Scout News and Notices

Red Pine, who edited this column before certainly did a fine job and a lot of thank is due him for his tireless "searchings" for news.

How many of you remember the Boy Scout laws? It seems, after becoming a second class Scout the laws are forgotten, in fact almost after investigators some forget. But to be real SCOUTS we must always keep them in mind. Just for review to refresh our minds we will list them here.

Are we trusted and trustworthy to our parents and friends? Are we loyal to all our friends and others more close to us? Do we help others in a friendly way—courteous to all? Do we smile at all our difficulties and try to oblige everybody to the best of our means? And finally are we clean in thought, word and deed? They are hard to keep at times but let everybody examine themselves and try to keep and learn them. Remember—B. P. said "To be Scouts, we must know the laws and promise and live them."

FROM THE SEVENTH

The Seventh (St. Paul's) seems to be having trouble getting out of a hike: why? Well the weather just can't be fine when they plan to start out. But being good Scouts they smile and say "the next time." Last Friday at their regular meeting, after the different periods of game and instructions had been run off, campfire (consisting of a bulb and red paper) was officially opened by S. M. Edgecombe. Some humorous and original skits were put on by the various patrols, probably the best of all the A.P.C.'s specialty! I'll let P.C. Costello enter the circle and presented prizes to P.L. David and his patrol for winning last year's patrol competition followed by a short talk. The troop was honored by the arrival of some "famous" visitors—Bill Timber (Red Pine) (1st), A.C.M. Lorne MacDonald and S.M. Stanley McInnis, recently returned from overseas. After a good singing the council fire ended with the Lord's Prayer and the singing of "O Canada."

THINGS TO REMEMBER

Apple Day coming up in November—so all troops should start thinking about it now.

Toy Shop—According to the latest reports there will be one this year. This is a great opportunity for all Scouts and Scouters to put into practice what they preach.

NOTICE

Will all S.M.'s, A.S.M.'s, A.C.M.'s, C.M.'s, who have a troop or pack and who want to put a report in the paper through the medium of this paper, please oblige by leaving the reports at the office at Queen St. headquarters before Friday at noon. Its much easier that way—so help me!

DEAD MEN TELL NO TALES

ABOUT THE Black Market

Go-starring Robert Lowery and Ellen Drew with a supporting cast headed by Regis Toomey, Eddie Quillan and Susan Cook, Jr. "Dark Mountain" is a suspenseful, dramatic account of a young forest ranger's struggle to rescue the girl he loves from an isolated mountain cabin where she is held captive by a fugitive racketeer.

A well rendered and much enjoyed "Recital" was given in Borden Town Hall on Thanksgiving evening by the pupils from Frederickton, Bradabane and Borden, of Miss Amy Howatt of Elliot. At the close of the program a very lovely address and gifts were presented to their music teacher in appreciation of her work among them.

Following was the program: Opening Chorus: "O Canada." Piano duet: "Rondeau"—Jurretta and Eleanor Murray.

"NOB HILL" FEATURES ACTION THAT'S TOUGH... LOVE THAT'S ROUGH!

Starring George Raft, Joan Bennett, Vivian Blaine and Peggy Ann Garner, "Nob Hill," 20th Century-Fox's spectacular new Technicolor hit, opens today at the Prince Edward Theatre.

The film's exciting story is set in San Francisco's fabulous Barbary Coast at the turn of the century when girls kicked highest fists crashed hardest and blood ran hottest. It is the story of the love battle that made the Barbary Coast: pause in its song, turn from its women and reach for his hips.

DRAMATIC PICTURE OF "RANGERS" COMING IN "DARK MOUNTAIN"

"Dark Mountain," William Fine and William Thomas' twentieth century picture for Paramount since January, 1941, promises another screen treat for moviegoers.

Now that I'm back home... ONE OF THE THINGS I MISS IS **WRIGLEY'S CHEWING GUM**

Yes, when he was overseas, he enjoyed receiving boxes of Wrigley's Gum sent to him by his relatives and friends—through Wrigley's Overseas Gum Plan.

Now that he's back home, he misses seeing Wrigley's in his favourite stores. That's because the total supply of certain pre-war quality materials has been used up—and Wrigley's famous **SPEARMINT, DOUBLEMINT** and **"JUICY FRUIT"** Gum can no longer be made.

But in their place, Wrigley's are producing a pure and wholesome Wartime Chewing Gum both for the Armed Forces still overseas and for the home market.

Recognize and remember this emblem... it means the wearer has an honorable discharge from the Canadian Armed Forces.
