Royalist Hopes Shattered

BERLIN, Feb. 9.—The German verdict on former Kaiser Wilhelm's grandiose celebration of the seventieth anniversary of his birth last Sunday at Doorn is that he then sounded the death knell of whatever hopes the royalists may have, at least for many years to come.

THE WORLD'S GREATEST MONUMENT

It is indeed a soulless people who evince no desire to perpetuate by some means the memory of those who have performed signal service to their race. It is a duty which the living owe, not only to the memory of honored men and women, but as an example to the generations of the present and the future.

morning walked to her place of execution, a martyr to unswerving loyalty to her native land and devotion to her calling. On the side of Mount Edith Cavell rests a glacier. At Jasper Park Lodge it is morriored in the opalescent waters of Lac Beauvert, like a great angel with outspread wings hovering in benediction over the magnificent monument to a woman whose heroism will always be a golden page in the history of a nation of many valorous deeds.

Jasper National Park is situated on the Canadian National Railways between Edmonton and Vancouver, and there is accommodation at the Lodge for 350 guests; horseback riding, motoring, swimming, and golf are the popular diversions. Many travellers to the Pacific Coast find this a delightful break in their journey.

Low tourist fares are put into effect each year on May 15th by the Canadian National Railways, which provide for stop-overs at Jasper and other points. Illustrated literature and information as to fares, etc., can be obtained from the General Passenger Department of the Canadian National Railways at Moncton, N. B.
