FRIDAY EVENING a select concert program Baptist School Room 8 p. m.

POWNAWAL CIRCUIT—Worship on Sunday, February 3rd in Clifton at 11 a. m., Mt. Herbert at 2.45 p. m. and Pownal at 7 p. m. There will be a meeting of the Trustees Board of the Pownal Church on Thursday, January 31st at 2 p. m.

ENTERS THE LIST.—Mr. Henry Craswell has entered as a candidate for civic honors and will run as a commissioner of sewers and water supply at the election next month. Mr. Craswell solicits the support of citizens generally as it will be impossible for him to visit them all individually.

ENTERTAINMENT.—The pupils of Village Green and Cherry Valley Schools, under the capable leadership of their teachers, Miss Jakeman and Miss Praught, assisted by other local talent gave a very entertaining concert in Pownal Hall on the evening of Jan. 26th. Mr. James McEachern ably performed the duties of chairman. The program included: Chorus, Carry Me back to Old Virginia. Reading by Elva Acorn. Instrumental music by Mr. and Mrs. Alfred Stewart. Dialogue, Taking the Census. Duet by Misses Ings. Dialogue, A slight misunderstanding. Instrumental music. Intermission, sale of candy. Solo, by Alfred MacNeill. Dialogue, Jelly for the minister. Duet by Dorothy Stewart and Emma Lano. Solo by J. H. Haley. Drill in Grandma's Day. The different numbers were excellently rendered and Miss Jakeman and Miss Praught and all who took part in the programme are to be congratulated on the success of the entertainment. Although the night was disagreeably cold the Hall was well filled with people and the sum of \$25.00 was realized, which was for charitable purposes. The concert closed by singing the National Anthem.

AN ISLAND MISSIONARY.—A recent visitor to San Francisco and Oakland was the Rev. Adolphus L. MacIntyre of Revelstoke, British Columbia. Father MacIntyre is a travelling Missionary, covering a territory about 150 miles square, from Revelstoke south to Nelson, B. C., and east to the Alberta frontier. Father MacIntyre was ordained in 1918. He went to British Columbia shortly after and has been laboring in the western diocese ever since. On August 30 last the Rev. Father left Revelstoke on a visit to his native home in Prince Edward Island, where his mother, Mrs. Catherine MacIntyre, Selkirk, resides. On his way across the continent, Father MacIntyre visited friends in Calgary, Winnipeg, Ottawa, Montreal, and other cities, and arriving in the Island received a warm welcome from relatives and friends he had not seen for several years. He remained six weeks around his old home, and then turned his face toward the Far West, stopping at Halifax, Providence, (where a brother, R. J. MacIntyre, resides), Boston, Buffalo, Chicago and Los Angeles en route. In San Francisco Father MacIntyre had the pleasure of meeting another brother P. A. MacIntyre, a stalwart member of the police force of that city. He also met a large number of former Islanders who were delighted to greet the young and zealous priest, who is laboring for the benefit of humanity far from the place of his birth.—Oakland (Maple Leaf).

ISLANDER DEAD.—Thomas Slavert Green, aged 64 years, who lived at 363 North Main Street, Springfield, Mass., died on Saturday night at 119 Hillside Avenue, West Springfield, where he had been confined by an illness for several weeks. He was born on Prince Edward Island and he came to this country 36 years ago. For twenty years he had been chief engineer for the Springfield Provision Company. He was a member of Eastern Star Lodge of Odd Fellows in Boston and of J. W. Nickels Rebekah Lodge of Springfield. He leaves a wife, Jennie Osgood Green, one son, Ralph T., and one daughter, Dorothy E., all of Springfield, Mass. and a brother, A. M. Green, who lives in Canada. The time of the funeral will be announced.

PERSONALS

Mr. Alfred Simpson, Summerside was in the city yesterday.

Mr. and Mrs. T. C. Edgett have as their guests Mrs. Edgett's aunt, Mrs. F. W. S. Colpitts and friend Miss Price of Moncton.

Miss Wilson and Miss Mill, Red Cross Nurses, have left for Summerside, where they will open a Health Centre.

IN MEMORIAM

MR. JOHN M. READY, TIGNISH

John M. Ready died at his home at Nail Pond on Wednesday evening January 16th, 1924. Deceased was in his 83 year. Through life he sustained a vigorous constitution, having never been known to suffer a day's illness; and though incapacitated during his early manhood, he overcame the infirmity with such cheerfulness and mastery as to make his loss seem scarcely of any concern. A few months ago, however, his strength began to fail and despite his brave fight against old age, he gradually sank until the end—the peaceful and happy end of a long and useful life. Fortified by the consolations of the Holy Catholic Church, administered by his pastor, Rev. Dr. McLellan, and aided by his children, Gonzales A. and Miss Evelyn—the latter having since from Boston some weeks since to be with her father—the good man departed this life to reap his reward in eternity, his wife preceasing him some years ago.

