HOW WAR HAS AFFECTED THE REVENUES OF CANADA

OTTAWA, Feb. 8.—A falling off in revenue of about two millions, and a slight falling off in expenditure as well, are indicated by the Government financial statement for the month of January just issued.

The revenue for the month was \$9,897,664, as compared with \$11,529,753 in January, 1914. The total revenue for the months of the fiscal year, from March to January, inclusive, was \$109,553,607, as compared with \$129,101,515 for the corresponding period of 1913-14.

BEAUTIFUL TRACK.—The track committee of the Charlottetown Driving Club were busy all yesterday afternoon preparing a race course on the harbour ice. The new course is a splendid one and all that is required is a little frost to make it perfect.

PATRIOTIC PICTURES.—The Patriotic Moving Picture Company will give exhibitions in Fredericton on Friday, 12th inst., and Bradabane on Saturday, 13th inst. The charge for admission is ten cents all over, and the net proceeds go to the Patriotic Fund. 8537.

ANNUAL MEETING.—The annual general meeting of Argyle Rural Telephone Co. was held at Argyle Hall on the 3rd inst., but owing to small attendance, on account of the storm, only routine business was transacted and the meeting was adjourned to meet at Bonshaw on Thursday the 11th inst.

COMING RACES.—A meeting of the Charlottetown Driving Club will be held at J. A. Henderson's forge to-night at 7.30. Entries will be taken for the 2.25 class, 2.30 class and pace classes barred; green race and free-for-all. The programme for race will probably be 2.25, 2.30 classes on Wednesday and free-for-all and green race on Thursday, weather permitting.

SERIOUS ACCIDENT.—Miss Waddell, of this city, had the misfortune to sustain a very serious injury on Saturday night. As the result of a fall on the slippery pavement on Pownall St., she sustained concussion of the brain and was taken to the P. E. I. Hospital, where she is now in a state of delirium. Upon enquiry last night it was found that her condition was very little improved.

AN AGED LADY'S CONTRIBUTION.—Among the articles recently forwarded to Charlottetown by the Women's Patriotic Association of Victoria, was a beautiful handkerchief, named by hand by one of Victoria's oldest and most respected citizens, Mrs. Henry Wadman, who, although eighty-seven years of age, is still quite smart and able and willing to be of service to her country in this, its hour of direst need.—V.

CLYDESDALE ASSOCIATION.—The annual meeting of the Clydesdale Horse Association of Canada was held at Toronto on Thursday last. The financial statement showed a balance on hand of \$11,067.04. The grants made to exhibitions last year amounted to \$9,400. A similar amount was given to exhibitions this year, including \$135 for the exhibition of war vessels at Charlottetown and \$50 for the horse show to be held in Charlottetown on March 17 and 18 this year. Professor Theodore Ross was re-elected a director of the Association.

SPLENDID BUSINESS.—The Royal Investment Exchange yesterday received from South Africa an appreciable order (along with payment) for fox stock. In their mails was also a substantial order from Manchester, England, and one from Ontario. This is further evidence of the confidence of the fox business, which is gaining more and more the confidence of the United Kingdom; and the fact that an order should be received from South Africa shows the island industry is becoming known.

"A MILLION BID."—The People's Theatre enjoyed capacity business last night upon the initial presentation of the wonderful Vitagraph five-part play "A Million Bid," which was the vehicle for opening the splendid new Vitagraph Theatre, Broadway, New York, last spring. New Yorkers nacked the big house for 250 consecutive performances at almost real-play prices of admission. The People's in this city is repeating the piece to-day, and no doubt another bumper house will greet the production. "A Million Bid" is a photo-drama which formed a new standard in the history of motion photography. It is a picture of the play "Agnes," by George Cameron (Mrs. Sidney, Drew), and is presented with thoroughness, and Anita Stuart plays the part of "Agnes" with marvellous feeling. Julia Swayne Gordon, as her mother, also creates a wonderful impression. Harry Morey, Charles Kent, Gladden James and many other Vitagraph celebrities help in making this picture one that will never be forgotten. The story deals with a young lady who is forced by her mercenary mother to marry a wealthy Australian. They remain husband and wife in name only, as the girl's heart is with a young doctor in America. The honeymoon is spent on the Australian's yacht, which is afterward sunk in collision. He receives a terrible wound in the head, depriving him of his memory. His wife is rescued, and subsequently marries the young doctor, who she still loves, believing her first husband to be dead. A few years later, the first husband comes to the doctor, now a famous brain specialist, to have his memory restored. The young wife recognises him and begs her second husband not to perform the operation. The husband, however, not knowing anything of his wife's terrible secret, insists that it is his duty, but at the moment the Australian's memory comes back to him, he dies, leaving the young wife to her pines. The husband whom she worships, The Million Dollar Mystery, and a Keystone comedy made up the balance of an exceptionally low admission price.

