ST. ANDREW'S SCHOOL CLOSING.

The semi-annual examination of St. Andrew's School took place Thursday, June 28th, and was largely attended by a number of rate payers and visitors. The pupils were examined by their teacher, Miss LEMMA Coady, and showed by their prompt and correct answers that they had received careful training.

After the examination Mr. D. F. Egan and Mr. D. J. McDonald made complimentary remarks, congratulating the teacher on the excellent work she had done during the past two years, and they greatly regretted that she could not remain for another year. The teacher then thanked the gentlemen for their complimentary remarks, and said she assured them she would always remember the kindness shown to her by the people of the district, and the pupils of St. Andrew's School, and she would always look back with pleasure on the days spent in the district.

The teacher received a number of beautiful gifts from the pupils accompanied by their good wishes. She then treated all present to home made candy, and the singing of the National Anthem brought a very successful Examination to a close.
