

Dr. Fowler's Extract of Wild Strawberry constantly relieves pain, is astringent and soothing to the irritated bowels, has a stimulating action on the weakened system, and is a powerful disinfectant of the whole intestinal tract. For half a century it has been recognized as the safest and best remedy for **DIARRHOEA, DYSENTERY, CRAMPS, COLIC, SUMMER COMPLAINT, CHOLERA MORBUS, CHOLERA INFANTUM** and all fluxes of the bowels of infants or adults.

SAVED BABY BROTHER.
Miss Lizzie M. Henrick, 225 Rawdon St., Brantford, Ont., writes: "My little baby brother, one and a half years old, had a very bad attack of Cholera Infantum, and we did everything for him we knew of, but without any benefit. Finally we heard of Dr. Fowler's Extract of Wild Strawberry and got a bottle of it at once. The first dose helped the little fellow so much that we were fully convinced of its healing powers. We persisted in the use of the remedy and soon the baby gained strength and was able to get around again. Now we always keep Dr. Fowler's Strawberry in the house and find it invaluable for diarrhoea and cramps in the bowels."

PEOPLE ON THE PRAIRIE.
"I think that Dr. Fowler's Extract of Wild Strawberry is the best medicine made for Diarrhoea and Summer Complaint. We never be without it in the house, and consider that people living on the prairie away from doctors should always have it on hand."—Mrs. A. Maitland, Butterfield P. O., Man.

Always ask for Dr. Fowler's Extract of Wild Strawberry and refuse imitations, many of which are worthless and some of them highly dangerous.

FAST TRAINS.
Grand Trunk Has Decreased the Time to Toronto and Chicago.
The Grand Trunk in the past four years has scratched off five hours between Montreal and Toronto. Fifty-five minutes of this has been knocked off at a stroke by the working time-table which went into effect on June 24.
The flyer, which is to set the pace faster than has been, is styled the "International Limited." It is scheduled to leave Montreal daily at 9 a. m., and reach Toronto at 4.30 p. m., a distance of 333 miles. It is to make the 877 miles between Montreal and Chicago in 23 hours and 30 minutes, an average of 43 2-10 miles per hour, allowing 4 minutes for each stop. This is a record which challenges comparison with anything on the continent in the way of a regular everyday service. The "Pennsylvania Limited," the most noted fast train between New York and Chicago, averages only 41 5-10 miles per hour, exclusive of stops; and the passenger must pay \$4 in excess of first-class fare, besides an extra charge for Pullman accommodation.
Hitherto the Grand Trunk has covered the 845 miles from Montreal to Chicago via the St. Clair tunnel, in 23 hours 15 minutes. To accommodate the section west of London the International Limited will now go by way of Detroit, taking the Detroit and Milwaukee division to Durand, Mich., and there connecting with the main line. This is 32 miles longer than the tunnel route and 22 minutes is lost in ferrying the Detroit river; yet the International Limited takes only 15 minutes more to reach Chicago via Detroit than via the St. Clair.

Sunday School Lesson.
STUDIES IN THE LIFE OF JESUS.
GENTLE WOMAN'S FAITH.
GOLDEN TEXT.
Lord, help me.—Matt. 15. 25.
OUTLINE.
1. Great Sorrow, v. 24-27.
2. Great Faith, v. 23-30.
Time.—Early summer of A. D. 29.
Place.—The Phoenician country, near Tyre and Sidon.
LESSON HELPS.
24. "From thence"—From apameum or its vicinity. "He arose"—His countrymen were beginning to be hostile. "Into the borders of Tyre is about thirty-five miles. He and his disciples probably walked all the way. "Entered into a house, and would have no man know it"—He had come to Phoenicia, a heathen country, not as a teacher or a saviour. "He could not be hid"—He was probably known by sight to some.
25. "Young daughter"—Little daughter. "Unclean spirit"—A spirit at once weak in morals, physically diseased and insane. Exactly what demoniacal possession was we do not know, but we are not entirely ignorant of the insanity which has its roots in sin, such, for example, as delirium tremens.
26. "A Greek"—Palestinians used this word to describe the Gentiles. "A Syrophenician by nation"—A Phoenician of Syria by race, as distinguished from the Phoenicians of Africa, whom we call Carthaginians. "The devil"—A demon.
27. "Jesus said unto her"—Read the account in Matthew for many additional facts. "Let the children first be filled"—Let the Jews, the chosen people of God, have the spiritual right of way. "The dogs"—The phrase was a common one to describe the Gentiles. Dogs are not commonly kept in the East as pets or defenders. They are the scavengers of the streets, and are a symbol of outcasts of all sorts.
28. "Yes, Lord"—This woman truly and firmly believed in the power and willingness of Jesus to help her. She understood his words better than some modern Christians.
29. "For this saying go thy way"—Clever as was the woman, it was her faith, not her cleverness, that won her daughter's cure.
30. "She found the devil gone out"—God's universal mercy is taught by this incident. Whoever turns to God is received by him, and may eat of "the children's crumbs."

DEAR ECONOMY
Some short sighted people practice a kind of economy that is not economical. They save a penny on Soap and lose a dollar on clothes. Sooner or later they learn that the cheap common Soaps, rot rothing by burning the thread with strong Alkalies, then they wish they helused

WELCOME SOAP
which contains no impurities, nothing to injure the most delicate fabric. There is still greater economy in using "Welcome Soap"—
Because it lasts longer than Others.

Imitations
of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitators have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. There is only one DODD'S. Dodd's is the original. Dodd's is the name to be careful about—