LADIES AID P.E.I. HOSPITAL.—An important meeting of the Ladies Aid Society of the P.E. Island Hospital will be held in the hospital this afternoon at 3 o'clock. 8545

COMMUNICATION.—The Minto left Georgetown yesterday morning for Sydney to relieve four steamers of the Dominion Coal Co., which were stuck in the ice. She was recalled at 4 p.m. before she reached her destination and ordered back to Georgetown. She was expected to dock in Georgetown during the night. The Stanley left Georgetown yesterday morning at 6.45 and arrived at Pictou at noon. The Stanley leaves Pictou at 7 o'clock this morning for Georgetown. A special train for Georgetown leaves Charlottetown this morning at 7.30 with passengers, etc., for the Minto, which, it is expected, will leave Georgetown about 10 o'clock this morning.

AN EXCELLENT SHOW.—The real good opening programme at the Prince Edward Theatre yesterday was enjoyed by the largest houses of any "opener" for many weeks past. The programme was well balanced and of high quality. Of course, "The Trey O'Hearts" was one of the most attractive numbers and this, the second instalment, was most excellent beyond a doubt. "Whom Does Allan Marry" is the question of every follower of this popular serial and will be the means of bringing a second row of "The Trey O'Hearts" to the stage. PARIS INCIDENT REPORTED CLOSED.—ROME, Feb. 8.—The Vatican received last night a dispatch from Paris saying the French authorities were satisfied with the explanation of the text of Pope Benedict's prayer for peace, which has been given them, by Cardinal Amette, Archbishop of Paris. The incident is now regarded as closed. The Paris police, Sunday, seized copies of a peace prayer of the Pope's, destined to be read in all churches, Feb. 7. The Government feared expressions in the prayer might be misinterpreted. Monsignor Amette, interpreted the text, to the authorities, whereupon the embargo on the prayer was promptly withdrawn.

THERE IS NO POSSIBILITY OF any firm continuing in business and selling Tea of the quality of "SALADA" for less money. You can get "SALADA" Brown Label from your grocer at 35c a pound; Blue Label at 45c, and Red Label at 55c a pound, and those teas are from the choicest gardens in the island of Ceylon. All "SALADA" Teas are clean, pure and free from dust, which so many other teas are loaded with to reduce their cost.

RECRUITS WANTED.—At Kensington on Thursday evening the first of a series of meetings in various parts of the province will be held for the purpose of recruiting volunteers for the Sixth Canadian Mounted Rifles (Second Brigade, Third Contingent). Major A. E. Ings, Charlottetown, who is principal in charge of the recruiting in Prince Edward Island, will address the meeting, and the other speakers will include Rev. Dr. Fallerton and Mr. Justice Fitzgerald. The next meeting will be held in Summerside on the night of the 16th, the speakers being Mr. Justice Fitzgerald and Mr. T. C. Woodman. The "Recruits" now being organised in the Maritime Provinces, the number of men allotted to Prince Edward Island is seventy-five, exclusive of officers. As several months will be spent in training, it is not necessary that applicants should have had previous experience. The pay to recruits will be \$1. per day and 10 cents daily allowance for clothing, smiths, saddlers, etc., receiving extra separation allowance of \$20 a month will be made. The physical requirements are: Height, five feet three inches, chest 33 1/2 inches, age 18 to 45. Enlistment can be made with Major Ings and Lieut. F. B. Bell, Charlottetown; Lieut. A. C. Squarebriggs, Miramichi, and Capt. T. H. E. Iman, Summerside.

BOARD OF TRADE.—A meeting of the Council of the Charlottetown Board of Trade was held in the Board rooms yesterday morning at 11 o'clock. The question of sending the Dominion Government steamer "Cape" to release some coal steamers that are confined there by the ice was considered. In view of the fact that at this time of the year it might mean a serious interruption to communication between Prince Edward Island and the mainland, perhaps entailing much loss to shippers, especially of perishable goods, it was deemed advisable to telegraph to the Minister of Marine and Fisheries protesting against the removal of the steamer at the present season. A telegram was accordingly sent to that effect. The following is a copy of the telegram which was sent to the Minister of Marine and Fisheries: "Removal of steamer Earl Grey was heavy blow to province, but the sacrifice necessitated by war and willingly made by the people. The removal of the Minto seriously interrupting transportation, already insufficient, is strongly protested against by shippers and public generally. Government must assume responsibility for all losses to perishable goods and general trade. We urge immediate return of steamer to regular trade." (Signed) J. Hyndman, President; E. H. Beer, Secretary, Charlottetown Board of Trade.

MECHIAS, Me., Feb. 8.—Werner Van Horn, who claims that as a German sympathizer he dynamited the international bridge at Vancouver Tuesday as an act of war against Great Britain, to-night began to serve a sentence of thirty days at the county jail here. Van Horn had pleaded guilty to a technical charge of maliciously damaging property on the American side of the border.

IN MEMORIAM

MR. ALLEN SHAW.

