For Children's Aid Societies Nothing In Government Estimates

Withdrawal this year of the annual grants to the Charlottetown and Summerside Children's Aid Societies was strongly criticized in the Legislature last week by Hon. Dr. MacMillan, who pointed out that these organizations might have to go out of existence altogether unless financial support is forthcoming.

Premier Jones said he presumed that in making up the estimates he had been let out "because it was very difficult to talk with the changeover of Ministers, what was necessary in this department. The Charlottetown Children's Aid Society was demanding \$2,000. Last year they only got \$300. We took over their agent, Mr. Bradshaw, and incorporated him into the Government and are paying all his salary."

Dr. MacMillan said he could only repeat that the condition is an unfortunate one. "In your estimates there is provision for a chief welfare officer, \$2,500, and for a director of child welfare, \$2,000, who I understand is Mr. Bradshaw. But there is no chief welfare officer. I suppose the department expects to get one, but he has not been appointed. Mr. Bradshaw was our very efficient agent for many years in the Children's Aid Society, and also our trust officer. When this new setup was made he was given a more attractive offer and we were not able to keep him. We formerly received \$500, but last year we received only \$300 and the town of Summerside \$300.

"The Charlottetown Society is nearly forty years old, in which time we have salvaged between 200 and 250 children. We have had the satisfaction of seeing those children grow up after being placed in good foster homes, and the occasions have been very rare when we had to remove any children. That is a wonderful tribute to the homes of this Province.

"We asked to have the Government give us a grant this year of \$2,000 because we must find an agent for our Society who will do the work that Mr. Bradshaw was doing. The need is just as great as it ever was. If you allow the Charlottetown Aid Society to go out of business, you will have enough work in your Welfare Department to require not only all the men you have, but an extra man besides."

This appeal was made during the passage of \$1,689,862 estimates for the Health and Welfare Department.

Extra-Mural Treatment On grants for extra mural treatment for tuberculosis, Hon. A. W. Matheson explained that the amount was \$5,000 more than last year. Mr. Philip Matheson questioned whether this would be enough. The Minister had stated that it cost approximately \$4.00 per day per patient bed in the Sanatorium. "You can see the saving you are making here," he said. "If you treat these people too niggardly you will only have them back in the Sanatorium again."

Mr. D. L. Matheson: "Did I hear the leader of the Government say in regard to the Children's Aid Society that something might 'all be done'?" Premier Jones: "There is nothing in the estimates for it."

Mr. Matheson: "Is it not possible to make provision for it? Surely so." Premier Jones: "We must be paying the City of Charlottetown between \$50,000 and \$60,000 more a year than they used to get. Is the City of Charlottetown not going to give something to the Children's Aid Society to provide for the City of Charlottetown?"

Mr. Matheson: "We are dealing with the children, not the City of Charlottetown. Are they going to get the aid or not?" Mr. Bell: "How are these Societies going to function at all?" Hon. Mr. Large said there is a grant for juvenile delinquents of \$5,000 which is mostly spent on delinquent children of Charlottetown.

Mr. Bell: "And paid to an institution outside the Province." Hon. Mr. Large: "Yes; but mostly from the City of Charlottetown. The Provincial Government assumes the responsibility for children outside the municipalities. Any needy or delinquent children come under the Department. Any in the City are the responsibility of the City government."

Mr. D. L. Matheson: "If you want to be cold and formal about it, all right. But it is the children we are dealing with." Hon. Mr. Large: "I am not cold and formal; I am just stating the facts."

Mr. Philip Matheson: "Then we are to understand that you are definitely not giving them a grant this year?" Dr. MacMillan: "Did I understand the Attorney General to say that the majority of juvenile delinquents come from Charlottetown?"

Hon. Mr. Large: "Yes." Dr. MacMillan: "I haven't the figures here, but I can produce the records of the Society. This children's aid work is done largely by the two societies in Charlottetown and Summerside, who have jurisdiction over Queen's and Prince Counties. The rest of the work was done by Mr. Bradshaw in his capacity of superintendent of neglected and dependent children. When the case was heard outside Charlottetown or Summerside he attended. In the opinion of the Government there is apparently no need to do any more of this work in Charlottetown and Summerside. That is the result of doing away with the grant."

After further discussion the item passed unchanged.

Easter Sunday Services At S'side Well Attended

The Easter Sunday services were well attended in the Summerside churches, with appropriate sermons being preached by the ministers and holy communion dispensed. Special music was supplied by the choirs. The morning service at the Church of Christ the Junior choir led in the worship of Easter song with the processional "Beneath the Cross of Jesus" and the anthem "Children of Jerusalem" with Miss Evelyn MacLure at the organ. "The Light of the Easter Morning" was sung by the senior choir. At the evening service a play "The First Easter" and an illuminated tableau, "The Garden, The Cross, The Tomb and the Ascension" was presented.

