James J. Jeffries, sparring partner for James Corbett in 1897, retained the world's heavyweight boxing title at New York 38 years ago tomorrow with a 10-round decision over Corbett. He lost the title to Johnson, first negro titleholder, in 1910 after nearly five years' idleness.

Maritime Bred 3-year-old Record Is Broken

Raymond Budlong Goes In 2:14 1-4 As Opening Day's Racing Proves Sensational

Aaron L., Little Fox and Kelly's Nightmare are other winners as big meet opens with four classes raced.

With Raymond Budlong breaking the Maritime bred record for three-year-old pacers, with three horses taking new records and with two upsets featuring the four class card the opening day's races of the Old Home Week racing card got off to a sensational start yesterday as a large opening day crowd stayed through a driving rain in the latter stages to see the completion of the sensational racing.

Yesterday's card proved even more sensational than was the case a year ago. Raymond Budlong and Little Fox were the only favorites to come through as Aaron L., an old favorite, ridden sensationally by Joe O'Brien, who drove him to many victories last year, taking his first win of the season in the feature race of the day, the 2:12 Trot & Pace, winning the first and third heats, and Willard Kelly providing a stunning upset as he came through with Kelly's Nightmare in the Three Year Old Futurity Trot to win the second and third heats after finishing third in the opening mile.

Blanket Finishes

Thrilling stretch drives, blanket finishes and very fast times, the latter despite a wet track in the last half of the meet provided the large, colorful crowd with thrills at a dime a dozen. Seldom if ever have fields torn down the home stretch in such sensational finishes and as the meet swings into its second day this afternoon an even more sensational day's racing can be expected. So fast were the times, particularly in the 2:12 Trot & Pace that the track pacing record took a close call as All Grattan was forced to pace the second mile of the class in 2:06 1-4 as Aaron L. pushed him to the limit. Then Raymond Budlong, Wellington McNeill's three-year-old pacing machine, proved that he is one of the best ever developed here as he won the three-year-old pace in straight heats ringing up miles of 2:16 1-4, 2:14 1-4, the new Maritime record and 2:16. The Budlong colt was the only straight heat winner of the day the three other winners managing to head their fields in two out of the three heats.

And despite unfavorable conditions the capable list of officials deserve loads and loads of credit for their work. There wasn't a moment's delay all day with the result that the lengthy program was completed shortly after five o'clock and starter Otto Irvine is deserving of a special bouquet for his work yesterday getting his fields away with a minimum of scoring that made a big hit with the crowd.

The meet continues this afternoon with a crowd expected that will tax the capacity of the plant to the limit. Three classes are on the card for today, the 2:22 pace with seven starters, the 2:18 trot with six starters and the 2:16 trot and pace with six starters.

Results of yesterday's races saw Prince Edward Island horses and Nova Scotia horses share top honors, with two victories apiece and inter-province competition promises to be even stronger as the meet goes along.

Although the vaudeville program was curtailed somewhat yesterday afternoon, due to the rain nevertheless, those present saw enough to warrant it to be the best to come to the province and with the weather for this afternoon's card a full program of vaudeville will be staged.

Three-year-old Futurity Pace

1st Heat: They got away on the first score with Hilda Budlong at the rail but Bonnie Budlong snapped the rail at the first turn to take the lead. Raymond Budlong moved up to second place on the

outside going up the back stretch followed by Walt N'See, Jack Clyde and Hilda Budlong. Trying to take the lead Raymond Budlong tucked in at the upper turn and as they came by the half Bonnie was still in front, Raymond second, Jack Clyde had moved up to third, Hilda was fourth with Walt N'See dropping back to fifth. They held their positions to the back stretch and again Raymond Budlong went to a drive but again was forced to take back falling to head Bonnie. As they turned into the stretch it was strictly a two-horse race; three-quarters of the way down Bonnie Budlong was still in front as the stands sensing an upset came to their feet but Raymond Budlong's final burst of speed took him under the wire half a length to the good over Bonnie. Jack Clyde was third, Hilda Budlong, fourth, and Walt N'See fifth. The mile was in 2:16 1-4, very fast considering the heavy wind blowing up the track.

2nd Heat: Away on the first score Hilda Budlong, pacing away from the wire very fast snapped the rail from Raymond Budlong who was followed by Bonnie Budlong, Jack Clyde and Walt N'See. Up the back stretch the first time round the field all tucked in and positions were unchanged as they finished the half. Hitting into the backside Raymond Budlong made his bid. All the way round to the top of the stretch Hilda Budlong fought off the Raymond Budlong colt but Raymond had too much speed showing a length to the good in 2:14 1-4, a new Maritime record for a Maritime bred pacer 3-year-old. Hilda Budlong had half a length to the good over Bonnie Budlong, with Jack Clyde fourth and Walt N'See fifth.

