TELEGRAMS TO OTTAWA RE THE DUNCAN REPORT

The following is a copy of telegrams sent from this Province to the Ministers of the Cabinet and Island members at Ottawa. They speak for themselves:

Charlottetown, P.E.I.
Feb. 2nd, 1927.

The Potato Growers' Association comprising irrespective of politics many of the most progressive farmers throughout our province provides the largest rail freight tonnage of any business concern in Prince Edward Island. This Association would respectfully urge the adoption of the Duncan Royal Commission's report and that the rail freight reductions recommended therein became operative as early as possible.

W. BOULTER.
Secretary,
P. E. I. Potato
Growers' Ass'n. Inc.

Summerside, P.E.I.
Feb. 1st, 1927.

Disquieting rumor here to effect that legislation on Duncan Report will not include recommendation regarding freight rates. This Board and business interests strongly protest and trust rumor incorrect. Reduction of freight rate considered practically most important and valuable suggestion in Report. Urgently request that it be included in legislation to be introduced.

G. M. MUTTART, Pres.
J. R. BARR, Sec'y.

Charlottetown, P. E. I.
Feb. 1st, 1927.

It is the united opinion of all Boards of Trade in this province that any deviation from the recommendations of the Duncan Royal Commission being carried out in their entirety and most especially as regards reduction in transportation costs will cause a serious situation in these Atlantic Provinces. I would respectfully point out that these recommendations are the result of a non-political independent body to whom all parties were committed and on whose report Maritime people placed implicit confidence. Any trifling with these recommendations by political interference will be resented by Maritime people of all parties.

J. HYNDMAN, Pres.
P. E. I. Associated
Board of Trade.

Charlottetown, P.E.I.
Feb. 2nd, 1927.

The farmers of this province have been encouraged to take an optimistic outlook of the future feeling assured that the recommendations of the Duncan Royal Commission would secure improved conditions and new opportunities for agriculture so much desired in the Maritimes. To Island farmers adequate and efficient transportation coupled with equitable freight costs is the most vital factor of all and it is the unanimous feeling that the report should be accepted in its entirety as recommended by the independent commission appointed by Dominion Parliament.

C. E. McKENZIE, Sec'y.
Central Farmers
Institute of P. E. I.

Copy of resolution passed unanimously at a meeting of the Council of the Alberton and West Prince Board of Trade held on February 1, 1927, and despatched to Ottawa.

Whereas this Alberton nad West Prince Board of Trade, in council assembled has been advised of serious opposition to that part of the so-called Duncan Report recommending a reduction of 20 per cent in freight rates as effecting the Maritime Provinces.

And Whereas such reductions suggested is in our opinion of the utmost importance and of the first consideration.

Therefore resolved that this Board most emphatically urge the Federal Government to include this feature in the proposed legislation.

(Sgd) J. E. BIRCH, Sec'y.

Bear Shot at Souris

During last summer the farmers around Souris and Souris Line Road were greatly inconvenienced by the frequent invasion of their sheep flocks by what they thought was a bear. Many sheep were destroyed and quite a monetary loss sustained.

But they may now rest easy as Bruin met his fate Monday at the hands of two Souris boys—George Leslie, aged 18 years, and his brother Bernard, aged 13, who are brothers of Harold Leslie, section man of Souris.

The lads found the tracks on Sunday in the woods at Souris Line Road and yesterday armed with a gun—not of a modern type—and two cartridges one containing a ball and the other buck shot started in pursuit.

All day the young brothers followed the tracks and towards evening came up with their quarry—an extremely large black bear. Quickly the ball cartridge was first fired which took little or no effect, when the second one containing the buckshot was discharged; this luckily reached a vital spot and the huge bear fell in his tracks.

The boys dressed the carcass in the woods and leaving the meat behind carried the skin triumphantly into Souris.

A metal that has been invented for armoring automobiles used to transport valuables is so resilient that it stops bullets by expanding when they strike it.

MACLENNAN — At Hopefield, Jan 30, 1927 John MacLennan, aged 88 years. leaving a widow, four sons and three daughters to mourn.

IN MEMORIAM

In sad but loving memory of our darling daughter Mary L. McLeod, who died Tuesday, February 9th, 1926. Age 2½ years.

The hours, the days ,the months have swiftly gone—
And in their flight have brought again the day
That held so much of pain one year ago
The day our darling Mary went away.

The day that, far in heaven, a need arose
For one more angel, innocent and fair.
Then came the message clear unchangeable
And she, whom we loved, is resting there.

How crushed our hearts, how sad our home that day—
That each day since, how lonely and forlorn,
How oft in memory the dear face is here
The picture from our hearts can ne'er be torn.

Today we're lonely still, and can't forget,
The form, the face, the smile, the lovely head,
But oh; we know God's love uniteth all.
She's with us still, the little Mary who's dead.

Sadly missed by her heart-broken parents Daniel S. and Mrs. McLeod, Pt. Prim.

