A CORRESPONDENT from Elliotts Mills writes:—On January 16th, the pupils of Pleasant Valley School assembled at the home of their teacher, Miss Eliza Elliott, to show their esteem and respect to her, and the goodwill which exists between teacher and pupil. An enjoyable program of songs, recitations and music followed and then an address was read by Miss Agnes Sharpe on behalf of the pupils, and Master Pope Warren came forward, and presented the teacher with a beautiful toilet set. The teacher who was taken by surprise responded and thanked her pupils for their kindness and thoughtfulness, and also for their abedience and behavior in their school-room. After coffee and cake was served the remainder of the evening was spent in playing games. This pleasant evening was brought to a close by singing "God Be With You Till We Meet Again."
