# High Class Millinery

As usual with us in the Fall season the space taken up by the immense stock of furs, mantles, ladies' suits, and mens' ready made clothing, stocked on the second floor, precludes the possibility of a formal millinery opening, but nevertheless all are welcome to come at their leisure and view the very latest and best ideas from the world of fashion.  
 Our head milliner MISS CASSIE REID who has lately arrived spent several weeks in copying from the most approved Paris and New York models, and has ready a showing of superb styles, which can not fail to meet with the approval of all lovers of artistic work.  
 All are cordially invited, and orders will be attended to in a prompt and efficient manner.  
 Our showing of high class furs also demands more than passing notice, and visitors to the Exhibition should not fail to call, admire, and, if agreeable, purchase.  
 We would also call attention to the very desirable range of Ladies' tailored suits at moderate prices. These come in black, navy, myrtle, brown, etc., and are proving extremely popular.  
 Visitors from the country as well as from abroad are invited to make this store their headquarters during Exhibition.