John M. Ready was decidedly one of the best known and most highly respected men in Tignish parish. For uprightness of character, or he was prominently conspicuous. Every cause that appealed to him as deserving he adopted, while every vice that opposed, he was toward he steadily his hospitality—renowned for his hospitality—friend and stranger alike were ever sure of a welcome in his home, where his cheery greeting will be sadly missed.

In effect he was a man who has made the world better for his having lived.

His will be held sacred by his many sorrowing friends.

The funeral held on Friday morning to S. S. Simon and Judge's Church was an exceptionally large one. Reverend Dr. Gauthier of the Palmer Road in the Requiem High Mass and also conducted the services at the grave. The pallbearers were Messrs John McNe, Joseph Clohessy, A. R. Shea, John Hackett, Edward McGrath and James Foley.

Requiescat in pace.

WHY WORRY?

CHARLES EDWARD DAVIES

Formerly Assistant General Manager, whose appointment as Acting General Manager of the Canadian National Telegraphs has been announced, following the sudden death of Mr. George C. Jones, late General Manager, December 31st, 1923.

Mr. Davies received his first telegraph experience with the Western Union Company at Helena, Montana, on January 1, 1906, he commenced his career with the Great North Western Telegraph Company, starting at Ottawa as Chief Operator. On September 20, 1909, he was made Manager at Ottawa, and two years later was given charge of the electrical equipment in addition to his other duties as Manager at the Capital city.

On January 1 of this year he was made Assistant General Manager, in charge of electrical engineering, plant work and railway services. Owing to the sudden death of Mr. Jones, however, he only held this position for one day, when he was made Acting General Manager.

Mr. Davies is a Fellow of the American Institute of Electrical Engineers and a member of the Committee of Direction of the American Railway Association. He is also an active member of the Association of Professional Engineers of Ontario.

It Is Not Hard To Play

The two popular fallacies about the game is that it is expensive to purchase and difficult to play. By introducing this 50c set we have brought the game within the reach of everyone, thereby eliminating the objection of high cost, while the book of directions which accompanies our game makes the rules clear and the game ready to master.

Ask The People Who Play

They will tell you that it requires no special talent to play—no technical skill is needed. The people who play will tell you too, how fascinating it is to match the playing pieces to make three or four of a kind or three of a sequence, how satisfying it is to "pung" a piece, and to win the game.

Understand What People Mean

When they talk of the "loose tiles", the "East Wind", "forming and opening the wall", "chowing", and the few other terms of the game.

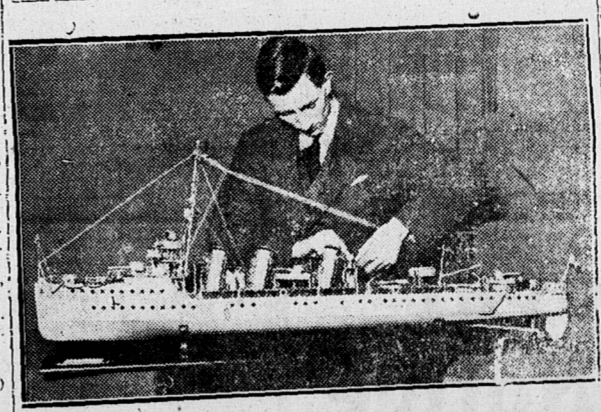

There is one thing sure—if other people can play it, you can—and all you need to do in order to become an expert is to buy and use this 50c set we are now offering.

Our Supply Is Becoming Exhausted

In contracting for an unusually large number of the games, we felt we had gauged the local demand but we evidently were mistaken. The interest in the game and the desire for a popular-priced set were much greater than we anticipated. The result is that our supply is diminishing rapidly and, as we are not sure we will be able to get more of them at the advantageous rate of the first lot, we urge you to use the coupon at once.

A MODEL DESTROYER DRIVEN BY ELECTRICITY

This clever little model of a British destroyer took five years to build. Mr. Ledger of Brixton, England, who made it, copied it from a model in a glass case in a museum.

whipping must be accurate. Clinical thermometers are made with lenses, so they must be turned in order to be read through this magnifier. After reading, they must be held at end, opposite bulb and shaken, never tapped, until mercury descends below the 96 degree line.

There is a thermometer which registers what was as well as what is the temperature of the room. This is hardly necessary. The thermometer with a "past" is expensive.
