**PRINCE TAKES PART IN CATTLE ROUNDUP**

CALGARY, ALTA., Oct. 1.—Lord Renfrew took part in a real fall "roundup" on the E. P. Ranch this morning. It was in line with the usual custom of ranchers in southern Alberta who round up the young stock and calves in the fall to brand them for the winter range.

While there was only eighty head of calves to be rounded up this year, the work was exactly the same as that on the big ranches in the south country, and Lord Ren-

**MACDONALD - MACDOUGALL WEDDING**—On Sept 12 a very interesting event, took place at St. Bonaventure's Church, Aracadie when Annie Josephine MacDonal of that place was united in the holy bonds of matrimony to Francis Leonard MacDougall of Port Hill. Rev. Reginald P. MacDonal cousin of the bride with the assistance of Rev. John P. McIntyre parish priest of Tracadie performed the ceremony. The bride was charmingly attired in a navy blue tricot suit with hat to match and was attended by her sister Miss Panzie MacDonal who also wore a navy blue suit. The groom was ably supported by Mr. Rupert MacDougall of Richmond. A delicious breakfast was served by the bride's mother Mrs. Charlotte J. MacDonal, after which the bridal party motor-drove to various points of interest, and after spending a most enjoyable day returned in the evening where a wedding reception was awaiting them. Many friends and relatives were present to wish the happy young couple many years of wedded bliss, while the numerous valuable gifts presented to the bride evidenced the high esteem in which she was held by her many friends. After partaking of a sumptuous repast the rest of the evening was spent in dancing, then the guests returned to their respective homes after wishing Mr. and Mrs. MacDougall every success and happiness in their journey through life. The following day the couple motored to their future home at Port Hill, where after the usual good wishes of the groom's friends who had gathered to welcome them, they repaired to the dining room, and enjoyed the bounteous supper prepared for them.

**My Experience is that DR. CALDWELL'S LAXATIVE SYRUP PEPSIN Is just what you need**

**This Will Make Digestion Easy**

WHAT the dyspeptic needs is not such and such a medicine, but a medicine that will help his bowels to move regularly, for dyspepsia and constipation are allied. If you will take Dr. Caldwell's Laxative Syrup Pepsin systematically as the directions on the package call for you will soon digest your food properly and pass it out normally, and a heartburn, belching, dizziness, nervousness and bloating will vanish. In time you can dispense with all medicines as Laxative Syrup Pepsin will have exercised the intestinal and stomach muscles so they act for themselves. Mr. E. N. Gagni, 333 St. Patrick St., Ottawa, Ont., Mrs. Urrish Stewart of Crouseville, N. S., and hosts of others will verify this.

**World Acclaims Success**

Dr. Caldwell's Laxative Syrup Pepsin is the prescription of a well-known physician of that name who practiced successfully for 47 years. It has been on the market 30 years and is today the largest selling liquid laxative in the world. Thousands of families have found relief in their medicine chest ready when any member shows signs of dyspepsia, constipation, torpid liver, sour stomach, biliousness, coated tongue, offensive breath, headaches and such ailments that indicate deranged stomach and bowels. Many serious diseases are prevented by this timely aid.

**Formula Plainly Stated.**

Have no hesitancy giving Dr. Caldwell's Laxative Syrup Pepsin to anyone young or old. It is a mild, gentle laxative free from narcotics. It will not cramp or grip. The formula is on the package, a compound of Egyptian senna with pepsin and simple aromatics. A bottle can be had at any drug store and averages less than a cent a dose. Economical for families and fully guaranteed. You will find it a great improvement in taste and action over castor oil, or "candy cathartics" made from coal-tar that cause skin diseases, colored that powder the teeth, salts in water or loosen that concentrate the blood and dry the skin.
