—THE MORWENNA.—The agent, Mr. S. M. Hicks, of the Black Diamond Line at Summerside, was advised yesterday that the Morwenna would be due in Summerside Thursday morning, on her first trip, having left Montreal at midnight November. Owing to the short notice which the company received to call at Summerside this trip there is very little room available for outward cargo.—J.

—WEDDING BELLS.—An interesting event took place at the Clifton House, Summerside, at 12 noon yesterday when Miss Belle Miller, of Ellerslie, was united in marriage with Mr. Hugh Smith of McNeill's Mills. The ceremony was performed by the Rev. A. McKay of North Bedouque, a cousin of the bride. The bride and groom were unattended. At the conclusion of the ceremony a lunch was partaken of by the bridal party and a few friends present at the ceremony. Mr. and Mrs. Smith are two of the most popular young people of Lot 12, and will take up their future residence at McNeill's Mills.—J.

—IMPROVEMENT MEETING.—The meeting of the members of the Summerside Improvement Association, held in the Council Chamber last evening for the purpose of receiving the reports of the different committees, was well attended, and several good suggestions for the improvement of the town were embodied in the reports of some of the committees. The Improvement Committee reported that Dr. McNeill had made an offer to give three cash prizes for the best kept garden in the town. The canvassing committee's report was very favorable and it was decided to add 6 additional members to this committee in order to give the town a thorough canvass for funds to carry out the work of the Association, and it is expected that when the collectors call on the citizens they will meet with favorable results, financially, of their call.—J.

Dalton, Tignish; Pres.—Mr. Albert Schurman, Bedouque; Vice-Pres.—Dr. McLellan, Summerside; Sec.—Mr. Arthur R. Brennan, and an Executive Committee consisting of four residents each of the different parts of the county, about 20, were appointed. Those composing the Summerside Committee are Messrs. Cyrus Morris, T. B. Grady, H. T. Holman and Frank Compton. The idea of the formation of this association is not to try and secure the right to use motor vehicles on the Island, but more of an educational work in an endeavor to show the utility and advantages of motor vehicles both as regards travelling and general use around the farm and home.—J.

BRITISH WOULD CUT OLD GLORY MOVIES REVISED

NEW YORK, April 28.—A cable to The Tribune from London says: "Tired of the Stars and Stripes," are the words used in announcing a combination of manufacturers, agents and exhibitors of British moving picture films organized to try to substitute in England and the British Colonies pictures of English scenery and waterfalls for the dashing, animated, story-telling films supplied by American and continental firms. The announcement continues: "The British public is admittedly tired of American wild west scenes and peculiarly continental domestic scenes. The lack of British films is giving the inhabitants of the colonies, who have never seen England, totally erroneous impressions of the Mother Country. If they see a battleship it flies the Stars and Stripes; if they see a fire brigade at work the background is New York."

The complaint is made that the United States supplies Canada with 90 per cent. of the films exhibited in the Dominion. "Winnipeg alone, with its 200,000 inhabitants speaking twenty or thirty languages, through the picture palaces every night to see picture after picture of American scenery and waterfalls."

picture of American production. One-third of the exhibitors of the United Kingdom are joining in the agreement. At present, against one hundred manufacturers in the United States there are only about ten in England and only \$10,000,000 is invested here.

BOWELS BAD, LIVER TORPID? CASCARETS

If constipated, bilious, headachy stomach sour, take a Cascaret.

You men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have back-ache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passageway every few days with salts, cathartic Pills or castor oil? This is important.

Cascarets work while you sleep; cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular and head clear for months. Don't forget the children. They love Cascarets because they taste good—do good—never gripe or sicken.

POLICEWOMAN ARRESTS NINE.

PHILADELPHIA, Pa., April 28.—Policewoman Mary Diehl, one of the two women recently added to the department, made her first arrest when she marched two men and seven women to the City Hall. She believed the men were engaged in white slave traffic.

Policewoman Diehl's suspicions were aroused by the manner in which the men, who are foreigners, acted in the Reading terminal, and because they could not speak or understand English the case was further complicated. In Police Court interpreters brought out the fact that the men with their respective wives and sisters were on their way to the suburbs to gather dandelions.

LIVE BOY IN COFFIN GRANDMOTHER DIES.

BUTTE, Cal., April 28.—While members of the family and relatives were grouped about the open coffin of Mrs. J. R. Burney's three-year-old son listening to the funeral service, the body moved and presently the child sat up and gazed about the room. His eyes caught those of his grandmother, Mrs. L. P. Smith, eighty-one years old. The aged woman stared at the child as if hypnotized. Then she sank into a chair, dead.

As she fell the child dropped back into its coffin, from which it was quickly taken by the mother. A physician said there was no hope for the boy, and death came a few hours later.
