

IMPORTANT READING MATTER SELECTED FROM THE WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

WEDNESDAY. G. O. McLeod, Station Master of the P. E. I. R., at Montague, previous to his departure for Southern California where he goes to spend the winter, on account of failing health, was waited on by a delegation representing the people of Montague, and presented with an address and purse of gold, in recognition of the high esteem in which he is held by the people with whom he came in contact in business and social relations. W. L. Poole read the address and was followed by Horatio Nelson, Geo. A. Thompson, William Lamont, D. L. McKinnon and J. P. Crockett. All the speakers expressed the hope that Mr McLeod would return fully restored in health and with them again. Ollie will be greatly missed at Montague where he has made so many friends in a short time.

A very enjoyable evening was spent at the home of George and Mrs Lockhart, Spring Valley, on Oct 12th, when about sixty guests assembled to witness the marriage of their daughter Mary, to G. E. Crozier, of Hamilton. To the strains of the wedding march played by Mrs Lillian Lockhart, sister of the bride, the bridal party entered the parlor where the marriage ceremony was performed by the Rev. A. D. Sterling of Kensington. The bride was prettily dressed in a gown of cream silk, and wore bridal veil and orange blossoms. She was attended by Miss Annie Crozier, sister of the groom, while the groom was supported by E. Lockhart brother of the bride. Little Adelaide Lockhart and Lillian Donald, nieces of the bride and groom respectively, acted as flower girls. After the ceremony the happy couple partook of a beautiful repast and then enjoyed themselves in games, social chat, and music. Among the numerous presents were many useful and costly articles attesting to the esteem in which the young couple are held. After a very pleasant evening Mr and Mrs Crozier drove to their future home in Hamilton followed by the good wishes of relatives and friends.

THURSDAY. Miss Ruby Beers, a former resident of Montague, returns on Friday to Boston, after a pleasant visit to friends in Commercial Cross and Montague.—L. L.

John and Mrs Stuart, of Commercial Cross, have arrived safely in Nelson, B. C., where they intend to locate. Their daughter Miss Lizzie left Boston recently for Nelson, B. C.—L. L.

Mrs Irving (nee Phoebe Wright) formerly of Westville, P. E. I., but now of Liverpool, England, is visiting in Montague the guest of Mrs G. Wright. Her husband, Mr Irving, belonged to Charlottetown and was formerly British Consul at Callao, Chili. Mrs Irving returns to Liverpool this month.—L. L.

Miss Alice Mitchell of New York, who has been spending the summer on the island and leaves this week on her return home. Miss Mitchell has recovered from severe injuries received by a fall from a horse over two months ago. She was then stopping with relatives up the East River. The horse stepped on a bicycle and slid throwing Miss Mitchell heavily to the ground. She was under treatment for nine weeks but on Saturday was able to be out again.—Pat.

SHE USED ONLY THE NATURAL CURE
How Nova Scotia Woman Was Relieved of Her Heart Disease.

Made her kidneys right with Dodd's Kidney Pills and all her troubles vanished speedily and completely. I had been suffering from Female, Kidney and Heart Trouble, so run down, nervous depressed that all the brightness had gone out of her life, and never expecting to be a healthy woman again. Mrs J. W. Leadbetter of this place tried Dodd's Kidney Pills, and is once more in the best of health. Her simple statement is the best evidence that no case of Kidney Disease is so bad that Dodd's Kidney Pills will not cure it. "I was treated by five doctors," Mrs Leadbetter states. "Four of them did me no good. The fifth operated on me and that gave me real health. My I had Female Kidney and Heart trouble. I was so nervous and run down that my friends did not think I would ever get better. "An advertisement led me to use Dodd's Kidney Pills and I found in them a cure for all my troubles. I cannot praise Dodd's Kidney Pills too highly." Female Trouble and Heart Disease are caused by Kidney Disease. The natural way to cure them is to cure the kidneys by using Dodd's Kidney Pills.

MASTER MASON CUT PLUG TOBACCO
Manufactured by the Rock City Tobacco Co., Quebec

Rheumatism Cured by Fig Pills.
Not often do you hear of a 25c preparation being sold with a guarantee to cure you. An absolute guarantee goes with every box of FIG PILLS. They will cure Rheumatism, Backache, Bladder Trouble, Frequent Urinating, Burning Sensation, Painful Stitches, Sluggish Liver and all Stomach Trouble. If not, your money back. At all druggists.

