UNDERGOING TREATMENT—Mr. Peter Gaudet, of Tignish, came down on the morning train on Wednesday to Summerside and entered the Prince County Hospital for treatment. Mr. Gaudet was severely burned about the hands at Christmas time, when the Christmas tree at his house caught fire. It is for further treatment of the burns incurred that he has entered the hospital. His many friends hope he will soon recover.—S.

SECOND SPOON SHOOT—Owing to the uncertainty of the weather and the bad condition of the roads, the second spoon shoot at the Summerside rifle range had to be held on two different evenings, the final round being played Tuesday evening. Marked improvement was shown in the scores, a total of 934 points being reached as against 914 for the first shoot. The scores were as follows: Dr. MacDonald, 97; Henry Noonan, 96; James Morrison, (Jr.), 96; Walter Schurman, 96; Harry Allen, 95; Lowell Hancock, 94; Col. Dawson, 94; Clifford Rogers, 94; Dr. A. W. Leard, 93; Hazen Phillips, 79. The third stage of the shoot will be held in about two weeks time.—S.

ALBANY JUBILEE WOMEN'S INSTITUTE—The February meeting of the Jubilee Women's Institute was held on February 4th, at the home of the President, Mrs. W. P. Cameron. The meeting opened in the usual way by repeating the Creed and singing the Institute Ode. The attendance was somewhat small, owing to the stormy night and bad roads, also some of the members being confined to the house with bad colds. Thanks to Mr. Johnson for his kindness and thought for bringing his team and taking the nearby members to the meeting. The minutes of the last meeting were read and signed. There were eight members and three visitors present. The roll call was answered by whistling a tune. An auction sale of quilt cotton fell to the highest bidder, Mrs. Johnson, 60 cents was the price paid. The next meeting will be held at the home of Mrs. Wm. Buchanan. After all the business matters concerning the Institute were settled, an hour was whiled by all. Ice cream and cake was served and a vote of thanks to the host and hostess for the good time spent in their home. The National Anthem brought the evening's meeting to a close.

SUDDEN DEATH GAME — A sudden death game has been agreed upon instead of home and home games to decide the championship of the A. E. MacLean League, owing to the fact that a winner of this league must be declared by the end of this week and also that ice conditions are not conducive to home and home games. The winner of this League will have the right to compete in the Provincial and Maritime Intermediate playoffs, which commence next week. The sudden death game will be played in Summerside on Friday evening between the Regals of Alberton, and Nationals, of Borden, winners of West Prince and east Prince finals, competing for the A. E. MacLean trophy. This game will decide the championship of the MacLean League and the right to hold the trophy for another year. A win for the Regals will give them permanent possession of the cup, as it would be their third year to hold it. Due to this possibility, a good game is assured the fans. Both teams are rugged players, fast skaters and evenly matched as far as weight goes. Neutral referees have been secured to handle the game. Alberton can boast of not having lost a League game this winter.—S.

GRAND FINAL GAME — The final game for the McLean Cup between Borden and Alberton will be played in Summerside Rink, Friday night at 8.30. The winners of this sudden death game will be intermediate champions of Prince County, with the right to play off for the Island and Maritime Intermediate championships. A special train will leave Borden at 5 o'clock, also a special train from Alberton at 2 o'clock for this game. 3746-21

MARIE INSTITUTE—The regular monthly meeting of this Institute met at the home of Mrs. Bruce Webster on Wednesday evening, February 18th. Eleven members and two visitors were present. Meeting opened by singing "The Institute Ode" followed by roll call which was answered by "My first recollection in school and my first teacher." Minutes of last meeting were read, approved and signed, after which the usual business routine took place. Committees gave their reports and new ones were appointed as follows: Sick (appointed). The program consisted of Bruce Webster, School committee (re-Mrs. Beatrice Battersby and Mrs. continued at this meeting and proved quite interesting to the members and visitors. The March meeting was invited to the home of Miss Emma Mobbs. Roll call to be answered by a Canadian Product and where it is manufactured. A dainty lunch was served by the hostess after which a vote of thanks was tendered Mrs. Webster and her assistants. The meeting closed by singing the National Anthem. (Patriot Please Copy.)

INSTITUTE WORK — The Strathcona Women's Institute met at the home of Mrs. John McKinnon, with eleven members and four visitors present, one member joining. Meeting opened with repeating the Creed, followed by singing the Institute Ode. Roll call was responded by "My Mother's Maiden Name." Minutes of last meeting were read and approved. Committees reported and new ones were appointed. Program consisted of readings, by Mrs. Walter Burdett, Mrs. Henry Burdett, Miss Elsie Brown and Mrs. Alex MacKay. Members decided to get a bell and a dozen clothes hooks for the school. Next meeting to be at the home of Mrs. Walter Burdett, roll call to be "Ways of removing stains." Meeting closed with the singing of the Institute Carol. A social hour was spent in singing and games, after which lunch was served. Miss Brown was organist for the evening. This meeting was postponed for a week on account of the death of one of our Institute members, Miss Mary Jane Enman. Although not being able to attend the meetings, Miss Enman was always interested in the welfare of the Institute.

