the best foxes on earth.

The Hygrade Black Fox Co.
owns fifteen pairs of DALTON'S PUREST BREED and that only. Why not invest in \$2,000 pelts before \$200. ones. It is just as easy and a thousand times safer.
The capitalization of \$18,000.00 per pair is not higher and in many cases less than hundreds of fox Companies are asking for the ordinary kind of pelts.

Stop and Think
Is there any sense in putting your money in any other ranch while this one has the DALTON FOXES, which bring, for breeding, \$2,000 more per pair than any other, and for PELTS you know none can compare with them. Their records prove it. If you use good judgment, this stock will all be sold very quickly. Shares \$100. par value. Apply to the undersigned.

Remember
The Dalton Company are going to ranch this Company's foxes. You'll get all the benefit and have a permanent investment for all time to come.