Along the Nova Scotia coast the farmers collect eel grass which is shipped to Boston and other points, to be used in the wadding of airtight, noiseless floors, and making the finest of filling for upholstering and serving other useful purposes. Beside, the uses of seaweed named above, when reduced to ashes, yields iodine, bromine, hydriotic acid, iodides of sodium, mercury, potassium, magnesium, calcium, coloring matters and vanilic acid. It is claimed that furniture stuffed with seaweed is kept free from moths and other insects owing to its salty flavor.

Rev G. A. Lawson, in his capacity as Most Worthy Patriarch, of the Sons of Temperance, left yesterday on an extended trip. He will first attend the quarterly session of the Grand Division at Camden, N. J., then proceed to Philadelphia. Thence he will take the night train to New York after the Pennsylvania session is over, going to Connecticut. While in Philadelphia he will meet the committee of the cadets of temperance. Mrs J. D. Grant, of Halifax, a Most Worthy Patron of the Order will attend the committee meeting in Philadelphia.—Hlx Ex. Mr Lawson is well known here.

Mrs Allan MacDonald and her daughter Miss Gertrude McDonald, of Montague left on Monday for Calgary, Alberta, where they in future will reside. Their departure will be a distinct loss to the people of Montague as they were two of the most respected and esteemed residents. Mrs. McDonald's nephew, George Wright, Jr., of Lower Montague who has been engaged in the real estate business in Calgary for some time and paid a visit to his former home this autumn, accompanied them on their departure.—L. L.

H. H. Lord, the local manager of the Southern New England Telephone company has been promoted, to superintendent of the Winsted exchange and will begin his new duties on Monday. Mr Lord's promotion is a fitting recognition of his faithful service to the company while in charge of the New Canada exchange, and his departure from here will be regretted by a large circle of friends. No definite plans have been made as to who will be Mr Lord's successor.—New Canada, Con. Messenger.—(Mr Lord is a son of Artemas and Mrs Lord, Brighton, and has a host of Charlottetown friends who will learn with pride of his promotion.)

The death occurred at his home at Traveller's Rest, yesterday morning of Abraham Raynor, a most respected resident of that place. Deceased had been in good health up to a few days ago and was able to come to Summerside the latter part of last week. About three weeks ago he received a small scratch on the arm which at that time was not thought serious but which a few days later turned to blood poisoning, this being the cause of death. Deceased was 61 years of age and leaves a family of one son and several daughters, all of the latter being away from home at the time of his death. This makes the third death in his family within a year. One daughter, Mrs. Ellis having died about eleven months ago at Boston, while Mrs. Raynor passed away about two months ago.

A marriage of wide interest to a large circle of Boston and Lynn people was that of Miss Lucy E. Buchanan of Boston, Mass., and Joseph T. Ryan, of Lynn, Mass. They were united in marriage at the residence of Rev J. C. Harrington, Wednesday evening, Oct. 12th. Frank Dacey of Boston officiated as best man and Miss Margaret S. Buchanan, sister of the bride was bridesmaid. Miss Buchanan is the daughter of Duncan and Mrs Buchanan of New Dominion. Of pleasing personality she wedding gown of white tulle, and carried a bouquet of valley lilies. Mr Ryan holds a responsible position in the office of the Metropolitan Life Insurance Co., of Lynn, Mass. After a two weeks trip through New York, Philadelphia, and Washington. Mr and Mrs Ryan will return to reside in their new home, 183 Warren Ave., Boston, Mass. Mr Ryan referred to above visited in this city and also at New Dominion during the past summer.

Many Prince Edward Island people do not realize the commercial value of sea grass or eel grass, as it is commonly known. There is an unlimited demand for this product in the various manufacturing centres of the Western United States. It is used extensively for mattress making, also for upholstering furniture, especially in the upholstering of automobiles. It is hard to determine the value of the eel grass as all depends on the quality in regard to fineness and length of same. All that is necessary to do to prepare the eel grass for market, is to have it cut in as little size so that it will be as long as possible, then have it washed clean of sand, mud and shells, thoroughly dried and pressed in bales of 100 lbs. each the same as hay for export. There are millions of tons of this eel grass along the shores in the Lower Province which is now going to waste and might be profitably utilized. It is stated that 400,000 tons of seaweed are collected every year on the British coast, enormous quantities of seaweed is annually exported to China from San Francisco; France collects 8,000,000 pounds yearly, which is used in the manufacture of mat.

