PALMER-LORD.

St. Paul's Church, this city, was the scene of a quiet but very pretty wedding at 8 o'clock last evening when Mrs. Ruby Beatrice Lord, daughter of Mrs. T. Sutton of Melbourne, Australia, became the wife of Lieutenant Phillip E. Palmer, son of Mr. H. J. Palmer of this city. Rev. H. D. Raymond, rector of St. Paul's officiated and Miss Lillian Earle was the organist for the occasion. The couple were unattended, the bride being given away by Mr. W. W. Clark. She looked very charming wearing a navy blue suit with fur trimming. The ushers were Messrs Fred Cox and Harold Palmer. The ceremony took place in the presence of a large congregation. The invited guests consisted only of the immediate relatives and friends. The church was very prettily decorated with sweet peas by the girl friends of the young couple. After the ceremony the bridal party motored to the home of Mrs. Lord, Brighton, where a reception was held. They leave this morning on a wedding trip to Halifax and Montreal. Many beautiful presents were received including a silver tea service from the staff of the Fisheries Department where the bride held an important position, and from the Department of Soldiers' Civil Re-Establishment, the groom being in charge of the vocational branch. The popular young couple have the best wishes of a host of friends.

His Wife--And The Other Woman

The things that meant everything to Clayton Spencer, meant nothing to his wife. She sneered at his ideals, made light of his work, mocked his quiet simplicity and raked his sensitive soul with her cheap escapades. Was he wrong in turning to the woman who really loved him with her whole heart? Was he to be blamed for seeking the sympathy his wife denied him? Every man and every woman will want to see this great picture.

Growing Old Together

THIS aged couple, mellowed by time and the experiences of life, are happily growing old together.

They are happy because they are healthy. Life is still full of interest to them, and they are wide awake to new ideas.

These are the kind of old people that everybody likes. For, in spite of the years, they are cheerful and optimistic.

It is only natural that the blood should get thin and vitality wane as age advances, but there are ways of keeping up the quality of the blood and maintaining health and vigor.

Very many men and women have found in Dr. Chase's Nerve Food exactly what they need to restore energy and strength and keep them healthy and happy.

As an example Mr. Stephen J. Leard, North Tryon, P.E.I., writes: "At seventy-five years of age my heart gave out and became very irregular and weak in action and would palpitate. My nerves also became weak, and I could do nothing but lie in bed in a languishing condition, losing strength and weight. In that condition I began using Dr. Chase's Nerve Food, and am cured. Had I not obtained this treatment I would now be in the box with the roof over my nose. At eighty-one I have an energy which means go, and I am writing this letter so that old people like myself may prolong their health and strength by using this great medicine."

There can be no doubt that this treatment contained exactly what was required to build up Mr. Leard's system.

We are constantly receiving so many letters of this kind that we can, with the greatest confidence, recommend people of advanced years to put Dr. Chase's Nerve Food on trial, as a means of restoring and maintaining health and vigor.

Here is another interesting letter. This time from a lady:

Mrs. Joseph Lalonde, Hydro Glen, Ont., writes: "I have to thank you very much for what your medicines have done for me, especially the Nerve Food and Kidney-Liver Pills. I was so run down and nervous last summer that I was in bed most of the time, unable to do any work. I have also been troubled with my kidneys for over twenty years, and tried every doctor I knew of without any permanent results, but I can say that Dr. Chase's Nerve Food and Kidney-Liver Pills have made me feel quite different. Since taking this combined treatment I have been able to do my housework, and although I am now 78 years old, I feel better than I have for years."

"I know Mrs. Joseph Lalonde, and believe her statement regarding Dr. Chase's medicines to be true."—W. F. Flannery, Postmaster.
