

St John Trojans Qualify For The Dom. Hoop Title

Overcoming A Handicap Of 10 Points On The Round The Maritimers Walked Off With The Eastern Canadian Ch'Ship From Ont. Champs 47 To 28

(Canadian Press) SAINT JOHN, N. B., April 22.—Overcoming a handicap of ten points against them as a result of the first game last night, Saint John Trojans fought gamely to-night to win their second match with Windsor-Walkerville alumni by a score of 47 to 28 and take the round for the senior Eastern Canadian basketball championship by total points of 65 to 56. As a result Trojans will meet Winnipeg Trollers here for the Dominion title. The score at the end of the first half tonight was 22 to 14 in favor of Saint John. Needing only two points to even the count for the round, Trojans renewed their efforts against the Ontario champions to extend leaving no doubt as to the decisiveness of the victory. At the outset of the first half Trojans assumed a driving game, showing reversal of form from that of the first game. Malcolm started his team off with a smart field goal, cutting in to break up a Windsor combination. Patterson, on the starting line to-night, swung through three-quarters length of the floor on a tricky dribble, and sank one from outside. Ron Brown, supplying the spark the homesters needed, drilled the cage on a penalty toss to run the count to 5, immediately following a hasty breather called by the visitors. Alumni potted in two fast baskets next, Goldman and Butcher reducing the lead to 5-4. Trojans called for time out. Patterson added a point after King's foul. Hollies took Ron Brown's fast pass and scored. King sliced it a point. A long one by Malcolm and another length try by Hollies ran Trojans' margin to 12-5. Malcolm talked again but Taylor got it back. Brown tossed in another and King

HOCKEY GOSSIP

Daddy Bubar was in Moncton Monday en route to Fredericton, and was met at the station by Hymie McArthur, of the Capital. A Moncton Exchange says that "Bubar, asked about the rumor that he would wear an Abbies uniform next season, while he did not confirm or deny the rumor, he left a strong impression that the deal between the star goalie and the Abbies management has been concluded and that he will see service in Charlottetown next winter. McArthur also left the impression that he too would shift over to the Abbies along with Bubar, Joe Beaton and Walter Ferguson."

IS IT THE DEPRESSION?

Max Schmeling only attracted 350 people in his exhibition at Norfolk, Va., and two days later at Porters Monroe only 660 people were present.

THE "DOPE"

A Nova Scotia sports writer comes to bat with the following: Just what teams will have the honor of being classed the "big shots" of Maritime hockey in 1933 seems to be the major question confronting sport followers in the East at the present time. With the eastern League "washed up" and indications that the senior Northern, which comprised five teams from New Brunswick and one from Prince Edward Island, will follow suit, a general reorganization appears to be inevitable. Rumors have it that Halifax will join up with Moncton and Charlottetown and that another New Brunswick loop will embrace Fredericton, Dalhousie, Campbellton, Bathurst and possibly Sussex. There seems to be little hope, on the surface, at least, that the proposed "Big Six" will function. Just what will be the outcome of the present situation remains to be seen but from all indications, anything might develop in the next two or three weeks. Moncton, Charlottetown and Halifax have already prepared for next season while it is understood that the Maritime champions, the Dalhousie Rangers, are sitting pretty as far as 1933 is concerned. A great deal will depend upon the meeting to be held in Fredericton in the course of a few weeks when the annual meeting of the Senior Northern will be held. The future operations of the Halifax Wolverines depend a great deal upon the outcome of this session.

King And Queen Attend Wedding

(Canadian Press Cable) LONDON, April 22.—The King and Queen motored from Windsor Castle to attend the wedding at Westminster Abbey of Lord Hyde, son and heir of the Earl of Clarendon, Governor-General of South Africa, and Hon. Marion Glyn, eldest daughter of Lord and Lady Wolverton.