The marriage took place at All Saints Church, Winnipeg, on the 18th inst. of Mrs Josie Ballantyne, daughter of R. P. Bagnall, Hazel Grove, and D. B. Wray of Sault Ste Marie, Ont. Mr and Mrs Wray will make their home in Winnipeg.

John Thomas and Mrs. McKenzie, formerly of Murray River and more recently resident in this city, will have the sympathy of a wide circle of friends in the death of their youngest son Ewen, which took place at P. E. I. Hospital last evening. Less than two weeks ago he was stricken with meningitis, and removed to the hospital for treatment. The funeral service will be held Friday afternoon.

A British jury very promptly condemned Dr. Crippen to the gallows and already, the cable tells that the dreadful instrument for his execution is being erected. Very few persons can have any doubt as to his guilt, and unless capital punishment is to be altogether abolished it will be felt that his awful crime deserves and should receive the extreme penalty of the law. The jury was more lenient with Clara Le Neve, the paramour of the murderer, who fled with him to America, and to the charge of being an accessory after the murder, they returned a verdict of "not guilty." This verdict will also be pretty generally endorsed by the reading public. No one believes that LeNeve was an actual participator in the murder of Mrs. Crippen. That deed of secrecy and darkness was doubtless the act of Crippen alone. There may be more doubt as to whether Le Neve had a guilty knowledge of what had been done and with such knowledge and because of it, aided the guilty man in his effort to escape and so became an accessory after the fact. But the probability seems to be that she did not know, although she may have had strong suspicions. A murderer seldom takes anyone into his confidence with regard to his crime. Crippen seems to have been infatuated with the unfortunate girl, and if only for that reason it seems unlikely that he imparted to her any knowledge of his crime. She would be afraid of him, probably he would man who would kill his wife would have little scruple against killing his paramour, if they should quarrel or be tired of her. Therefore the jury, in the absence of any direct evidence so the contrary took the lenient view that Le Neve did not actually know, when she fled with him, that Crippen was a murderer. And in this view of the case many will concur.

FRIDAY
The first shipments of cream from Prince Edward Island to the United States were made this fall. Prices are 22 cents per quart, f. o. b. Charlottetown, quality 50 per cent butter fat. The freight is 3 cents a gallon from Charlottetown to Boston by the Plant Line steamers. The shipments are to large distributors at Boston who have made arrangements for regular consignments.

Prince Edward Island has about 50,000 milk cows, excellent pasturage, and there were produced last year in this Province 2,507,853 pounds of cheese and 466,507 pounds of butter. Until this fall all the milk of this island not required for home consumption has been taken by the local creameries. Under the prices now offered for export cream, the production of cheese and butter will be materially curtailed. Cold storage facilities are now provided in Charlottetown, to which the cream destined for export is sent, and shipments are made from this point as the market in Boston requires.

They passed away at Bonshaw, on Sunday Oct 10th, 1910, Nicholas, aged in the 82nd year of his age. By his death another link that united the present with the past has been severed. A professing Christian for years in his own quiet way he lived up to his profession. During his long illness of over two years, he was never known to murmur or complain. His wife predeceased him seven years and on Tuesday the 18th, he followed her to their last resting place in Shaw's Cemetery. Rev W. M. Pidd, pastor of the Bonshaw Baptist Church conducted the services both at the home and at the grave. The pall-bearers were: David Lottis, James Boyce, Hon Cyrus W. Crosby, Alex McNeve, Neil S. McKenzie and Donald McPhee. He leaves to mourn one son, Malcolm, on the homestead, two daughters:—Mrs James Lamont, St. Catharines and Mrs Belle McLaughlin at home.

The announcement of the very sudden death of E. H. Norton, City, which took place in the P. E. I. Hospital last evening about seven o'clock, will come as a great shock to citizens generally.

