—FOX SHIPMENTS—Large shipments of Black and Silver foxes were made Friday morning to U. S. Points by B. Graham Rogers and John L. Lea of Summerside.

—RECEPTION—Members of the Summerside Baptist congregation gathered at the home of Major Schurman on Tuesday evening where a reception was held for Mr. and Mrs. Everett Phillips who will in future reside in Bedeque where Mr. Phillips is manager of the Bank of Nova Scotia.

—SUMMERSIDE NEW STREET LIGHTS.—Seven 250 watt Nitrogen lamps have been placed on Water Street hung over the centre of the street which surely gives Summerside the best lighted system in the Maritime Provinces. Much credit is due Councillor Allan who is chairman of that committee, and also Manager J. F. Taylor of the Sun Electric Company who supervised the construction.

—TRADE GOOD—Though the season has been backward, and other stores report trade conditions below normal, R. T. Holman, Limited, Summerside have been forced to open another large packing room to handle the increased mail order business. More than thirty persons have been added to the sales, office and mail order staffs during the month and it is expected that the 63rd anniversary of the store will reach a new sales record.

—OPEN AIR RINK AT KENSINGTON.—The "live wires" of Kensington and vicinity are bound to indulge in the grand Canadian winter sports of ice skating and hockey. After two unsuccessful attempts to erect a large rink building the sports committee decided to be satisfied with an open-air rink for this winter. Messrs Caldwell and McFarlane have prepared the ground for a rink on the southern boundary of the town in a comparatively sheltered place. The size of the ice pan will be 150 x 75 feet. A warm and commodious dressing room has been fitted up in connection.

—ANOTHER PLEASANT EVENING.—Another very pleasant evening was spent by the members of the Wellington Sewing Circle who met on Friday December 10th at the home of the Misses Lena, Cordelia and Danula Arsenault. Owing to the Holy Season of Lent in which we are now the members could not engage in dancing, but still everyone enjoyed themselves greatly. Miss Lena rendered excellent music. Beautiful singing was also rendered by some of the young ladies who indeed possess great vocal talent. Misses Lena, Irene and a few others (not omitting) Miss Le Claire, Miss Cordelia passed the Fudge which sure tasted good. After a "good old chat" all departed thanking the Misses Arsenault's for their kind welcome. Next circle to be held December 17th, at the home of the Miss Barlow's. Jean and Tillie receiving.

—WEDDING BELLS.—A quiet but pretty wedding took place at the home of Mr. and Mrs. William A. Toombs, Kensington, on Wednesday, December 8th, when their daughter Minnie L., was united in the Holy Bonds of Matrimony to Mr. William L. Delaney, also of Kensington. The ceremony was performed by the Rev. T. W. Goodwill in the presence of the immediate relations. The bride was formerly a popular saleslady in the Canadian Farm Products store at Kensington, whilst the groom was one of the first young men to leave the island to serve his King and country and after being wounded was the first P. E. Island boy to be invalided home, and after his recovery he re-enlisted and went back to the front where he was when the Armistice was signed. Mr. and Mrs. Delaney have the best wishes of a large circle of friends for a long and happy wedded life.