—PLAY BY Borden Dramatic Club in Seven Mile Bay Hall on Thursday evening, February 10th. If not fine on Friday.
3777-2-9-2i

—SAD DEATH — Citizens of Summerside were shocked yesterday to hear of the death of Mr. Leonard Kelly which occurred at his home on Water St., after an illness of only one week with plurol pneumonia. The late Mr. Kelly was of a very likeable nature and had a host of friends who admired him for his many fine points of character. He leaves to mourn a sorrowing wife and one young child, besides his mother Mrs. C. H. Potvin, Halifax, one brother, Mr. J. Wilfred Kelly, Summerside, and two sisters, Mrs. Michael Mooney, Charlottetown, and Mrs. Fred Chase, St. John. If Mrs. Chase arrives from St. John tonight the funeral will be held on Thursday morning at 9 o'clock. The Guardian extends sincere sympathy to the bereaved.

::Mothers Value this Oil.—Mothers who know how suddenly croup may seize their children and how necessary prompt action is in applying relief, always keep at hand a supply of Dr. Thomas' Eclectric Oil because experience has taught them that this is an excellent preparation for the treatment of this ailment. And they are wise, for its various uses render it a valuable medicine.

Last Night's Meeting Well Attended

The meeting held last night at The Salvation Army Mid-Winter Camp was well attended, and was of an exceptionally bright and happy nature. The service opened with the singing of an old hymn. This was followed by a season of prayer, and a scripture reading by Dr. Ramsay. A period of testimony followed a great many taking the opportunity of witnessing for Jesus Lieut. Reg. Beach sang "There is pleasure in His Service", with telling effect. In rising to give the address, Dr. Ramsay spoke of his pleasure at being present and of past memories of Army associations. He gave as his text: "We have an altar". and with great clearness proceeded to show that every true Christian has an altar in his heart, upon which he continually offers the sacrifice of his life. The service closed with the singing of "Take the name of Jesus with you". The veteran soldiers of the corps are responsible for

THE MARKETS

(Special to the Guardian)

OTTAWA, Feb. 8. —(Eggs). — Markets generally are very unsettled and irregular. Ontario country shippers report some increase in production but demand is good.

TORONTO—Egg market is a little easier. Dealers paying extras 43—45, firsts 41—42, seconds 30—32, delivered. Prices to retailers extras 51—53, firsts 48, seconds 40—42.

MONTREAL— Fresh are reported firm jobbing extras 49, firsts 47.

WINNIPEG—Prices to retailers are extras 53, firsts 51, seconds 42.

SASKATOON—Market is quiet. Prices to retailers extras 49—51, firsts 47—49, seconds 45—47.

EDMONTON—Local prices to retailers are extras 35, firsts 33, seconds 31.

CALGARY— Present quotations to country shippers are extras 35, firsts 33, seconds 28.

VANCOUVER—Local prices to retailers are extras 35, firsts 32, seconds 28.

ST. JOHN.— Egg market is steady with receipts fair and local consumptive demand good. Country dealers are paying extras 46, firsts 41. Pullet extras 38.

Annual Meeting

(Continued from page 1)

the Island. Like many others they hope to come back again.

Rev. Canon Troope, Rev. H. D. Raymond, Miss Haziam, Bible Society, and Miss Trotter, Sec'y. M. R. E. C., have given helpful talks.

Each year brings its share of improvements to be made in the Home. We have been able to place hardwood floors in eight bedrooms, re-decorate one, also replenish our linen cupboard with sheets, towels, and pillow cases, new curtains for the top flat and a rug for the Drawing room. In this we have been assisted by our good friends the Trustees, who also re-built our ice house and presented us with a garden house.

GYMNASIUM

Our gymnasium carries on its work more especially in the Spring and Autumn when out of door sports are not available. The Senior and Intermediate C. G. I. Girls from Trinity Church have two well organized Basket Ball teams, and there is one group from St. James Church. The Volley Ball Team, known as "The Merry Wives", are most enthusiastic in their game, this is their third year, several of the initial members are still on the roll which shows interest in the sport. There is a club each week for juniors from eight to twelve years old. We have a good enrollment and under the direction of Miss Muriel Archibald a happy hour is spent and the Girls benefit by the exercises. Our students receive their Calisthenics in their course at Prince of Wales College.

SUMMER WORK

Each Summer brings us our share of the Tourists. This year sixty-eight enjoyed our hospitality. This part of our work gives a great deal of satisfaction, as the Travelers do enjoy their stay here. During the Teachers National Convention, our accommodation was fully taken and many had to be refused. They were more than delighted in the way they were entertained, as one remarked, "She had never been treated so royally, and when back in the West she would root for P. E. I.