NO HOSPITAL FOR MR. LAWLER
HE TOOK GIN PILLS
If you ever hear anyone say that Rheumatism can't be cured, ask them if they have ever tried GIN PILLS. Or ask them to write us for proof that GIN PILLS have cured him of Rheumatism, Sciatica, Lumbago, Pain in the back and other troubles caused by weak Kidneys or Bladder.
Rheumatism can be cured—is being cured every day—by GIN PILLS. Here is the best kind of proof.
ODDEN, N.S.
"I have been troubled with Rheumatism so bad that I could not work. A doctor tended me and told me to go to the hospital but all to no good until a friend told me to try GIN PILLS. I did so and after taking a few boxes, I am perfectly well."
D. J. LAWLER
Take GIN PILLS on our positive guarantee that they will cure you or money refunded. 50c a box—6 for \$2.50. Order from us if your dealer cannot supply them. Sample box free if you write us. National Drug and Chemical Co., Dept. P. E., Toronto, 50

Canadian Bear's Grease
Is unequalled to promote the growth of the hair, in
BEARINE
Delicately perfumed, it is supplied so as not to become rancid or stale.
50c per Jar.
Davis & Lawrence Co. Montreal.

J. K. Ross, of this City, received a telegram yesterday morning announcing the sudden death in Seattle, Washington, of his sister Mrs. (Dr.) Howard. The late Mrs. Howard was an exceptionally fine lady and her unexpected demise will be deeply mourned. She was also a sister of Mrs. Hugh McMillan, Cornwall, Mrs. M. Howard, North River and Mrs. Joseph Stretch, Long Creek.

John F. Hudson, City, until lately employed on the Experimental Farm here has resigned his position and leaves this morning for Seamo, Manitoba, where he will take up mission work in connection with the Presbyterian Church there. Mr. Hudson is a member of Zion Church here and is an earnest and studious young man who will, no doubt, be a force for much good in the far west. Seamo is a small town sixty-five miles north-west of Winnipeg. The best wishes of Mr. Hudson's many friends will go with him to his new station.

Howard Martin, of Dundas, has just left, after a visit of several months to the old homestead after an absence of some thirteen years. Starting for the far North (the Klondike in the big rush of 1898), he worked years in Klondike mines and also at Cape Nome and was very successful in mining operations. He goes to New York to meet the Superintendant of the Mines in Arizona, where a large company own noted Copper Mines. The Guardian notes with pleasure the success of Island boys who hold their own anywhere. And Howard Martin has a host of friends that wishes him well. "Happy to meet, sorry to part, but hoping to meet again."—Com.

(From Consul Frank Deedmeier, Charlottetown, Canada, U. S. Consul and Trade Reports.)

The first shipments of cream from Prince Edward Island to the United States were made this fall. Prices are 22 cents per quart, f. o. b. Charlottetown, quality 50 per cent butter fat. The freight is 3 cents a gallon from Charlottetown to Boston by the Plant Line steamers. The shipments are to large distributors at Boston who have made arrangements for regular consignments.

Prince Edward Island has about 50,000 milk cows, excellent pasturage, and there were produced last year in this Province 2,507,853 pounds of cheese and 466,507 pounds of butter. Until this fall all the milk of this island not required for home consumption has been taken by the local creameries. Under the prices now offered for export cream, the production of cheese and butter will be materially curtailed. Cold storage facilities are now provided in Charlottetown, to which the cream destined for export is sent, and shipments are made from this point as the market in Boston requires.

They passed away at Bonshaw, on Sunday Oct 10th, 1910, Nicholas, aged in the 82nd year of his age. By his death another link that united the present with the past has been severed. A professing Christian for years in his own quiet way he lived up to his profession. During his long illness of over two years, he was never known to murmur or complain. His wife predeceased him seven years and on Tuesday the 18th, he followed her to their last resting place in Shaw's Cemetery. Rev W. M. Pidd, pastor of the Bonshaw Baptist Church conducted the services both at the home and at the grave. The pall-bearers were: David Lottis, James Boyce, Hon Cyrus W. Crosby, Alex McNeve, Neil S. McKenzie and Donald McPhee. He leaves to mourn one son, Malcolm, on the homestead, two daughters:—Mrs James Lamont, St. Catharines and Mrs Belle McLaughlin at home.

