New Statement
From Japanese
Foreign Minister

By Glen Babb,
Associated Press Foreign Staff.
(Tokyo, May 5)—A new and
stronger statement of Japan's "Asia
for Asiatics" policy came today from
Foreign Minister Koki Hirota, who
intimated strongly that eastern
Japan will discuss far eastern
problems with western powers.
"We shall not repeat what hap-
pened at Geneva," Hirota declared
in an address to prefectural govern-
ments, referring to the break with the
League of Nations over Japanese
activities in Manchuria.
"Having no objection whatever
to exchanging views, if necessary,
with each individual power regard-
ing treaty rights and interests," he
explained, and added:
"But, in view of the fact that on
questions of East Asia our views
were rejected by the powers at the
Geneva meeting of the League of
Nations which forced our decision
to withdraw from the League, it
would surely be unwise to reproduce
a situation such as we encountered
at Geneva."
While only the Geneva incident
was mentioned, observers considered
that the Minister was implying that
Japan never again will debate Ori-
ental questions on equal terms with
western nations, as she did in 1922
when the nine-power treaty was
framed.
"Japan is the principal protector
of the stability and the peace of
Eastern Asia," Hirota insisted. It is
Japan's mission to maintain peace
and order in Eastern Asia in co-op-
eration with the countries of the
Pacific. Japan sincerely desires the
unification, integrity and prosperity
of China, which can be attained only
through China's own self-awakening
efforts.
The speech followed the general
lines of statements of policy towards
China which started April 17 with a
foreign office spokesman's declara-
tion that Japan holds to a "hands
off China" policy towards the Occi-
dent.

(MONTREAL-Canadian Car and
Foundry Co. will re-open their
rolling mill at Amherst, N. S., next
week.
STRATFORD, Ont.—Local car
dealers report heavy expansion of
sales. One concern has sold more
cars so far in 1934 than in 12
months of 1933.
HAMILTON, Ont.—Firestone tire
and rubber plant here is operating
day and night with three shifts
while expanding has not caught up
with actual business in Canada.
SAULT STE. MARIE, Ont.—With
prospect of eight gold mines in-
stead of two milling ore by fall in
the Michipicoten-Goudreau district,
jump of population from around
800 to 3,500 is expected.
BRANTFORD, Ont.—Zenith
Healthware products, manufactur-
ing mainly waterless and greaseless
cookware, a new industry, has
opened here.
SYDNEY, N. S.—Blast furnace
department of Dominion Steel and
Coal Corporation, idle for months,
will resume operations next week.
ORILLIA, Ont.—Canadian Mech-
anical Rubber Corporation has
shipped \$70,000 worth of machinery
to this town and they expect to get
it set up in the former Tudhope
factory and operating within a few
weeks.
MONTREAL—Combined C. P. R.

"NOT CONSTIPATED
FOR SEVEN WEEKS"

Writes Mrs. Johnson After
Using Kellogg's ALL-BRAN
Sufferers from constipation will
be interested in this unsolicited
letter:
"Your ALL-BRAN surely relieves
constipation. I am so glad over the
good it has done me that I feel I
must write and tell you of it.
"For lunch I take a banana, a
large one. Six tablespoons of ALL-
BRAN in a sauce dish, and dip
banana at each bite until all is
consumed. I haven't been consti-
pated now for seven weeks."—Mrs.
Louise Johnson (address furnished
upon request).
Constipation often causes head-
aches, loss of appetite and energy,
sleeplessness. This condition is usu-
ally due to lack of "bulk" to ex-
ercise the intestines, and vitamin B.
Kellogg's ALL-BRAN has both, as
well as iron for the blood.
The "bulk" in ALL-BRAN is much
like that in leafy vegetables. With-
in the body, it forms a soft mass.
Gently, it clears out the waste.
TRY ALL-BRAN in place of patent
medicines—often harmful. Two
tablespoons daily will overcome
most types of constipation. Chronic
cases, with each meal. If not re-
lieved this way, see your doctor.
Use as a cereal, or in cooking.