3rd Heat: Away on the third score Raymond Budlong was in front followed by Hilda, Bonnie and Jack Clyde, Walt N'See being drawn up the backstretch following the lead. Raymond had a two length lead which he retained to the wire. Hilda Budlong and Bonnie Budlong had a battle all their own for second place with Hilda Budlong winning the spot by half a length over Bonnie. Jack Clyde was fourth another length back.

Three-year-old Futurity Trot

1st Heat: The big crowd got their first thrill in the very first heat as Dorothy Abelle and Lusty's First staged a thrilling stretch drive with Abelle winning by a head. A way on the third score Dorothy Abelle was at the rail and as the horses hit into the first turn all five went to breaks. Dorothy Abelle was the first to catch her stride and as the field came into the upper turn had opened up a five length lead. Coming by the half Lusty's First had crept up to within two lengths followed by Kelly's Nightmare, Abbe Jackson and Miss Brewer. As they hit into the back stretch Lusty's First and Kelly's Nightmare went to drives. Around the last turn and into the stretch Lusty's First and Dorothy Abelle were racing like a team; ten yards from the wire it was anybody's race but as they flashed under the wire Aaron L. was a head to the good. The mile was in 2:08 very fast for the track that had been made heavy by the driving rain. Duddy Patch finished very fast to catch third place with Joe Direct fourth, and Signal Senator who had gone a real good race finishing fifth after beating 3-4 the previous heats.

2nd Heat: It was another upset as Kelly's Nightmare came through with a great stretch drive to nip Lusty's First at the wire with a surprising burst of speed. Getting away on the first score, Dorothy

Abelle was at the rail followed by Lusty's First, Kelly's Nightmare, Abbe Jackson and Miss Brewer, the latter two going to breaks. Positions were unchanged all the way up the backstretch and into the homestretch. Here Lusty's First and Kelly's Nightmare went to drives. Lusty's First showed in front 15 yards from the wire and appeared to have the heat won but Kelly's Nightmare, trotting very fast pulled a startling upset as he flashed under the wire winner by a head. Lusty's First, Dorothy Abelle was third, Abbe Jackson again fourth, and Miss Brewer, fifth.

3rd Heat: It was raining very hard as the "juveniles" came out for the third heat, with Dorothy Abelle and Kelly's Nightmare each having a heat won. They got away on the second score with Kelly's Nightmare leading, followed by Dorothy Abelle, Lusty's First, Abbe Jackson and Miss Brewer, the latter which they held at the half. Right to the three-quarters it remained unchanged when Lusty's First moved up to second place. In the stretch drive, Kelly's Nightmare had too much speed for the Lusty's First colt winning by two lengths in 2:12 1-4. Abbe Jackson was third, Dorothy Abelle dropped to fourth with Miss Brewer again fifth.

2:12 Trot & Pace

1st Heat: For the second time the crowd were brought to their feet as Aaron L., piloted by Joe O'Brien came from fourth position in the stretch to win the heat from Joe Direct in the most sensational heat witnessed here in a good many years. Six fast pacers all bunched hit the top of the stretch with the old favorite, Aaron L. coming under the wire first. They got away on the third score with Signal Senator in front followed by Duddy Patch, Joe Direct, Aaron L., All Grattan and Sully. Hitting into the second turn Duddy Patch took the rail; All Grattan made a bid for the pole but went to a break, dropping back to fifth. Pounding up the back stretch, All Grattan, the favorite, made another jump and as the horses came by the stands Duddy Patch was still in front followed by Signal Senator, Joe Direct, Aaron L., All Grattan and Sully. They kept their positions right to the 3-4 pole but from here on things began to happen. Joe Direct, Aaron L. and Grattan went to drives simultaneously and as they hit into the stretch all had a chance, 10 yards from the wire Joe Direct was in front but at the wire Aaron L. was to the front. Joe Direct was second a head back, Signal Senator was third, Sully moved up from sixth to fourth place. All Grattan was fifth, with Duddy Patch dropping back to sixth place, after leading most of the mile.

2nd Heat: All Grattan took a new mark of 2:06 1-4 as he won the second heat of the class from Aaron L. by half a length in a thrilling stretch drive. Going away on the fourth score All Grattan who got away to a flying start snapped the rail at the first turn from Aaron L. to open up a two length lead going up the back stretch. The field was content to tuck in and as they came by the stands it was a matter of inches in the lead, followed by Aaron L., Signal Senator, Joe Direct, Sully and Duddy Patch. Around the turns and up the back side the drivers held tight right to the last eighth. Here Aaron L. pulled out and came very fast through the stretch to finish at All Grattan's pad. The last quarter of the mile was paced in 31 1-4 seconds. The remainder of the field were closely bunched for the remaining four positions.

