PRETTY ENGLISH COSTUMES.

Among the new English costumes described lately is a particular delightful one carried out in a soft shade of mushroom grey cashmere suiting, trimmed with aluminum braid and fancy blue silk which blends with it most harmoniously making an effective finish in the form of suits and collar. The braid is disposed in a novel pattern on the coat, which is one of the new loose full-skirted models, confined at the waist by a belt. One of the very full new short skirts is shown in this costume, which is admirably cut and altogether smart and graceful.

Among many other models may be mentioned a very smart navy serge, in which the skirt was pleated at the side, and made with a bow at the back, and the coat had a full basque and a band, and was pleated at the back and cut away in the military style in front. The collar and little motifs on the front of the coat were in fancy colored silk, and a smart note was added in the shape of large navy bone buttons.

### CLEAN ALL FUR.

It is a great mistake to put furs away for the summer without thoroughly cleaning them. If you do not send them to the furrier to be cleaned and stored, try the following method: Beat the fur gently with a switch until free from dust, then lay on a table with the fur side up and rub hot bron through the fur. Use plenty of bran and rub vigorously. After this place the fur upon one or two feather pillows or cushions—covered with a cloth—with all the bran is out, and beat well until all the fur is down, and the fur will hang the fur where the air can blow through, before sealing up in paper.

A frequent mistake is that of bundling up furs tightly in the effort to make them tight. I recommend the furs but put them in boxes, and then paste your paper over these.

## Mrs. H. VON RODEN of LYNDON, KY.

Recommends Lydia E. Pinkham's Vegetable Compound for Backache, Nervousness, Headaches.

Lyndon, Ky.—"I have been taking Lydia E. Pinkham's Vegetable Compound for headaches, neuralgia pains, backache, nervousness and a general run down condition of the system, and am entirely relieved of these troubles. I recommend your remedies to my friends and give you permission to publish what I write."

—Mrs. H. VON RODEN, Lyndon, Ky.

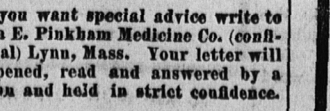

When a woman like Mrs. Von Roden is generous enough to write such a letter as the above for publication, she should at least be given credit for a sincere desire to help other suffering women, for we assure you there is no other reason why she should court such publicity.

### Canadian Woman's Experience:

Pinkham's Vegetable Compound. I am now well and strong and can do my own house work. I do not take medicine of any kind. It was Lydia E. Pinkham's Vegetable Compound that restored me to health."

Mrs. ROBERT FAIRBAIN, 72 Parent Avenue, Windsor, Ontario.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

## MUCH ADLER-KA USED IN CHARLOTTETOWN

It is reported by E. A. Foster druggist that much Adler-ka is sold in Charlottetown. People have found out that ONE SPOONFUL of this simple buckhorn bark and glycerine mixture relieves almost ANY CASE of constipation, sour or gassy stomach. It is so powerful that it is used occasionally in appendicitis. ONE MINUTE after you take it the gasses rumble and pass out. It is perfectly safe to use and cannot gripe.

## "LAUGH AND THE WORLD LAUGHS WITH YOU"

Laughter in plenty was the feature at the mid-week programme presented at the Prince Edward in a three-reel comedy being the headliner. It takes a good comedian to keep an audience in good humour for forty-five minutes, but by Billie Ritchie not only does this but his funny antics brought roars of laughter from the audience through out the entire three reels, ably assisted by pretty Gertrude Selby and his director Pathe Lehrman.

Three other pictures of exceptional merit were included in the bill. "The Hermit of Lonely Gulch" featuring the popular favourite Francis X. Bushman and Beverly Bayne, while the story is light and is carried along in an excellent manner by those two screen favourites, Maurice Costello and Mary Charleson, favourite Vitagraph stars, appeared to good advantage in a clever detective story entitled "The Woman in Black." Another pleasing story was "The Richest Girl in the World," a splendid love drama. The whole programme was one to lighten and refresh the mind these dark days of stress and strife. It would be well for all to take advantage of the last opportunity to-day to see "Billie Ritchie" and forget all your troubles.

There were the greatest crowds for weeks at the theatre last night, the house being packed both upstairs and down. The vocal selection by Mr Edwards was well received and loudly applauded.

### NEARLY 143 MILES AN HOUR.

The highest speed ever traveled by a man on the face of the earth—nearly 143 miles an hour—was recently made by a racing automobile on the great expanse of level salt deposits Utah. The automobile run was

To-day, to-morrow and every day.  
Good for Bread, good for Pastry—good for you.

# PURITY FLOUR

More Bread and Better Bread

made by Teddy Tetzlaff, on August 12 last, and the best time for one mile was 25.2 seconds, which is equal to 142.85 miles an hour, a trifle better than the best preceding record, which was made on the beach at Daytona, Fla., in April, 1911. This is the highest speed ever traveled by a man on the face of the earth. The best speed ever made by a vehicle running on rails was that recorded in the Berlin-Zossen tests of electric cars, in 1903, when a rate of 130.5 miles an hour was made on Oct. 27. The crystallized salt in this Utah bed makes a hard and absolute level surface, and it is said that in the hottest weather it does not heat the tires of automobiles. The salt-beds are 65 miles long and 8 miles wide. The estimated depth, in the middle, is 12 feet to 15 feet.

## A \$4 Flag and Outfit Free

### THE UNION JACK

It's only a small piece of bunting. It's only an old colored rag— Yet thousands have died for its honor. And shed their best blood for the flag.

It is charged with the cross of St. Andrew. Which, of old, Scotland's heroes has led; It carries the cross of St. Patrick, For which Ireland's bravest have bled.

Joined with these, on our old English ensign, Is St. George's red cross on white field, Round which, from King Richard to Wolsey, Britons conquer or die, but ne'er yield!

It flutters in triumph o'er ocean, O'er CANADA, the Indies, Hong Kong, And Britons, wherever that flag's floating, Claim the rights which to Britons belong.

Yes, it's only a small piece of bunting, It's only an old colored rag— But Freedom has made it majestic, And Time has ennobled the flag.
