—HOLY DAY—Tuesday was the Feast of The Immaculate Conception and was the occasion of large congregations attending St. Paul's church, Summerside. There were two Masses in the morning when over 500 souls received Communion. In the evening the members of the Children of Mary attended in a body and occupied the pews on both sides of the centre aisle. The sermon for the occasion was preached by Reverend P. Walsh of the Bishop's Palace, Charlottetown and was an appropriate and excellent one. He took for his text, "Hail Full of Grace, The Lord is with Thee" from the 1st chapter of St. Luke. Father Walsh in the course of his able discourse spoke of the Blessed Virgin Mary as the Precursor of Infinite Purity who had been conceived without sin to crush the head of the Serpent. She held a preeminent rank among the children of Adam being the Mother of God and also the Mother of all Perfection. Dealing with her trials and suffering, the preacher said, her many flagellations made her love the sinner and those who pray to her find that she refuses nothing and never casts requests aside. Speaking to the Children of Mary Father Walsh complimented the members in their endeavors to follow the footsteps of the Blessed Virgin the object of the society being to emulate the life of Mary. Modesty and purity had brought women to their true sphere as Mary's helpmate. He exhorted the Children of Mary to be faithful to their society and, always holding the Mother of God as their guide and imitating Her example, it mattered not whether they be a Virgin, a Spouse of Christ or the Mother of a Christian Family, if they observe her beautiful principles they would see Her face to face on the last Day with God. Benediction of the Blessed Sacrament followed, Reverend Father Walsh being the celebrant.

## IN MEMORIAM

### WILLIAM GREEN TAYLOR

At Wilmot Valley, P. E. I., on Nov. 19th ult., William Green Taylor, aged 82 years and 3 months. Mr. Taylor was not well for a year or more and was not able to go to church as was his custom during his lifetime. His last illness was very brief. He was only one day confined to bed, with bronchial pneumonia, and owing to the weak condition of his heart he passed away very suddenly. He was a fine Christian gentleman, a good citizen taking an active part in all that pertained to the welfare of the country. He acted for many years as reporter of field crops for P. E. I. and kept the Department of Agriculture accurately informed on that subject. He acted as agent for the Farmers Fire Insurance for many years and did faithful service in this department for his fellow countrymen.

He was an Elder in the Presbyterian Church for many years, and was interested in the spiritual welfare of the people as well as the material. His mind was well stored with choice portions of the word of God, and the great Hymns of the Church. In speaking of Rev. Mr. Strathie his favorite minister he quoted the lines of Lead Kindly Light.

"So long thy power hath blessed me sure it still will lead me on,
O'er moor and fen, on crag and torrent, till the night is gone,
And with the moon, those angel faces smile,
Which I have loved long since, and lost awhile."

Mr Taylor was married 53 years ago last July to Matilda Doull of Wilmot Valley, who mourns the loss of a faithful husband. Two sons and one daughter survive, Edwin L. and Preston at home, and Mrs. Fulton Simpson at Lot 16. His half brother, James Taylor lives in the old home quite near to that occupied by his late brother. Mrs. John Mann who resides in Summerside is also a sister.

The funeral was conducted by Rev. D. K. Ross of Bedeque church where Mr. Taylor attended as a boy, and whose minister the late Dr. Patterson was his first teacher in the day school. Mr. Taylor's remains were interred in the Summerside cemetery, on Saturday afternoon, Nov. 21st. We extend sincerest sympathy to the bereaved family.

### $36,000,000 FOR NAVY WOULD MEAN BIG INCREASE

OTTAWA, Dec. 8—Acceptance of Lord Jellicoe's proposal that Canada might make a yearly contribution of $36,000,000 to the cost of the Imperial Navy would make a tremendous difference in this country's outlay on navy account. At present Canada makes no direct contribution to the Imperial Navy, while the sum voted this year and last year for the upkeep of the small local establishment of two destroyers, four mine sweepers, two naval training establishments and two naval dockyards and the necessary personnel was just $1,400,000.

Australia is maintaining two battle cruisers, while New Zealand is contributing 10 per shillings per capita.

### BALDWIN MAY VISIT CANADA.

OTTAWA, Dec. 7.—Resolutions embodying the legislative program of the Boards of Trade of Canada were presented to representatives of the Government and Conservative Opposition parties in the House of Commons here to-day. A big delegation representing the various Boards of Trade which participated in the recent Winnipeg economic conference waited on Premier Mackenize King and his Cabinet in the early afternoon, and later discussed their proposals for a national economic policy with three of the Conservative leaders, Sir Henry Drayton, Senator G. D. Robertson, and Hon. S. F. Tolmie.

In the Premier's office, discussion of the programme was prolonged. The meeting with the Conservative group was brief. Sir Henry Drayton, referring to the sheaf of resolutions, saying: "I don't think there is anything here we can quarrel about." Premier Mackenzie King expressed keen satisfaction with the character of the resolutions found them for the most part very acceptable to the Government, but he pointed out that where the expenditure of any considerable sums of money was involved, the Government might find itself unable to go the whole way in meeting the wishes of the delegation.

S. B. Gundy, of Toronto, who headed the delegation, announced that the Boards of Trade hoped to bring Premier Stanley Baldwin, the British Prime Minister; The Right Hon. L. C. S. Amery, Secretary of State for Dominion Affairs; and Sir Philip Cunliffe-Lister, President of the Board of Trade of Great Britain, to Canada in January as guests of the Dominion Boards of Trade. Premier King said that he would add his personal influence to try and induce these gentlemen to accept the invitation of the Canadian Boards of Trade, but he intimated that the Dominion Government could hardly intervene in the matter.

The committee conferred tonight on the subject of a Dominion Board of Trade and decided to defer its actual creation until a later meeting, when the Boards of Trade of Montreal and Toronto shall have prepared a definite proposal as to structure and constitution of the Dominion Board.