3rd Heat: Sully was drawn for the third heat, cutting the field down to five starters. All Grattan went away on the rail followed by Aaron L., Joe Direct, Signal Senator and Duddy Patch. As they hit up the back side the first time around the field tucked in waiting for the stretch drive and they came by the stands the first time in that order. Moving past the three-quarter pole Aaron L. and All Grattan had opened up a two length lead on the remainder of the field and as they hit into the home stretch Driver O'Brien called on Aaron L. the big pacer responded nobly. Half way down he was neck and neck with the Grattan horse and as they flashed under the wire Aaron L. was a head to the good. The mile was in 2:08 very fast for the track that had been made heavy by the driving rain. Duddy Patch finished very fast to catch third place with Joe Direct fourth, and Signal Senator who had gone a real good race finishing fifth after beating 3-4 the previous heats.

Hockey player Dies of injuries

OTTAWA, Aug. 12—(CP)—Jules Choletie, 28-year-old star wingman with Hull Volants of the Ottawa Senior Hockey League and member in 1936-37 of the world champion Sudbury Flood Miners, died in hospital here tonight from injuries suffered in an auto accident last Saturday.

He was to have been married today to Leontine Bouvier of Georgetown, Ont., and it was while returning from her home to Hull and a reception planned in his honor by Volant teammates that his car was out of control when he misjudged a curve.

1st Heat: Ethel Bellini went away on the pole on the second score but just after the word went to a break to let Ruby Volo take the lead followed by Little Fox, Ethel Bellini, Kamuk, Scotty Watson and Hal Boojum. As they hit the upper turn Little Fox, trotting very fast took over the rail with the remainder of the positions unchanged as they came by the stand. Up the back stretch the second trip around the fights for position began. At the last eighth pole Little Fox had a two length lead which he held to the wire. But fights for the other positions were very keen. Hitting the top of the stretch Darkey Kalmuck was in fourth place but finished very fast to cop second; Ethel Bellini was third, Ruby Volo was fourth a neck behind Ethel, Scotty Watson was fifth with Hal Boojum in sixth position.

2nd Heat: Away on the fourth score Little Fox made every post a winning one as he took the heat and race from Darkey Kalmuck by a length and a half with the mile in 2:14 1-4. Going up the backstretch the first time round the field all tucked in and as they finished the first half it was Little Fox, Ethel Bellini, Scotty Watson, Darkey Kalmuck, Ruby Volo and Hal Boojum. There was no jockeying for positions until they hit the last eighth and there the entire field stepped up the pace. Ethel Bellini was coming very fast in the stretch until going to a break that dropped her back to sixth. Darkey Kalmuck took over contending horse position and finished a length and a half back. Scotty Watson, third, Hal Boojum, fourth, Ruby Volo, fifth, Ethel Bellini, sixth. The mile was in 2:14 1-4.

3rd Heat: Little Fox went away on the rail on the third score in the final heat of the class. Up the backstretch and down past the stands the Little Fox still showed to the front followed by Hal Boojum, Scotty Watson, Ethel Bellini, Darkey Kalmuck and Ruby Volo. They were unchanged at the half but as they hit the last eighth of the mile Hal Boojum, Ethel Bellini and Darkey Kalmuck all made their bids together. Ethel Bellini trotting very fast jumped it off to fall far behind. Hal Boojum started to tuck back as they hit into the stretch but Darkey Kalmuck trotting very fast was neck and neck with Little Fox twenty five yards from the wire; 10 yards in front she showed slightly but very slightly in front and as they went under the wire it was only inches that separated them with the Kalmuck horse winning the heat in 2:14 1-4.

Finishes Great Racing Card Scheduled For Today With Three Classes Taking Place

Racing fans saw a sensational day's racing yesterday but an even more sensational one is promised for this afternoon when 20 horses, all given a chance of being returned the winners come to the wire for the 2:22 pace, 2:18 trot and 2:16 trot and pace as the second day of the meet swings into action.

Fans who saw yesterday's card will not soon forget the stirring, driving finishes that took place on the 2:18 trot and 2:16 trot and pace. Today's should be even better. Given fine weather the track should be even better than was the case yesterday and if such turns out to be the case tomorrow night several new horses should be sporting new marks.

The 2:22 pace will be the first race called this afternoon with seven starters and just try and pick a winner in this one. There is Grattan Queen, just recently a workout mile in time that greatly surprised lots of the fans. Skippydale a fast pacer that has been miles in fast company. Miss Victoria, a little lady that can really pace if acting right. Dinah G., a Grace Bay mare who has been a steady performer. Peter Reamore, Joe O'Brien's fast improving horse. Silent Mac another horse who has shown his best form in recent workouts and who was recently clocked a mile in 2:12, over three seconds better than his record and Pat Worthy a horse who the railbirds say can really turn it on.