Their Majesties conferred a further honor on the happy couple by sending separate presents to them. The King sent the bridegroom, who is his godson, a magnificent two-handled silver bowl, while Mrs. Glyn received from their Majesties a lozenge-shaped diamond brooch with the Royal cypher and crown. Practically every other member of the Royal family sent presents, the total running into several hundreds.

The bridegroom's father, who is well-known in Canada, having farmed in Ontario for some years, was unable to leave South Africa for the ceremony, but Lady Clarendon came to England. Mrs. G. H. Ferguson, wife of the Canadian High Commissioner to Great Britain, and William C. Noxon, agent-general for Ontario in London, were among the guests.

The venerable surroundings of the historic abbey had been carefully considered by the bride in deciding on the wedding dresses. They were of the palest gold upon ivory, the bride also wearing a coronet of orange blossoms and carrying a bouquet of ivory and pale gold orchids. Following the fashion adopted by so many brides of today, her veil and train were of lovely old Brussels lace which had served for the weddings of at least one generation back.

There were only two adult bridesmaids but the five small maids of honor wore gold net over gold satin, and the five pages were clad in gold satin. Crowds gathered around the abbey entrance from early morning. The wedding procession entered through the great west door and the spectacle as the procession passed along the abbey's wonderful nave across the choir and so to the high altar was one to remember. The honeymoon will be spent at Cotehele House, St. Dominic, loaned by the Earl of Mount Edgcumbe, whose wife is an aunt of the groom.

Meeting closed with the National Anthem. Lunch was served by the hostess. The cake and sandwiches were very beautifully decorated in honor of St. Patrick. (Special Please Copy)

CARDS BREAK LOSING STREAK, TRIM PIRATES

(Associated Press) NEW YORK, N.Y., April 22.—The world champion St. Louis Cards snapped out of a six game losing streak today, to down the Pittsburgh Pirates in ten innings, 5 to 3 at Pittsburgh. It was the second ten inning battle between the clubs in two days.

Loose fielding on the part of the Pirates virtually tossed the game to St. Louis. Adams scored the winning run when Lloyd Waner, hero of yesterday's contest, muffed Bottomley's short fly. Gus Suhr also did a bit of juggling that helped the Cards to victory.

Bob Brown outpitched the great Dazzy Vance at Boston to give Boston a 4 to 1 victory over the Brooklyn Dodgers. Brown gave only five hits and two walks and fanned four. Art Shires, Boston first baseman, was injured twice during the game. He was struck on the nose by a batted ball in the first inning and in the ninth he was knocked out by a collision at first with Joe Stripp. Shires was carried from the field and after an examination in the clubhouse indicated that he had suffered a torn ligament in his left leg he was taken to a hospital for a further examination. It was believed the leg might be broken.

Chicago's Cubs bunched seven of their eight hits in the first three innings to defeat Cincinnati, 5 to 4, in the third game of series at Chicago. Guy Bush pitched well for the Cubs until the seventh when he weakened and required help from Charley Root.

Paced by Bill Terry, who tied a Major League record by hitting his sixth home run in four consecutive games, the New York Giants pounded out a 13 to 8 victory over the Phillies. It was their third straight triumph at Philadelphia.

American League NEW YORK, April 22.—The scaring Detroit Tigers tightened their grip on first place in the American League at Cleveland today as they battered Cleveland pitchers for 22 hits and a 16 to 3 victory.

Detroit now has a one and one half game lead over Washington, which was idle today, the Tigers having won eight games against two losses while the Senators have won six and lost three. Even the Detroit pitcher, Whirlow Wyatt, joined the hitting barrage, making four hits, including a home run and a single both in the ninth inning.

St. Louis made it two straight from the Chicago White Sox, winning 4 to 1 at St. Louis to maintain a perfect "at home" record this season. Dick Coffman, Browns' right-hander, held the White Sox to seven hits. Gray relieved him in the ninth. Melillo's home run, his second this year, accounted for two of the Browns' scores.
