**THE** concert and pie social held in Rose Valley Hall, was a decided success, both financially, and otherwise. Everything went off without a hitch. Long before the hour for opening the crowd began to fill the spacious hall and at the opening standing room was held at premium. Duncan McDonald acted as chairman filling that responsible position with his usual tact and grace. The program was remarkably well rendered. Too much praise cannot be bestowed upon those who took part therein, displaying talents of no mean order. The first number was an organ solo by J. J. Bethune, Master D. Cameron followed with a reading selection. H. Crabbe and C. Toad were the star performers of the evening. R. McIntosh gave a very entertaining song. Mrs. J. R. White elicited rounds of applause from the large audience. Miss Sadie McLeod recited a thrilling and highly amusing selection entitled "That Burglar". Misses L. and Annie Nicholson sang very nicely. Miss Mary McKinley recited a comic recitation. The sword dance by Daniel Lambert, fairly brought the house down in rounds of well merited applause. M. McKenzie and D. McDonald sang an Orange song, to the evident satisfaction of all present. And last but not least, was the impromptu stump speech by John Stewart, Stanchel, who also auctioned off the pies. The young men present bid cautiously or recklessly, according as their inward conviction suggested that the pies were safe by friend or foe.

**He Rocked the Boat.**  
He rocked the boat! The others sat  
And watched him do it, pincedly.  
Nobody yelled at him to stop,  
And none commented acidly.  
Upon the fate that should be his;  
They only looked and chuckled slightly.  
For he was trying to "rock it off".  
The man bar where 'twas stuck so tightly!

**EASTERN NOTES.**—Not since the spring of 1882 has there been so much snow on the roads as there is at this date, and our friends of the central and southern parts of the Island enjoying wheeling and dry roads will wonder to know that here we still have sleigh roads and immense snow banks, and as these lines are written in the last week of April there is another relapse of winter. These peculiar climatic conditions are caused by our geographical position, and comparatively narrow strip of land surrounded by the waters of the Gulf cooled by the ice of winter. Ice has come in again on the north side preventing the setting of lobster traps, thousands of which are scattered along the shore, waiting for the first favorable opportunity.—Jas. G. McLeod, of insurance fame has been visiting here recently.—John D. McLellan, formerly of Red Point is home from Palmer, Mass.—John J. Smith of New Perth has been east of late.—A successful social under the auspices of Great Eastern Lodge was held in Kingston Hall on the evening of the 20th inst. A varied program well carried out under the efficient management of Wm. McLea, who presided with his usual dignity, greeted a well filled house.—Pollies are again getting lively. The Liberal party have their candidates in the field, and have given this section their rights viz, a man. The other party may do the same as they have a man here ready and willing to take the field, and the conclusion is gradually forcing itself on the thinking men of this country that all the intelligence and all the ability of the district was never intended to be hidden beneath the fur coats of our towns and villages.—A steamer passed East Point south on the 19th.—Cape George light has been visible from here for a week so navigation must be open there.

**A Crisis in Woman's Life**

There are Backaches and Headaches and Days When Life Seems Scarcely Worth Living.  
There comes a time in the life of all women when they are face to face with a grave crisis; when there are distressing backaches, headaches, dizziness; when even some women are threatened with the loss of their reason; when they suffer because they are women. The happiness of women for the rest of their lives depends upon being safely lifted over this crisis. Dr. Williams' Pink Pills have proved a blessing to women at all ages, and are particularly valuable at two critical periods—when girlhood is merging into womanhood and when women are approaching the turn of life. These pills make the rich, red blood that stimulates all the organs of the body, expels disease and makes the weary sufferer bright, active and strong. Mrs. A. Jones Cypress River, Mass. says: "Out of gratefulness I feel that I must let you know the good Dr. Williams' Pink Pills have done me. For years I suffered from inflammation of the womb and kindred troubles. Only those who have been similarly afflicted can tell how much I suffered, or how dreary life seemed. I tried many medicines but none of them helped. Then I was advised to try Dr. Williams' Pink Pills. I am grateful now for that advice, for after using about a dozen boxes every symptom of the trouble disappeared and life again seemed worth living. It is now several years since I took the pills, and as there has been no sign of the trouble since, I feel safe in saying the cure is permanent."  
What these pills have done for Mrs. Jones they will do for all suffering women if given a fair trial. But you must get the genuine with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around every box. Sold by all medicine dealers or sent by mail postpaid at 50 cents a box, six boxes for \$2.50 by return of the Dr. Williams' medicine Co., Brockville, Ont.