It is hard to pick a much better card of racing than the one outlined above and with the same officials in charge the big crowd that will be present can expect another thrilling day's sport, that only the "Sport of Kings" can furnish. In addition to the horse racing the big vaudeville program will be given in its entirety and this alone is well worth the price of admission. Make it a goal to attend today and enjoy a real day's outing.

Giants whip Dodgers twice; Cards on top

ST. LOUIS, Aug. 12—(AP)—St. Louis Cardinals bumped off Chicago Cubs 8-7 today in a see-saw battle and took over first place in the National League from Brooklyn which lost two to the Giants. The winning runs came in the eighth inning on Frank Crespi's fourth hit of the game which sent Martin Marston and Walker Cooper home.

In the first half of that inning the Cubs pulled ahead on pinch hitter Bob Scheffing's single scoring Clyde McCullough and Babe Dahlgren. Chicago outbit the Cards 16-15 but Johnny Mize got in the long-out blow hit-11th homer in the third which accounted for three runs.

At Brooklyn, the unsuspecting Dodgers were knocked reeling out of the lead as their cross-town rivals, New York Giants, swept a thrilling doubleheader 8-5 and 2-0 before 39,145 fans.

The crowd exceeded by approximately 5,000 the seating capacity of Ebbets Field and overflowed to every possible vantage point in the park, blocking aislesways, clinging from steel girders and sitting on the roof. The gates were opened at 11 a.m. to admit many hundreds of fans who had collected early. One man fell off a 20-foot wall in the outfield.

This big turnout and the Dodgers themselves had confidently expected Brooklyn to bag its ninth straight victory over the Giants. Instead a couple of old codgers named Mel Ott and Carl Hubbert combined to win the first game and Cliff Melton, another Giant veteran, pitched three-hit ball for the second game shutout.

At Boston, Tommy Livingstone's 13th-inning double with Merrill May on base gave Philadelphia Phillies a 2-1 triumph and a sweep of their five-game league series with Boston Braves.

Consistent Jim Tobin, who went the route for the Braves, held the Phils at bay, except for a somewhat tame fourth-inning rally, until the unlucky 13th, which May opened with a single. Bog Bragen sacrificed him along and then Livingstone, who had relieved Ben Warren behind the plate in the 11th, doubled to send May home with what proved to be the winning marker.

Yankees clip Red Sox 4-0

NEW YORK, Aug. 12—(AP)—New York Yankees set off a four-run cannon crack under a beautiful pitching duel between Chandler and Dick Newstone in the eighth inning today and beat Boston Red Sox 4-0.

Chandler, 32-year-old righthander and Frank Fylak, brown coat on the side, won his seventh consecutive Hambletonian when he won the \$2,210 Illinois Review Futurity for three-year-old trotters at the state fairgrounds today.

It was Chandler's fifth victory against four defeats. At Chicago, the White Sox beat the Red Sox to six hits and the only one that was for an end, but it was a double hit by Finney in the second inning that reached third with two out and another single in the seventh to help him to third again with two out but these pious gestures were only threats by Boston through the game.

At Detroit, a six-game losing streak of Cleveland Indians ended to an end, but it was Al Milnar, Rapid Robert Feller, who turned the trick. Milnar turned back Detroit to a gain bill, scattering five hits, Al Feller, still seeking victory No. 1, and his teammates were whitewashed by big Al Benton, just up the relief ranks in the opener, 2-0.

Cards start 19-day road Trip today

ST. LOUIS, Aug. 12—(AP)—The scrapping St. Louis Cardinals pulled out on an important 19-day road trip tonight with their fingers crossed but determined to win the National League pennant if they have to finish the race in a wheel chair.

They may need it if they fail to shake off the injury jinx. Accidents have been so numerous this year Branch Rickey is reported considering adding an ambulance as part of the standard equipment. It has been injury after injury all season, culminating Sunday in the mishap to Enos Slaughter, right fielder and one of the most dependable hitters on the team. He probably will be out the rest of the season with a broken shoulder.

Coming at a time when the Cardinals need every ounce of power to beat off the Dodgers—or even hold their own—the blow was disheartening. Slaughter has played in every inning so far this year and was batting .311. Every member of the club, from Manager, Billy Southworth down to the janitor, has played in every inning so far this year and was batting .311.

Grain
WINNIPEG, Aug. 12—(CP)—Pit-trading was dull on Winnipeg grain exchange today, with only a few minor trades, scanty offerings and a general lack of interest among buyers reported. Quotations closed 1-4-7-8 cents higher, with October at 75 1-4, December 76 1-8 and May futures 81 cents a bushel.

In the cash wheat market general interest settled in northern grades, with shippers and mills making fairly good purchases of No. 1, while smaller amounts of Nos. 2 and 4 were taken. Buenos Aires prices were unchanged.
