

NERVOUS... DEPRESSION

Means Impoverished and Exhausted Nerves—Dr. A. W. Chase's Nerve Food Restores and Revitalizes the Nerve Cells.

People who suffer from Nervous Depression and Exhaustion frequently look healthy and strong. They alone know the thousand distressing symptoms which make their lives miserable.

The lack of nerve force results in a slow and sluggish action of the heart, impaired digestion, headache, despondency, and a fear to venture, loss of energy, sleeplessness, incapacity for mental labor or business.

With these symptoms there is usually melancholy and fear of death, which tends to increase nervousness, but there is every reason to be hopeful if the right treatment is used. Dr. Chase's Nerve Food contains all the nutrition required to create new brain and nerve tissue. It imparts to the nervous system that life-giving principle which sends a thrill of new strength and vigor through the system.

Dr. A. W. Chase's Nerve Food will cure by the building-up process, which enables the body to laugh at disease and weakness. Face out and fac-simile signature of Dr. A. W. Chase on every box of the genuine. See a box, at all dealers, or Edmanson, Bates & Co., Toronto.

Tortured by Itching Women are almost driven insane.

Instant Relief in Dr. A. W. Chase's Ointment

One of the most distressing symptoms imaginable is the almost unbearable itching which is an accompaniment of Leucorrhoea or whitish discharge. The nerves are irritated by the poisonous discharge, and the result is an itching which is only rendered more excruciating by rubbing or scratching.

Especially at night, when the body is warm, the patient is tormented beyond the powers of human endurance. Sleep or rest is out of the question. Nervousness, irritability and despondency are a natural result.

In these offices there are, on the file thousands of letters from grateful women who have found in Dr. Chase's Ointment a quick and certain cure for this itching to which women are subject.

During the expectant period many women suffer similar agony from itching of the parts, or itching piles, which are absolutely cured by Dr. Chase's Ointment.

The first application of this great discovery Dr. A. W. Chase will afford prompt relief. At all dealers, or Edmanson, Bates & Co., Toronto.