The announcement of the very sudden death of E. H. Norton, City, which took place in the P. E. I. Hospital last evening about seven o'clock, will come as a great shock to citizens generally.

Mr. Norton had been in his usual health until quite lately when stomach trouble appeared. Yesterday morning about nine o'clock he was taken very suddenly ill and during the forenoon was removed from his home on Prince St. to the Hospital on it becoming apparent that treatment there was necessary. He passed away last evening, death being due to perforated ulcer of the stomach.

The late Mr. Norton was a man of much ability. Especially as an accountant he was more familiarly known in commercial life, his services as Public Auditor bringing him into close touch with members of business houses, commercial concerns, and public and private corporations.
He was a man of integrity and worth in his death one who has filled an important sphere is removed.
He was fifty-three years of age and was apparently strong and healthy. He leaves to mourn a widow and five children:—Harry, in Saskatchewan; Marion, of Moore & McLeod's and Miriam, Rita and Marjory, at home. Harry has been wired for and will likely be home for the funeral of which further notice will be given.
To the family who are so suddenly bereaved The Guardian extends sincere sympathy on the great loss they have sustained.

A. K. McNeill of Alexandria has returned to this Province from Govan, Sask., where he is at present located and where he owns three-quarter section of rich wheat lands. Mr McNeill says that the wheat crop in his district was an exceptionally good crop for this year and is all safely harvested and threshed. There are quite a number of Provincialists in Govan, all comfortably settled, among them being Howard Bros from North River, Mutch Bros from Cherry Valley and quite a number of others. The weather in Govan at present is beautiful the days being warm and balmy altho at night there has been some frost. Mr McNeill returns to the West in the near future taking with him a car-load of choice dairy cattle for the purpose of supplying the town with milk.

Daniel McGuire, the twelve year old boy of Morell River who was accidentally injured the day before yesterday, was reported at the City Hospital last night to be resting somewhat more easily, altho his hopes for his recovery do not appear to be so bright. The young fellow had picked up a revolver to show his cousin, who was visiting the house at the time, and upon his mother rushing to take the weapon from him an explosion followed and the child fell back with a bullet in his forehead above the right eye. A doctor was immediately summoned but the bullet could not be extracted and the lad was taken to the City Hospital yesterday morning accompanied by his father, Daniel McGuire. The revolver had laid loaded and undisturbed for some months, until obtained by the boy upon this occasion, and he had discharged one chamber in the room before his mother was aware that he had it.

The Methodist Parnegau, Mt. Stewart, was the scene of a most pleasing and interesting event on the afternoon of Oct. 12, when Miss Eliza Ellen McCallum, of Dunstaffnage, was united in marriage to James Frederick of Marshfield, by the Rev Ernest S. Weeks, B.A., I.L.D. The bride was not only in her attire in a handsome suit of brown broadcloth and wore a picture hat of cream colored felt with trimmings of velvet and feather ornaments of the same shade. She was attended by her sister, Miss Matilda McCallum, who wore a stylish suit of navy blue broadcloth with picture hat to match. The groom was supported by Maxwell McKinnon of Pownal. After the ceremony, the bride party, accompanied by a number of their young friends, drove to the home of the bride's parents, Lauchlin and Mrs McCallum where a large number of friends awaited them. The happy couple with their guests then sat down to a table handsomely decorated and most beautifully spread. After supper the company were very pleasantly entertained by music played on the organ by Miss McKinnon of Pownal and Miss Florie Scott of Marshfield. The large number of handsome and valuable gifts displayed testified to the esteem in which the bride and groom were held, and included, besides cheeses, useful and ornamental articles of silver, glass, china, linen, and furniture. On the following day Mr and Mrs Stewart drove to their future home in Marshfield, followed by the best wishes of a host of friends, for a long, happy and prosperous journey through life.

Last evening at the Kindergarten Hall the prizes and diplomas conferred by the Victoria College of Music, of London, England, were presented to the pupils of the Charlottetown School of Music who were successful in the examinations held here last June.

On the platform were the members of the Board of Directors of The School of Music. Mr. Paton presided.

