Rice, 1327 Guerrero street, San Francisco, has returned from a two months' vacation, after visiting friends and relations in Boston, Mass., and Prince Edward Island. From Boston, Miss Rice, accompanied by her cousin, Nina Manning, A. Campbell, and C. V. McCormick, motored to the island, where all our natives visited friends at Sturgeon and New Zealand. Miss Rice enjoyed her trip immensely. Her last visit to the island was seven years ago, when she was accompanied by her mother and Mrs. Monaghan. Kelly's Cross, the bride who was very becomingly attired in a handsome blue coat with hat to match, was attended by her sister, Rose McCormick, who wore a blue coat also. The groom was ably supported by his cousin, Arthur McQuaid. After the ceremony, which was performed by the Reverend Father Herrell, the happy couple motored to the home of the bride, where a very dainty breakfast was served, after which they motored to Charlottetown for dinner, and returned in the evening to the home of the bride, where a sumptuous supper was served to their many friends and relatives. The evening was pleasantly spent in dancing and singing, and the charivariers putting in their appearance added much to the merriment of the evening. The numerous and valuable presents received are evidence to the popularity of the bride and groom. Their many friends join in wishing them a happy wedded life, and heaps of success in British Columbia, where they intend to reside. (Patriot please copy.)

We congratulate Miss Judson on having successfully passed her exams and wish her every success in this her noble calling. We are glad to learn that Raymond, little son of Mr. and Mrs. Frank Burhoe, of Alexandria, is gradually recovering after an operation for appendicitis in the Island Hospital. "Whatsoever a man soweth shall he also reap." This was the text chosen by the Rev. Mr. Littlejohns on Sunday last from which he preached a very effective sermon that the youngest one present could not fail to understand. Let us strive to sow seeds of Love, kindness, niceness, friendship and many other good seeds which will reap us a beautiful harvest. Miss Hanna Carver, Hazelbrook's, spent Sunday in Pownal. Mrs. Heber Gordon left Friday for her home in Waltham, Mass.
