\$600.00 Profit Besides Carrying the Risk

W. K. Rogers, Esq., Canadian Life Assurance Co., Charlottetown, P. E. Island.

DEAR SIR:—In August 1871 I took out a long term endowment policy for \$1500 in the Canada Life, and annual premium being \$26.30. Every year since then without a single exception the Company has advised me of an increased amount of insurance added to my policy and to-day you hand me in the Company's check for \$1,516.33 which is for \$600 more than the amount I have paid in premiums. When I consider that I have insured all this time for an average amount of about \$1200.00 and that I now receive such excellent cash returns, I feel that I have been most liberally dealt with and wish the Company the success it so well merits.

Yours Truly,
P. BLAKE
