Maritime Electric Company, Limited
Charlottetown, P. E. I.

1,000 to Build Better Service

To Our 3,500 Customers:

Electric service means a supply of current sufficient for all your needs whether these needs occur at 3 o'clock in the afternoon or 3 o'clock in the morning; it also means that this service must be constantly improved, and extended to persons who have not had it previously.

This means that we are always spending money to keep our entire system in excellent working order and to extend service to new customers. Expenses for new construction and improvements since 1926 have been as follows:

1926\$110,184	1930\$113,260
192749,826	1931282,739
192826,941	193240,965
192920,644	193342,124

These expenses included huge turbines for generating electricity, boilers, poles and lines, customers' meters, transformers, new buildings. The fact that residential customers have tripled their average use during these years is evidence of their satisfaction with their service. During these years electric service was extended to 806 customers who did not have it before. The total capital invested in the Prince Edward Island Division of the Maritime Electric Company is now about \$900,000.

As the Island continues to develop and greater demand is made for electric service, our customers can be sure that our facilities for such service will keep pace with their demands.

Dramatic Club

Expresses Thanks To Mrs. A. Henry

On Monday July 9th, the Mt. Herbert Dramatic Club gathered together at the Protestant Orphanage to wait upon their coach Mrs. Arthur Henry.

The meeting was called to order by Mr. Hollis Jenkins, who in a few appropriate words, expressed his appreciation to all who had aided in the construction of the rink. He made special mention of the four executives which were largely responsible for the success of the undertaking, i. e., The trustees and matron of the P. E. I. Protestant Orphanage, the rink management, the cast of the Mt. Herbert Dramatic Club of 1933-34. He then called upon Mr. Russell Driscoll who as manager of the play "Climbing Roses" extended his thanks to Miss Beer, matron of the orphanage, for the use of the Assembly Hall at practice, to Mrs. Henry who so capably coached the play, and to the cast who gave whole-heartedly their good will and co-operation from beginning to end. He also read a letter received from Sr. Mary Faustina, Superior of St. Vincent's Orphanage, Charlottetown, who thanked the club for a donation they had made.

Mr. Austin Coady was then called upon to read an address to Mrs. Henry in which was expressed the heartfelt appreciation which the caste felt for her valuable assistance.

Mr. Frank Hamm made the presentation to Mrs. Henry of a beautiful silver hot water pitcher. Mrs. Henry very fittingly replied and spoke of the pleasure she derived from her association with the caste. An excellent opportunity to observe