ASSOCIATES

Our President Mrs. Martin has made an appeal for more Associates and I would like to voice the same. It is true there, many demands on the busy Women of our Homes, for service and money. But after all isn't it that which brings the true happiness into our lives, by forgetting self in our service to others. The Associates are the backbone of the Association, from them our Executive is picked as the different Officers retire, and if the work is to go forward we must have the Women of our City interested in it, making it known and helping us by their Prayers to carry on.

I regret that five of our Executive will retire this year, they have been on the Board during my Office here, and have always responded heartily to any request I have made. They will be missed.

In closing the year's work, I look back with the deepest gratitude to all the help and encouragement given to me by my Trustees, my Executive, and Associates. I could not go on if I did not know that I had working with me, those who are keenly interested, who have a knowledge of the problems, and a vision of what an influence the Home can be to the Community, if carried on in The Masters Name and to His Glory. In leaving the work for a short time I know you will show the same kindness and consideration to Miss Phillips, who will be in charge.

Let me live in a House by the side of the road
Where the race of men go by,
The men who are good, and the men who are bad,
As good and as bad as I,
I would not sit in the scorner's seat
Or hurl the cynic's ban
Let me live in a House by the side of the road
And be a friend to man.

I see from my House by the side of the road
By the side of the Highway of life
The men who press with the ardor of hope
The men who are faint with the strife,
Let me turn not away from their smiles, nor their tears
Both parts of an infinite plan
Let me live in a House by the side of the road
And be a friend to man.

Let me live in a House by the side of the road
It's here the race of men go by,
They are good, they are bad, they are weak, they are strong
Wise, foolish, — so am I:—
Then why should I sit in the scorners seat
Or hurl the cynic's ban
Let me live in my House by the side of the road
And be a friend to man.

(Respectively Submitted

AN EASY WAY TO LOSE FAT

The right way to lose fat is by combating the cause. By correcting a gland which largely controls nutrition. No abnormal exercise or diet is required. Simply take Marmola Prescription Tablets, four a day, until proper results are accomplished.

Marmola is the scientific method. It has been used for 19 years. The normal figures that it brings are seen in every circle now. And the use has grown, through those results, to very large proportions.

All druggists supply Marmola at $1 a box. Each box contains a pamphlet which explains the results you see and feel. Go get it now. Learn what others know about it. You will be delighted.

ACADIA 2; ABEGWEITS 2.

One of the best games of hockey this year, on the best sheet of ice.

McKenna's spectacular and scintillating work between the sticks with a stonewall defence thrown up in front of him surely saved Acadia

The above is not meant as a reflection on the hockey prowess and ability of the visitors—far be it, they played heady and slippery hockey from gong to gong.

The set-to couldn't have been cleaner had it come from the laundry. Only four penalties, and minors at that. Abbies drew two and Acadia the rest.

McKenna saw enough rubber last evening to make a "puck factory" look like an Arab on snowshoes. He handled 40 direct hits, while Diamond, in the local net, turned away 15.

Taking 14 shots at McKenna, Earle Prowse finally scored the tying tally after 54 minutes of hockey. Prowse also counted for the first on a pass from Gordon. The count came in the opening two minutes. His last goal was assisted by "Dempsey" Diamond.

The intermediates supplied excellent hockey from start to finish, and needless to say the fans enjoyed every minute.

The intermediate game tonight between Saint Dunstan's and Prince of Wales will be played first, the puck dropping at 7.15. Fans therefore are warned to get in before the rush.

The second tilt tonight between Acadia and Abegweits should be productive of great hockey. In fact a fast sheet of ice should give the customers the best game this year.

Referee Fred Moore was a busy official last night. He handled both games.

Coach Fred Kelly is to be congratulated on his splendid aggregation. The team as a whole has the ear-marks of careful attention and splendid coaching.

Mev' Diamond in the Abbies net never worked better. He never had a chance on the Acadia tallies.

R. Johnson's shifty style of play and clever stick handling made a hit with the fans.

"Dempsey" Diamond played as nice a game in the front line as he did on defence.

Gordon played a la 1924.

Eastern Guardian

..*COLD.— At Elmira, Friday night, the mercury dropped to eight below and at Big Pond, 9 below. Later at nine o'clock, Saturday morning it was one below at Harmony Jct.

..*INDOOR CIRCUS AT SOURIS — Much interest was manifested in the Indoor Circus held in St. Mary's Hall Souris on Jan. 20th. and 21st. The people of the town and country districts were in attendance and they enjoyed themselves very much, playing the popular game, Bingo. There were amusements for all. Variety and candy tables, guess cake and the fish pond for the children. The door prizes were won by Joseph Sweeney and Michael Cheverie. The sum realized both nights goes to the St. Mary's Junior League, and the officers takes this occasion to thank all, and particularly the ladies to whose untiring efforts the success of the Indoor Circus is due.

..*Mr. Jno. A. McDonald, Land Surveyor, Hermanville, who had been working for Wm. Fraser and Charles Stewart at Elmira, last week, left Monday to do some work at Roseneath, for Mr. Livingstone Rose.