A very sad death took place at Uigg when, on the 3rd inst., death entered the home of Allen Shaw and claimed his life at the age of 74 years. The deceased was in his usual health almost up to the time of his death. All that medical aid and tender nursing could do was done, but in spite of all his spirit passed to Him Who gave it. Mr. Shaw was an obliging neighbor and a kind father, and lived in Uigg all his life and will be greatly missed. He died trusting in that all-wise One Who saw fit to take him to Himself. The remains were laid to rest in the Uigg Cemetery, service in the Church being conducted by Rev. Mr. McEwen, assisted by Rev. Mr. Peterson and Rev. Mr. Brown. The Church was filled with friends of the departed. He leaves to mourn three sons and one daughter—Daniel J., Teacher, Cherry Hill; Samuel, in Charlottetown; Earnest and Miss Florence, at home. The pall-bearers were Messrs. S. E. Macleod, Daniel Macleod, R. A. Macleod, all of Uigg; Archie McPherson, Peter McQueen, of Orwell, and J. M. Macleod, of Vernon.

MR. ALEXANDER W. DINNIS.

Mr. John R. Dininis, of Charlottetown, has received the news of the death of his brother, Alexander W., at the age of 73, in Portland, Oregon, after a short illness in a Sanitarium there. The late Mr. Dininis was born in Devonshire, England, in August, 1841, and in the following year came out to Canada with his parents, Mr. and Mrs. Wm. Dininis, landing at Miramichi, N. B. After a year at Miramichi, they came over to Margate, Prince Edward Island. Mr. Alexander Dininis left the Island about forty-five years ago, going to the States, and about 15 years ago removing to Salem, where he lived until recently, when he moved to the Sanitarium in Portland. Although his death was somewhat sudden, he had been suffering from a serious nature about six years ago. For some years before he left the province he was a clerk in the employ of Mr. C. C. Gardiner, Summerside. Mr. Dininis leaves a widow, besides three brothers, Wm. R., Margate, P. E. I.; Enoch G., Marshfield, and John R., Charlottetown, and two sisters, Mrs. Philip Colwell, Charlottetown, and Mrs. S. J. Glydon, of Windthorst, Saskatchewan, who will receive the sympathy of their numerous friends in their loss. Mr. Dininis was a splendid character and was well liked by all who had the pleasure of his acquaintance.

FOR THIRD CONTINGENT.

VANCOUVER, B. C., February 5.—Instructions have been received by Colonel Ogilvie, district officer commanding the Militia forces in British Columbia, to start recruiting at once for the units of the Third Expeditionary force to be raised, mobilizing and trained at the coast. While no official orders have as yet been received by Lieut. Col. Duff-Stewart, Commander of the 23rd Infantry Brigade, it is stated that enlistment for the battalion to be recruited of the lower mainland will be commenced at once. The formal advices are expected to be received at brigade headquarters today.

FATHERLAND ON A DIET.

ROTTERDAM, February 5.—One might almost be led to believe from reading the latest German papers that the food restrictions placed on the people were not after all a matter of necessity but rather the result of a decision arrived at in order to cure the country of the ills that follow over-eating. The hunger cure is all most openly preached. The simple life and mortifying of flesh by eating only sufficient to keep the body and soul together are actually enjoined, and the former hard eating Germans are now told that they have a really good meal as an act of treason to the Fatherland.

CAPT. NICHOLSON IS MANY TIMES A HERO.

In the last battle in the North Sea the cruiser Aurora, the first of those exceedingly fast vessels which have been completed and which are termed "destroyers of destroyers," was in action with the German cruiser Kolber and left her in a sinking condition. The captain of the Aurora is Wilmut S. Nicholson, a Scotchman whose parents, General and Mrs. Nicholson, live at 23 St. Andrew's. As commander of the Aurora, he was mentioned in despatches for the seamanlike manner in which he took the Arcturion in tow on a pitch-dark night after the naval action at Heligoland on Aug. 28. It was in that same spirit of rendering aid to a helpless ship that led him to endeavor to rescue the Crescy, when she was torpedoed on Sept. 21, and when his own cruiser, the Hague, was also sent to the bottom. Captain Nicholson was one of the fortunate ones on that occasion, and soon afterwards he was made commander of the Aurora.

Numerous adventures have been the lot of Captain Nicholson during his 27 years in the navy. He joined in 1887 and two years later was on the Caliope at Samoa, when that vessel alone, by excellent seamanship of her captain, steamed out of the harbor to safety while seven other men-of-war of other nations were driven ashore. Later he was commander of the Prince George when on the Bay of Biscay, and having to do with the interior economy of the ship, he contributed largely to her being saved. In 1909 he gained his captaincy and for some years held an appointment with the Admiralty. The high esteem in which he was held was apparent when he was appointed to the "Dreadnaught" as flag captain to Admiral Sir Charles Blythe, then commanding the Fourth Battle Squadron. This was his last appointment prior to that on the Hogue.

FOR GERMAN FARM WORK.

VENICE, Italy, Feb. 5.—via London.—Many Italian women, are going to Germany to engage in farm and factory work, in response to offers of unusually high wages. For the men 6 1/2 marks (\$1.62) a day is promised, and for the women 3 marks (75c). Italian newspapers are warning the peasants against accepting this employment, in view of the uncertainty in regard to Italy's foreign policy, but apparently many unemployed persons are willing to assume the risk involved.