One of Moncton's
Finest Citizens
89 Years Young

(Moncton Times)
Wednesday one of Moncton's most
esteemed and venerable citizens
in the person of Mr. Paul Lea,
quietly celebrated his 89th birth-
day anniversary at his home in
Mountain Road. A resident of
Moncton for well over half a cen-
tury and a prominent figure in
the business life of the city until his
retirement a few years ago, Mr.
Lea enjoys the acquaintance of a
wide circle of friends here,
many of whom called upon him
yesterday to extend felicitations
and good wishes. He is still very
active and takes daily walks,
while he also follows the events
of the day at home and abroad
with keen interest and is a pleas-
ing conversationalist.
Four generations were repre-
sented at the quiet birthday ob-
servance, and members of the
family resident in other parts came
here to spend the day with him.
Those making up the four gen-
erations were Mr. Paul Lea, his son,
Mr. John A. Lea, of Summerside,
Margaret Bessie, daughter, Mrs.
Margaret Bessie of Moncton, and
her son, Master John Lea Bessie.
The other member of Mr. Lea's
family coming from a distance was
his daughter, Mrs. Doro, of Boston,
Mass.
Born at Victoria, P. E. I., on May
2nd, 1845, Mr. Lea is a descendant
of one of the oldest and most highly
respected families of the Island
Province. The branch of the Lea
family to which he belongs is noted
for the longevity of its members,
his only surviving brother, Mr.
Bertram Lea of Vernon River, P. E.
I., still being hale and hearty at 85.
Another brother, Mr. Jabez Lea, of
Victoria, passed away a few months
ago as he neared the 90 mark.
Mr. Lea's legion of friends both
here and elsewhere will join with
him in extending hearty
birthday congratulations and wish
him many happy returns of the day.

MRS. MARGARET D. KIDSON

MATILAND, May 2—Margaret
Dumas Kidson, widow of Rev.
Frederick Kidson, passed away after
a short illness at her home in
South Matiland on Saturday, April
29.
Mrs. Kidson was born in Sydney,
25 years ago being a daughter of
Donald Dumas, of that place. At
the age of 22 she was married in
Stillwater, Minnesota, to the Rev.
Frederick Kidson, who shortly after
various pastored in the Baptist
church, retiring in 1905 to live
quietly in South Matiland where he
died in 1912.
The funeral was conducted from
her residence by the Rev. E. K.
MacInnes of Matiland. It was a
beautiful service and largely at-
tended by the people of the com-
munity who thus showed their sym-
pathy and respect. "There is no
doubt in Heaven," was sung as a
duet by Miss Laurie Lavin and Mrs.
Robbie Hill. Burial was made in the
McDougal cemetery, South Matiland,
beside the remains of her
husband.
There are left to mourn the loss
of a mother, four sons, William of
South Matiland, Fred and Sydney
of Halifax, and J.R. of East Battie,
P.E.I., also one sister, Mrs. Annie
Burton, 195 Whitney avenue, Syd-
ney.
Country Bridegroom (on being
asked, "Will you have this wom-
an...?") "Why, of course I
come a-purpose!"—Unidentified
clipping.
"Whatever is a molecule?" asked
the teacher.
"A molecule," said John, "is some-
thing so small that it can't be seen,
even through a microscope."

Winter Resort
Menus Give
Smart Tips

(By Katherine Baker)
Tanned and gay, the lucky sun-
seekers are returning from Florida,
the West Indies, and Bermuda.
They bring clever tips and new
ideas to make life refreshing. In
those sunny places where meat
courses must be tempting, jams
and jellies are served to emphasize
the flavor of all main dishes.
At breakfast, there is always a
fruitful sweet dish to top of the meal
as in Canada. At lunch, with cold
plate or a salad, little individual
cups, hold some sparkling jam or
jelly. Toast or crackers always have
their little jam pots.
Although relishes and salads are
served at dinner, there is still the
delicious fruit jelly to emphasize
the flavor of meats. Some of the
combinations were very interesting:
Roast chicken with currant or
apple jelly.
Roast turkey with cranberry jelly.
Roast lamb with mint jelly.
Roast pork with elder or grape jelly.
Baked ham with pepper relish.
Fillet mignon with spiced cran-
berry jam.
Broiled lamb chops with currant
jelly or currant mint sauce.
Roast duck with orange jelly.
Broiled squab with currant jelly.
Even chicken croquettes had
little bits of bright jelly in the
sauce. The currant mint sauce that
and accompanied broiled lamb chops
is easily made. Simply cut 1-2 cup
currant jelly into fine pieces. Cut
into thin, short strips one quarter
of an orange rind (yellow part only)
and add this to jelly. Then add 11-2
tablespoons fresh mint leaves
finely chopped. Makes 1-2 cup
sauce.
Winter or summer, these south-
erners must have their meat sweet.
Order jelly is made at any time and
has a stimulating tang for these
spring days.
1 cup (2 lbs.) sweet apple cider
1-2 cups (3 1/4 lbs.) sugar
1 cup bottled fruit pectin.
Measure cider and sugar into large
saucepan and mix thoroughly. Add
orange rind and stir constantly. Then
bring to a full rolling boil, and boil
hard 1 minute. Remove from fire,
skim pour quickly. Paraffin at once.
Makes about 11 glasses of six ounces
each.

