

# WONDERS OF THE HUMAN BODY

## Why Many People Never Need a Doctor.

You have a natural laxative in your body. Why, then, should you use a false purgative to move the bowels? Bile is nature's laxative. It is bile—and bile alone—which moves the bowels as they should be moved. The liver is the store-house for the bile. The liver pours forth the bile into the bowels, which stimulates them to move, and thus causes the waste matter to pass from the body.

Constipation is a disease, OF the bowels, but CAUSED by the liver. When the bowels do not move regularly and naturally, it is because the liver is not giving up enough bile. And the only possible way to cure Constipation, is to cure the liver.

Calomel, cascara, salts, senna, common pills and sweet lozengers and all the other purgatives do not act on the liver at all. They merely irritate and inflame the bowels.

"Fruit-a-tives" cure Constipation because they act on the liver. The fruit principles stimulate the liver to secrete and give up enough bile to move the bowels, while the tonics and antiseptics tone up and invigorate the muscles.

"Fruit-a-tives" are the only medicine ever discovered that will cure Constipation, Flatulency and all other troubles due to a Torpid or Disordered Liver. 50c a box, 6 for \$2.50, or trial box, 25c. At dealers or from Fruit-a-tives Limited, Ottawa.
