WEAK HEART SYSTEM WAS RUN DOWN. When the heart is healthy and performing its functions naturally, it should beat regularly seventy-two times a minute without causing its owner the slightest inconvenience or distress. When it begins to beat irregularly or intermittently, palpitate and throb skip beats, beat fast for a time, then so slow as to seem almost to stop, it causes great anxiety and alarm. The least excitement or exertion seems to affect it. Many people are kept in a state of morbid fear of death, become weak, worn and miserable, and are unable to attend to either social or business duties, through unnatural action of their heart. To all such sufferers MILBURN'S HEART AND NERVE PILLS can give prompt and permanent relief. Mrs. F. Fletcher, South St., Maria, West, Ont., says: "I have been troubled for four or five years with weakness, and run-down system. My feet were always cold and I felt almost dead. My heart was weak and I was so nervous I could hardly walk across the street. I started taking Milburn's Heart and Nerve Pills, and after using three boxes I felt much better. I continued their use until I had taken twelve boxes and I am now well." Price 50 cents per box or 3 boxes for \$1.25 at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