Brew had been offered a lift on

gratefully. But he found his bene-
factor was a reckless driver, and
his hair almost stood on end.

said the affable stranger, taking an-
other corner at a terrific speed.
"This is the second time I've

LONG RIVER W. I.

The April meeting of Long River
Women's Institute met at the home
of Mrs. Oscar Johnson with thirty-
seven members and five visitors
present. Meeting opened by singing
the Institute Ode followed by
Creed. The minutes of the previous
meeting were read and approved.
The school committee reported that
a stand for the drinking fountain
was needed. It was moved to send
the committee to purchase a stand.
The school committee reported that
they had made one call and taken
fruit. It was moved and seconded
that all bills be paid.
The questionnaires on Canadian
Industries and Home Economics
were then discussed and filled in.
The following committees were
appointed: School, Mrs. Alan A.
Campbell, Mrs. Murdoch MacLeod;
Sick, Mrs. D. A. Campbell, Miss
Blanche Paynter, Program, Miss
Dorothy Campbell, Miss Anna
Paynter; Mrs. Heber Campbell,
Lynne Mrs. D. A. Campbell, Mrs.
Alan Brown, Mrs. Alan Campbell.
It was decided that the Indian
River-Kensington Dramatic Society
be asked to bring their play to
Long River. Proceeds in aid of the
sanatorium. The program consisted
of a reading "The Old Man at the
Picture Show" by Mrs. Elmer
Paynter; chorus, "Rig a Jig-Jig,"
by Mrs. Alan Brown and Mrs. Alan
Campbell. Several selections on the
player piano were then enjoyed by
all. Two new members were wel-
comed. Next meeting to be held at
the home of Mrs. Murdoch Mac-
Leod. Roll call to be answered with
"A Weed I Will Pull Every Time I
See It." Subjects for discussion:
Agriculture, Child Welfare and
League of Nations. Meeting closed
by singing the National Anthem.

Imperial Life
Shows Uptrend

Additional evidence of the upturn
in Canadian business comes from
the Imperial Life Assurance Com-
pany whose "Downtown Branch,"
Montreal, an organization of only
twenty men, sold in the month of
April \$1,040,000 of assurances. This
exceeds by 40% the largest month's
business in the history of the branch
even including the boom days of a
few years ago. That it was not a
 spasmodic increase is shown by the
fact that the months of January,
February and March were also sub-
stantially ahead of the same months
of 1933. The business written by
the Imperial Life for the month of
April throughout Canada, was 40%
higher than the same month in 1933.
The management states that in re-
cent months there has been a steady
decrease in requests for loans and
for surrender values on their policies
on the part of policyholders.
Substantial growth in the repay-
ment of existing loans on policies is
also noted. As the management
points out life insurance can be
purchased only with the surplus
earnings of the individual and it
would seem as though the average
Canadian is now doing more than
just make ends meet and is begin-
ning to accumulate a surplus in his
personal budget.
Safety first—eyes front, salute!
The Admiralty of Portsmouth has
issued orders that salutes by officers
and men riding bicycles or driv-
ing motor vehicles must be made in
the ordinary way with the hand, and
not by turning the head as heretofore
the regulation.
A picture, believed to be a por-
trait of Tasso, the mad poet, hangs
in the family of D. Waterston in
Leicester, Eng-
land, for more than 200 years, is now
declared by experts to be a work by
Van Dyck worth thousands of
pounds.

For 12 Months Your Dependents
Would Receive Your Salary Cheques

Wouldn't it be fine if your em-
ployer would promise to continue
your full salary to your family for
a whole year after your death?
Few employers will make such a
provision, but you can make it for
yourself under the Salary Continu-
ance Plan of the Imperial Life.
The change to another scale of
living after the bread-winner is
gone is one of the most difficult re-
adjustments which life can impose.
If, for instance, you should die
suddenly, would your estate provide
immediately available income suf-
ficient to enable your dependents
to carry on during that crucial
"first year"?
An Imperial Life Salary Continu-
ance Policy providing for the pay-
ment to your family of \$100 each
month for twelve months after
your death calls for a saving of only
about 10 cents a day on your part-
now—when you can spare the
money.
Imagine what a blessing the con-
tinuation of your monthly salary
cheques for a whole year would be
in helping your family gradually to
change to ways of living within the
income from whatever estate you
may bequeath to them.
Why not get particulars of this
wonderful, economical provision to-
day?
