A well known citizen informs The  
Guardian that he has just received  
from Rev. J. T. Robertson, Mission-  
ary at Lahore, India a letter con-  
taining the good news that since the  
new year began 600 natives have been  
baptised while three times as many  
more are under instruction.

Advertisers are again reminded  
that their "business locals" as well  
as their "changes" must be received  
at this office not later than one o'-  
clock sharp of each week day, ex-  
clusive of statutory holidays, to in-  
sure insertion in next issue. All re-

fere with the setting in type of the

The performance at Wonderland  
last night was of such a character  
that it kept interested and amused  
all the evening the large number of  
people who attended. In all its de-  
tails the program showed that the  
Wonderland management knows how  
to get together an entertainment to  
please. Their success in the past  
but an added evidence that the pub-  
lic is sure of satisfaction at this  
house. The moving pictures were of  
a most entertaining kind and the  
music was all.

A letter of condolence, addressed  
to bro. Malcolm and Alexander Gil-  
lis Head of Montague, contained in  
part the following: "On behalf of  
Lion, L. O. L. No. 1049; Uigg, we  
beg to tender to you and your  
family our sincere sympathy in this  
your hour of bereavement. Whereas,  
It has pleased Almighty God in His  
infinite wisdom and mercy to call  
unto Himself the soul of your de-  
parted wife and mother—And being  
conscious of the fact that words of  
ours cannot heal the wounds caused  
by this sad visitation of Providence,  
signed in behalf of Lion Lodge,  
Angus A. McLeod, M. H. Campbell,  
M. E. McDonald.

St. Vincent de Paul Sewing circle  
held their closing meeting Thursday,  
after a very successful year. The  
president, Mrs. John Byrne presided.  
The Treasurer, Rev. Dr. McLellan,  
gave the annual statement which  
was as follows:—  
By Balance from last year \$39.58  
Members fees ..... 23.00  
Proceeds of skate ..... 75.00  
Donation from K. of C. .... 50.00

To amt. paid for boots ..... \$187.58  
Sewing machine ..... 42.37  
To amt. paid for goods etc. 105.17  
Balance on hand ..... 15.04

At the close of the meeting the treas-  
urer, Rev. Dr. McLellan spoke in  
eulogistic terms of the good work  
performed by this society and ex-  
horted the members to continue in  
the good work so well begun. The  
Secretary's report was as follows:  
"The above mentioned society held  
their opening meeting on Nov. 21st  
with their spiritual director, Rev.  
Dr. McLellan in the chair. There was  
a large number of ladies present,  
thus showing the interest taken in  
our society by its members. Much  
regret was expressed at the unavoid-  
able separation from the society of  
the Rev. Dr. Morrison whose labors  
elsewhere under it impossible for  
him to continue as spiritual director,  
and treasurer. The Society feels it-  
self deeply indebted to Dr. Morrison  
for the interest he has always taken  
and the tender care with which he  
has watched over it during his  
pastorate in Charlottetown." The  
first item of business was the elec-  
tion of officers, and on balloting the  
President of last year Mrs. John  
Byrne was re-elected with Mrs.  
Charles Lyons Vice-President and the  
underigned secretary. A standing  
committee of the president, vice-pres-  
ident and secretary was appointed  
to purchase the goods necessary for  
the working of the society. The sum  
of one dollar was donated by each  
of the members present making a  
total of \$23 which was added to the  
funds of the society. Owing to the  
press of work during the present ses-  
sion the Ladies found it impossible  
to do, with the one sewing-machine and  
another was accordingly purchased.  
Acknowledgement was made to the  
management of the Arena Rink for  
so kindly giving the society a benefit  
night at which the sum of \$75 was  
realized. Also gratefully acknowl-  
edged, a donation of fifty dollars made  
to the society by the Knights of  
Columbus through their Grand  
Knight. These two donations assist-  
ed us very much in carrying on the  
good work of the society. The at-  
tendance was higher than previous  
years there being an average at-  
tendance of fifteen.
