One reason why the Pies and Cake, Bread and Rolls always turn out right when you use

BEAVER FLOUR

is because the flour is always the same. It is milled from blended wheat.

Being blended in exact proportions, Beaver Flour is always the same in strength and quality; and always gives the same results, no matter what or when you bake.

It will be a change for the better when you change from western wheat flour to Beaver Flour, milled from blended wheat.

PAYING UP.—In the Police Court yesterday morning several parties were before the Magistrate for non-payment of dog tax. They paid up. The Guardian understands there are about fifty more cases to follow. Dogs is dogs this year.

FEEDING AND HOUSING OF SWINE.—On account of the high value of concentrated foods suitable for swine feeding, it is important that the foods that are used be so combined as to produce the maximum of results. The question of housing also enters largely into the profitable production of pork. To encourage farmers to raise as many hogs as possible, and to make the most money therefrom, the Department of Agriculture at Ottawa, has issued Pamphlet No. 22 on the 'Feeding and Housing of Swine.' This pamphlet which may be obtained free at the Publications Branch Department of Agriculture, Ottawa, deals also with the questions of breeding and care of the animals at different ages and at different seasons of the year. This pamphlet is prepared by Professor G. E. Day, in charge of the Bacon Production Campaign, Dominion Department of Agriculture, Mr. E. S. Archibald, Dominion Animal Husbandman and his Assistant, Mr. G. B. Rothwell. Mr. Archibald, after much experimental work, lays down the principal that an expensive pigery is unnecessary. Brood sows may be kept in winter season in a single board hog cabin. This pamphlet gives specifications and plans, not only of a large pigery, but of a cheap and portable cabin.

EARNSCLIFFE NOTES.—Miss Jean Mutch returned home this week from a fortnight's visit with friends in Red Point, King's Co.—Mr. John Lewis, one of the most popular and intelligent farmers of New Perth West, was a welcome visitor here this week. Mr. Lewis is having one of his barns rebuilt the work being done by Mr. John MacPherson, one of the island's smartest and best carpenters.—Misses Della and Florence Cavanagh have returned home from a week's visit with friends in New Perth. One of the best potato crops in many years was harvested here last week. Mr. Roderick McIsaac had six acres in this year. Mr. Melsaac is one of the largest potato growers in the Province.—Mr. Lee H. Young was a welcome visitor here last week.—Threshing operations have begun here this week. Mr. Willard Carrier, who has a fine outfit, is attending to the wants of the Earncliffe farmers in this respect.—Another carpenter, a first-class workman, too, by the way, who is kept very busy these days is Mr. F. M. Vessey, the mail carrier,—the mail being delivered on the Earncliffe-Cherry Valley route by Mr. Vessey's son, Francis.—A part of the highway that needs to be repaired very badly is a piece of road north of the butter factory. Road-master Gleason sold this road last summer, but the contractor 'jumped his ball,' so to speak. It is hoped this road will be fixed before the fall shipping begins.—That progressive and popular young merchant, Mr. Wendell Morrissey, is buying potatoes at Chisna Point this week, paying 80c per bushel.—Cranberries are a great crop in Cherry Valley this autumn, one farmer sold three barrels in the city recently, getting nine and ten cents per bushel.—Queen's County officers are advised to keep an eye on Mr. Alex. Martin in this contest. If he makes any promises, and is sent up to Ottawa, he will keep those promises, if he has to work 24 hours a day to do it. His past record as a promise-keeper is an enviable one. O

SERIOUS FIRE.—The dwelling house of Joseph Power, Orwell, was totally destroyed by fire on Saturday evening about six o'clock. Mr. Power was away from home at the time and Mrs. Power was out in the barn, leaving the two children in the house. As she started to come in she met the children running and the kitchen was all ablaze. All the furniture was burned, also 800 bushels of potatoes in the cellar and \$300 in cash which was upstairs. The loss will be about \$1,500 with no insurance. The origin of the fire is unknown.

SAFE IN ENGLAND.—The many friends of Mr. and Mrs. E. Boswell, Victoria, will be pleased to note that they received a cable a few days ago announcing the safe arrival in England of their son Lieut. Max L. Boswell, who left for overseas with the Canadian Engineering Corps early in October. The same day another cable arrived from their second son, Keith of the 2nd Canadian Siege Battery, who has been in the war zone for some time, saying that he was on a furlough in London. His father wired back immediately and a few days later, word came that the two brothers were having a reunion, which needless to say, brought much cheer to the home folks. Previous to Lieut. Boswell's departure, and while spending a short time at his home, his mother gave an 'at home' in his honor, and a visiting guest Miss Dorothy Whitman of Halifax. In this way the many friends of the young man had an opportunity to wish him 'au revoir' and bon voyage. A very pleasant evening was spent and everyone left with good wishes for these two boys in khaki, who are both so widely known and popular.