In the Presbyterian Church the music, in charge of the organist, Mrs. Cleve Whalen, consisted of the anthems, "The Processional to Calvary" from the Crucifixion; "O Worship the King" with soprano solo by Mrs. William E. Forbes; "Why Seek Ye the Living Among the Dead"; and "Thanks Be To God." The hymn "The Strife Is O'er the Battle Won" was sung by the senior girls choir assisted by the senior choir.

At the First Baptist church the music, under the direction of Mrs. Eric Shoen, consisted of the vocal solo "Hosanna" by Mrs. Clarence Mercer. The anthems were "Hallelujah, Christ Is Risen" and "He Lives Forevermore." At the evening service the sacrament of baptism was administered. An Easter pageant "The Uplifted Cross" was presented by the junior Y. P. U. assisted by the choir. "Low in the Grave He Lay" was sung by a male chorus.

The Easter music, in Trinity United Church, under the direction of the organist, Miss Mary Grelstad, consisted of the anthems "An Easter Song of Praise" with Mrs. Lea M. Callbeck, soloist; "Jesus Is Risen" with the solo by Mr. Allan Wedlock. "Songs of the Easter Dawn" was sung by the male chorus.

The feast of Easter was observed in St. Paul's Catholic Church with masses at 8, 9:30 and 11 o'clock. After a period of church mourning the altar once again took on a joyous setting, being decorated with myriads of Easter lilies and other flowers of the season. A special sermon on "The Glorious Feast of the Resurrection" the cornerstone of the Christian faith, was preached at all masses.

In St. Mary's Anglican Church the music, under the direction of Mr. Edward Penwarden, organist, included the anthem "Why Seek Ye the Living Among the Dead" with Miss Catherine Lecky, soloist, and the duet by the Misses Catherine Lecky and Betty Lou Trendenick.—S.

Sport Echoes from Prince County

Summerside hockey fans never watched a more sensational reversal of form than was seen at the Crystal Rink on Wednesday night when the Dodgers defeated the Legionaires by the score of 10 to 7. At one time in the second period the Vets were leading the new champions by the top-sided score of 7 to 1 and fans were trying to figure just how bad a trouncing Steele's crew were going to have to take. Never did the Legion for wards look better and they were making the Dodger defence look pretty sick as they swept over the blue-line in dazzling passing plays. The Dodgers picked up another tally before the sandwich session ended, and then started to draw slowly nearer their rivals in the final frame. At the halfway mark the score read 4 to 4 but not even then did the most ardent Dodger fan expect the avalanche of rubber that was to be thrown at "Pinky" Peters in the last ten minutes. Peters stopped some of it but six additional goals were scored against him and Steele's Dodgers were the newly-crowned champions of Summerside and the winners of the MacFarlane and Delaney trophy.

Steel himself scored three goals in this surprising victory. Carl Woodside who is in his element when the going is rough, chalked up three tallies also, and Bradshaw helped himself to two goals and two assists. Bradshaw has had the best season of his career during the past winter. Always an aggressive mixer, Bradshaw had not been exactly a big bad wolf at the goal crease but this season he changed all this and scored a lot of goals.

We were impressed with the improvement in Garth Gay's play since we saw him also. Garth, who has been playing junior hockey in Moncton and St. John the past winter has put on a lot of weight since last seen here, and his clever plays around the enemy cage were really a revelation.

Summerside High has drawn a little nearer to the provincial interscholastic title. They defeated English High at O'Leary 6 to 1 Tuesday night and will now probably meet West Kent School of Charlottetown for the title.

P.W.C. Wildcats, Freetown Royals Battle To 3-all Tie

Bedeque sport fans witnessed one of the most exciting hockey games of the season on Saturday night when the Prince of Waits College Wildcats and the Freetown Royals battled to a three-all draw. After a third period second canto in which the Wildcats evened the score, both teams entered the final frame determined to rack up the winning tally. Duffy of the Wildcats sent his team ahead early in the third period only to have his goal counteracted by a goal from the stick of MacKenna of the Freetown squad, sending the game into a scoreless overtime period.

TWO BIG MODERN STORES WHERE PRICE IS MATCHED WITH QUALITY

Lewis has called an unwarranted strike and (2) the miners say the employers have "dishonored" their contract by not activating a pension agreement. Once the Board has made a report the Government could seek an injunction against the Union.

Some operators guessed unofficially that Lewis might send the men back to work as a means of making it unnecessary for the Government to go ahead with such emergency measures as an injunction. Lewis had no comment on this.