BASKETBALL HURTS SPECTATOR ROCHESTER, March 5. (U. P.)—Miss Mary Waddups of Grass Creek, near here, was made unconscious and seriously hurt when hit in the head by a basketball while watching a game between Grass Creek and Star City's high school teams.

A woman went into a shop and wanted to buy some goods on credit. The shopkeeper called up another merchant, and asked if this woman was reliable in the matter of credit. The answer was short, sharp and decisive. The other merchant said: "This woman has been married three times she still owes for two

Serious Accident At Montague

A very regrettable accident occurred in the factory of the Montague Furnishing Co. Ltd. on Tuesday evening, when Mr. Heath Stewart had a piece of a board driven through his shoulder.

Mr. Stewart was sawing at the rotary saw when a board dropped off the carrier, and caught in the saw and a piece about two feet long and two inches wide flew back and struck him in the shoulder passing right through the socket of the arm and fracturing the bone of the arm and shoulder.

Mr. Stewart was rushed to his home and Drs. McIntyre and Grant were immediately summoned. After examining the arm and shoulder the Doctors found that the arm would have to be amputated. The operation was performed immediately and the patient was resting as comfortable as could be expected, Wednesday morning.

His many friends were very sorry to hear of Mr. Stewart's unfortunate accident and hope that he will be able to stand the shock, the brunt of which will not be felt till after the first forty-eight hours.—M.

BRIEF EXCERPTS FROM LETTERS ADDRESSED TO FARADOR REPRESENTATIVE

A Charlottetown woman writes: "The Farador restored my son to health after he had suffered for more than a year from anemia and other ailments. It has also greatly benefited other members of our family."

Mr. Fred Watts, formerly of Summerside, now of New Waterford, N. S., says: "A little boy at Dunmore was afflicted with infantile paralysis several years, one leg being quite useless. With two months' treatment, he was able to walk by holding onto chairs and tables. He is now able to walk perfectly, being entirely cured."

A Murray River woman says: "We have used the Farador for the children with marvelous results. A single treatment gave great relief in a severe case of neuralgia, and the sufferer is now entirely cured."

A Charlottetown man says: "I suffered terribly from asthma for years and have found complete relief through use of the Farador." Names and addresses given for the asking.

Mr. J. S. Perry, of Summerside, is agent for the Farador in that locality. W. EDGAR ENMAN, Farador Representative 268 Sydney St., Charlottetown. 3778-3-6

WINS FIRST PRIZE AS SKINNIEST MAN

It's just as dangerous to be too thin as too fat—and there's just one logical way to put on flesh where flesh is needed.

No man wants a prize for being the skinniest man in town—not even a purse of gold.

For years McCoy's Cod Liver Extract Tablets have been helping people who are willing to be helped to gain needed flesh and while doing so gain in vigor, strength and physical attractiveness. It's a great tonic tablet is McCoy's—small—sugar coated—easy to take. You can get a box of 60 tablets for 60 cents—a fair enough price. Take them for 28 days and if you do not gain at least 5 pounds get your money back from any drug store anywhere. Just ask for McCoy's.

FEW LAWYERS SOLONS HERE

PHOENIX, Ariz., March 5.—Lawyers may make the laws in most states, but not in Arizona. Out of a possible 83 in the Arizona legislature, only eight are attorneys. The attorneys are outnumbered by miners, cattlemen and farmers.

Wife (to husband tinkering with car): "What's causing the trouble, dear?"

Novice: "I don't know exactly, but I think it's the exasperator."

"My lord," exclaimed one man addressing a judge some years ago, "you may believe me or not, but I have stated not a word that is false, for I have been wedded to truth from my infancy."

"Yes," was the crushing reply, "but the question is, how long have you been a widower?"

Some obsolete names of trades survive as surnames, such as Webster, Lister, Walker. In the 14th century the weaver was known as "the Webster," the dyer was "the Lyster," and the workman who trod the cloth in the loom was "the Walker."

The port of Vancouver, on the Pacific coast of Canada, saw an increase in shipping during 1930. The aggregate tonnage of vessels entering the port was 12,700,000 tons, an increase of nearly one million tons over the previous year. More than 83,000,000 bushels of grain were exported from this port.

"Weel, Jock, Ah hear ye've got married." "Aye, Donald." "An' what kind o' match did ye mak'?" "Weel, Donald, to tell the truth, Ah didna do sae weel as Ah expected, but Ah didna think she did either."

They were so expensive that it was the custom to give as a present a certain sum of money to be used as pin-money. Hence the term.

A hundred years is a rough estimate for the time it takes to form an iceberg of the north.

When pins were invented in the 14th century the maker was allowed only to sell them on the first two days in January, and upon those days were stocked to buy them at the end of the month.

The name of the famous Italian family of the Middle Ages, the Modigliani, has been perpetuated through the word "modicine," a tribute to the skill of the members of this house in the art of healing.

Doctor: "A queer saying that about truth lying at the bottom of a well." Lawyer: "You wouldn't think so if you knew the amount of pumping we lawyers sometimes have to do to get it out."
