A Good House Needs the Best in Plumbing

No matter how much money you spend on that house it is not really up-to-date, it is not as comfortable, convenient and sanitary as it should be until you have equipped it with a first-class plumbing system.

This is where we can help you. We have had long experience in our trade and make a specialty of installing systems in new and improved houses.

Call, write or phone 393-J for prices and terms.

A Castle in Spain

"not in it" with a good substantial, up-to-date steel range in your kitchen. Don't hoard up all your money, building castles for future years, and in the meantime have your wife work out in daily toil, working with a poor stove. The Farmer's wife as well as the Farmer, need good tools. A few dollars invested now in an Enterprise Monarch Steel Range will save the time and temper of the housekeeper, lessen fuel and repair bills.