A druggist can obtain an imitation of MINARD'S LINIMENT from a Toronto house at a very low price, and have it labeled his own product. This greasy imitation is the poorest one we have yet seen of the many that every Tom, Dick and Harry has tried to introduce. Ask for MINARD'S and you will get it.

SPLENDID RESULTS.—Fifty men members were received into full membership in the Presbyterian church of Wood Islands on Sunday morning the result of the late evangelistic meetings conducted by Rev. Fred. M. Clay.

A PRETTY CHURCH WEDDING.—On Wednesday evening, Oct. 24th a wedding of unusual attraction to the people of Tryon and vicinity took place in the Methodist Church there, at 8 p. m., when Margaret Grey, second daughter of Mr. Angus MacDonald was united in marriage to Frank MacDonald, son of Mr. Joseph MacDonald of Crapaud. The church was decorated for the occasion by the bride's friends, and it presented a beautiful appearance as the bridal party entered the church to the strains of Tschengrin's wedding march, which was rendered by Miss Helen Reid. Rev. George Morris, pastor of the Church, performed the ceremony, the double ring service being used. The charming girl bride, who was given away by her father, was gowned in white satin and georgette crepe, embroidered with pearls, and wore the conventional wedding veil, with bouquet of pearls and caught with clusters of flowers. Her only jewelry was a necklace of pearls and diamonds, gift of the groom. The bridal bouquet was of white carnations and maiden hair fern. Mrs. Annie Lord Arnett, cousin of the bride was Matron of Honor, and wore maize georgette crepe, carrying a bouquet of purple sweet peas with maiden hair fern. The groom was supported by his cousin, Mr. Chester Shaw. The ushers were two uncles of the bride, Messrs. J. A. and Richard Lord. After the ceremony a reception was held at the home of the bride. Many beautiful and costly gifts were received testifying to the esteem in which both bride and groom are held. The Guardian joins, etc.

PURE RICH BLOOD PREVENTS DISEASE Bad blood—that is, blood that is impure or impoverished, thin and pale—is responsible for more ailments than anything else. It affects every organ and function. In some cases it causes catarrh; in others, dyspepsia; in others rheumatism; and in still others, weak, tired, languid feelings and worse troubles. It is responsible for run-down conditions, and is the most common cause of disease. Hood's Sarsaparilla is the greatest purifier and enricher of the blood the world has ever known. It has been wonderfully successful in removing scrofula and other humors, increasing the red-blood corpuscles, and building up the whole system. Get it today.

Still Another Briscoe Triumph the New and Exclusive 'Duplex Roadster' JUST note these graceful body lines—the creation of a past master in the art of body design. And note those double doors—no more crowding or squeezing through between the front seats. No climbing over front-seat passengers to get in or out. The new BRISCOE 'Duplex Roadster,' as its name implies, has a 4-passenger roadster body with a wide and roomy front seat running clear across, and double doors to permit of easy access to either front or rear compartments. The 105-inch wheel base, and the unusually roomy body for which all BRISCOE cars are noted, permit of this unique advantage of the BRISCOE 'Duplex Roadster.' BRISCOE \$1,250 FULLY EQUIPPED THE CAR WITH THE HALF MILLION DOLLAR MOTOR There is a delightful sense of freedom and independence in the possession of a BRISCOE. No need to depend upon street cars and cab drivers—no long and tiresome waits at the curb or on the street corner. Your BRISCOE, with its graceful, harmonious body lines, its roomy interior, its wide doors, and its powerful 'Half Million Dollar Motor' will take you anywhere speedily and in comfort. The 'Half Million Dollar Motor' cuts the cost of operation to a minimum, because it gets every possible ounce of explosive force out of the gas, and makes possible 30 to 35 miles to the gallon. The control is so simple that you can drive for hours without effort. You can change the gears with your finger tips, and the slightest pressure operates the clutch and brake pedals. The BRISCOE is equipped with every convenience you could wish for. As a matter of fact, its extra equipment would add \$200 to the price of the average light car at anywhere near its cost. Equipment includes: Electric Lighting and Starting System, Tilted Eye-Saver Windshield, Floating Type Rear Axle, Full Elliptic Springs front and rear, One-man Top, Crown Fenders, Speedometer, Extra Dismountable Rims, Tools and Repair Kit. The Price includes EVERYTHING—no 'extras' to buy. BRISCOE 4-passenger 'Duplex Roadster,' or 6-passenger Touring, 105-inch wheel base, standard model, with wooden wheels, f.o.b. Brockville, Ont.
