KIDNEY TROUBLE CURED.

General Health Greatly Improved by Per-ur-na.

MRS. M. J. DANLEY.

Mrs. M. J. Danley, Treasurer of the Rebecca Lodge, I. O. O. F., writes from 124 First street, N., Minneapolis, Minn.: "I was afflicted for several years with kidney trouble which became quite serious and caused me considerable anxiety. I spent hundreds of dollars trying to be cured, but nothing gave me any permanent relief until I tried Per-ur-na. It took less than three months and only ten bottles to effect a permanent cure, but they were worth more than a many hundred dollars to me. I am fully restored to health, know neither ache nor pain and enjoy life."—Mrs. M. J. Danley.

This experience has been repeated many times. We hear of such cases nearly every day.

Mrs. Danley had catarrh of the kidneys. As soon as she took the right remedy she made a quick recovery.

LET OTHERS EXPERIMENT

There is always something new in the way of medical treatment and you are constantly invited to try new fangled, unproven remedies. Let others experiment and so risk health and lose time. Dr. Chase's Kidney Liver Pills have been tried in the crucible of time, won the approval of public opinion and demonstrated their right to a place in every home as a family medicine.