Sickness is usually caused by the accumulation of waste matter and impurities within the body.
Dr. Morse's Indian Root Pills,
enable the bowels, the kidneys, the lungs and the pores of the skin to throw off these impurities. Thus they prevent or cure disease.
25c. a box.

WASH THAT ITCH AWAY
It is said that there are certain springs in Europe that give relief and cure to Eczema and other skin diseases. If you knew that by washing in these waters you could be relieved from that awful itch, wouldn't you make every effort to take a trip to Europe at once? Would you not be willing to spend your last cent to find the cure?
But you need not leave home for these distant springs. Relief is right here in your own home town!
A simple wash of Oil of Wintergreen, Thymol and other ingredients as compounded only in D. D. Prescription will bring instant relief to that terrible burning itch, and leave the skin as smooth and healthy as that of a child.
If you have not already tried it, write the D. D. Laboratories, Dept. C. G., 49 Colborne St., Toronto, for a free trial bottle and prove its wonderful effectiveness. We assure you of instant relief.
"Central Drug Store" E. A. Foster.

VITALITY
means—"tissue ability to stand the wear and tear of life."
A Yale professor—very slender and very active—outlived all of his associates—he had more "vitality."
Your vitality is your ability to stand the wear and tear of this "strenuous life."
If the "wear and tear" is severe at times you can increase your vitality quickly and permanently by taking
SCOTT'S EMULSION
the world's standard vitalizer and body-builder.
Be sure to get SCOTT'S, known the world over for thirty-five years by the mark of quality—The Fisherman.
ALL DRUGGISTS

very happily as Chairman, and the prizes and diplomas were presented by His Worship Mayor Rogers.
The program, which was a varied one, consisting of vocal and instrumental music, was prefaced by an opening address by the Chairman who spoke eulogistically of the results accomplished by the School of Music and complimented the candidates upon their success.
Of the different musical selections interspersed throughout, little need be said, as the work of the different performers was up to the usual high standard.
Miss Bremner's singing was much appreciated and repeatedly encoored, and the orchestra as well as individual performers were in fine form and added greatly to the pleasure of the occasion.
The prize winners were as follows: Associate, Miss F. Gill, Senior, C. McKenzie, W. Stanley, Intermediate (Honors) Miss H. Jenkins, Junior Honors Miss Lois McEwen.
His Worship Mayor Rogers spoke briefly, complimenting the work of the pupils as well as the instructor, Professor Wright, and expressing the hope that similar evenings of music might be enjoyed in the near future.

Dominion Of Canada Province of Prince Edward Island
In Chancery
Before the Vice-Chancellor

No. B. 94.
Susan M. Dockendorff & ors Complainants
Harold Stewart Dockendorff & ors Defendants
Pursuant to, and by virtue of a decretal order made in the above cause on the third day of October, A. D., 1910, by the Honorable the Vice-Chancellor, and to me entrusted for execution, I will set up and sell at public auction on the premises, on Wednesday, the 15th day of November next (1910), at the Court of twelve o'clock noon, all that tract, piece or parcel of land situate, lying and being on Lot 32 in Queen's County bounded as follows, that is to-wit:

Commencing on the west bank or shore of the North River at the north boundary of land in possession of Benjamin Dockendorff, thence running south 88 degrees and 31 minutes west by the magnet of the year 1764 along the said north boundary of Benjamin Dockendorff's land for the distance of 108 chains and 30 links or to the east boundary of land in the possession of James Drake, thence north 88 degrees and 30 minutes west along the said sufficient distance to give a rectangular width of 7 chains and 50 links, thence north 88 degrees and 35 minutes east to the east side of the North River Road, thence northwardly along the same 5 chains and 75 links or to the south side of the old Ferry Road, thence eastwardly along the said road to the shore of the North River (westward), thence northwardly along the said shore to the place of commencement, containing by estimation one hundred acres of land a little more or less.

Also all that lot of land on said Lot 32 being the strip of land on the north side of the Ferry Road at the east of the farm of the late Joseph McKenzie, Hugh McEwen's and Donald McDonald's farms containing about four acres.

The said lands will be sold free of dower and free of all incumbrances. The sale will be confirmed by the Court of Chancery without expense to the complainants.
