THE MARKETS

(Canadian Press) MONTREAL, Que., June 4.—Owing to it being a holiday "King's birthday" in Canada and England the export trade in grain here today was extremely dull. Trading in car lots of grain on spot was also of a limited character, but the tone of the market was steady. Prices for all grades of spring and winter wheat flour were well maintained under a moderate demand. Market for millfeed was quiet and prices were unchanged. The trade in standard grades of rolled oats was slow but values were steady. The trade in eggs was rather quiet owing to the fact that a number of wholesale and retail houses were closed, but the tone of the market was steady. In a wholesale way there was some business done in Ontario, extras at 33c per dozen in export cases, and at 31-2c per doz. in light cases. The market for potatoes was without any new feature to note, prices being steady under a moderate demand. The trade in imported beans was rather quiet, but prices were unchanged, with car lots of choice white handpicked and smaller quantities at \$4.10 per bushel, ex-store. The feature of the butter trade was the weaker feeling that developed and prices scored a decline of 1-4c per lb. which was attributed to the lull in the demand from the local buyer and the prospects of increased receipts in the near future. The sympathy with the strength that was displayed at the cheese boards in the country at the close of last week and the higher prices paid for the offerings in the undertone to the local market was strong and prices advanced 1-2c to 3-4c per lb. The receipts were 4,300.

Owing to the continued liberal offerings of potatoes from country shippers and the fair stocks on track here a weaker feeling developed and prices scored a decline 10 cents to 15 cents per bag. At this reduction there was a steady demand from local buyers for supplies to immediate wants and sales of car lots of Quebec varieties were made at 65 cents per bag of 90 lbs in bulk. New Brunswick green mountains at 70c to 75c per bag of 90 lbs in bulk and New Brunswick white potatoes at 75 cents per bag of 90 lbs in bulk, ex-track. There was no change in condition of the market for imported beans, prices being steady with a moderate amount of business passing in car lots of choice white hand-picked grades at \$3.90 per bushel ex-track and in broken lots at \$4 per bushel ex store. Owing to the continued liberal supplies of butter coming forward and the absence of any important demand at present, the weakness in the market was more pronounced and prices scored a further decline of 3-8 cents to 1-2 cents per lb. The volume of business was small, the demand being principally for broken lots to meet actual wants. The receipts were 126 packages. On the local curb market producers offered 1,500 packages of creamery butter for which 33 1-2 cents to 33-8 cents per lb. was paid for no. 1 pasteurized, 32 1-2 cents to 32 5-8 cents per lb. for no. 2, and 31 1-2 cents to 33 5-8 cents per lb. for no. 3 delivered here. The demand from English importers for cheese was somewhat disappointing at the advance in prices asked. In consequence the volume of business in this direction was smaller than generally expected but on the other there was a steady demand from spot buyers for supplies and a fair trade was done. The undertone to the market was firm. The receipts were 6,392 boxes. Offerings of cheese by factorymen on the local curb market amounted to 1,000 boxes and the selling prices for eastern no. 1 white and colored was 19 1-4 cents per lb.

Rovers Take Third Straight

Two free passes, three errors and a brace of singles in the fourth inning resulting in six runs were sufficient to give the Rovers a clear-cut victory over the Anchors in the fourth game of the City League on Monday evening. The score was 10-4. For the first few innings the game bore evidences of being a hard-fought encounter in which a single run might prove decisive, but in the latter half it developed into a free-hitting contest in which errors on both sides were numerous. The Rover infield performed brilliantly behind the steady pitching of Carbonell as long as the issue was doubtful but after the eventful fourth, the players became less careful and the errors more frequent. The whole Anchor line-up seemed off-colour during the encounter. McGuigan's brilliant infield catch was one of the features of the game but the team fielding was lamentably weak. Hobbs pitched the first three innings, but was replaced by Francis in the fourth when the cataclysm took place. Spurgeon Diamond handled the game satisfactorily with Fred Moore and Sugar Gordon on the bases. Following were the line-ups:

Britisher Beat American

(Canadian Press) LONDON, June 5.—Tommy Milligan, of Scotland, former British welterweight champion, tonight knocked out Maxie Rosenbloom, crack New York middleweight, in the ninth round. Rosenbloom claimed a foul as he sank, writhing on the canvas, but the referee ruled against him. The American had been leading on points. :An Oil that is Famous.—Though Canada was not the birthplace of Dr. Thomas' Electric Oil, it is the home of that famous compound. From here its good name was spread to Central and South America, the West Indies, Australia and New Zealand. That is far afield enough to attest its excellence, for in all these countries it is on sale and in demand.

In Memoriam

MR. JOHN EDWARD FORD

The citizens of Charlottetown and surrounding districts, were greatly shocked on Saturday, May 19th, 1928 to learn of the death of John Edward Ford, which occurred at his home 93 Elm Avenue. The late Mr. Ford was a man of sterling qualities and beloved by all who had the pleasure of knowing him. He always enjoyed robust health until a year ago when he was stricken with paralysis from which he never recovered. His death came as a severe shock to everybody. He was attended during his illness by his wife and family, who did all possible to stay the hand of death, but all to no avail and his spirit passed on to God who gave it. He was a loving husband and father charitable in thought and was ever ready to extend a helping hand to those in need. His death at the age of 58 years and 7 months removes one whose memory will long be cherished by his family. He leaves to mourn, besides his grief stricken mother and wife, three sisters; James sons and two daughters, James and Archie residing in the city, Ernest, Louise and Leona at home. The sisters, Mrs. Daniel McCullum, Mrs. Charles Williams, Mrs. Herbert Johnston all of this city. The funeral services were conducted by Rev. Ross C. Eaton, pastor of Baptist Church and were largely attended and the remains were laid to rest in the Fair View Baptist Cemetery, Rustico Road. The pallbearers were Hammond Ford, Christopher Ford, Angus McInnis, Henry McInnis, Johnnie Duffy, Angus McLeod. The floral tributes were very beautiful and included a crescent from the family.
