NICHOLSON'S FOX HEALTH

"Nicholson's Fox-Health," like every other meritorious article, has a sane reason in back of its use and we would like to explain the grand benefits, which is bound to result from a treatment with this famous preparation.

"Nicholson's Fox-Health," energizes the alimentary tract, both stomach and intestines. It secures the natural activity of both and it procures a normal flow of digestive fluids. The nourishment carried by the blood to the different organs is of the best quality and the different functions thereby profit by it to the greatest possible extent. The full natural endowment of flesh, strength, and healthy vigor is given the fox and she will raise stronger, healthier pups. The digestive organs are the electric power of the entire system. When they are put in condition to do their work properly, the Fox is bound to enjoy the above condition. Another great feature of "Nicholson's Fox-Health" is its absolute freedom from poisonous, reactive drugs, and the grand results received from each treatment are lasting and you can depend upon them staying in vogue, without any fear of a reaction, which usually occurs when an illogically prepared conditioner is used.

Price 3 lb. package, \$1.50; 6 lbs. \$2.75; 9 lbs. \$3.75. Delivered. (This powder is put up fresh as ordered.)

STUDY GROUP MEETING—A study group meeting was held in Eton School on Thursday afternoon, Mar. 27th. Inspector MacPhee was present and dealt with the subject "Reading." He gave the teachers many useful hints in the teaching of primary and silent reading.

ISLANDER IN CHARGE—The Brookfield Creameries, Ltd., took control of the dairy business of Eiden's Ltd., in Amherst, Wednesday morning, and in future the local concern will be known as the Amherst creamery, Ltd. R. B. McLennan, of Truro, president of the Brookfield Creameries, arrived in town today and acquainted himself with the employees and equipment of the Amherst plant. During the week he expects his son, Charles McLennan, to accept the temporary management of the Amherst industry. The permanent position will be taken by Lee Gamble, of Summerside, who now has charge of a creamery in Prince Edward Island. Mr. Gamble will take over control this month.—St. John Telegraph Journal.

INSTITUTE MEETING—The March meeting of Pleasant Circle Institute met at the home of Mrs. George MacKay on Thursday, 13th. Meeting opened by singing it is a good time to get acquainted, and Institute Ode. Ten members responded to roll call. There were four visitors present. Minutes of previous meeting were read and adopted. Different committees then gave their reports. A letter was read pertaining to the Sanatorium, and after some discussion it was decided to write for more specific directions. It was moved and seconded that Mrs. E. Cameron and Miss Maysie Cameron be the pricing committee. Receipts for the evening, \$5.15. Next meeting is to be at the school, roll call to be answered with a silver collection. Meeting closed with Island hymn. The gentlemen were then invited to take part in the following program: Choruses, piano selections and contests. Singing of National Anthem brought a very enjoyable evening to a close.

Infant Mortality

Thirty Babies Lost Their Lives

Many could have been saved

When we read of thirty babies dying in twelve hours, we are forced to think, "Why cannot something be done?"

When we realize that not only thirty babies died, but that every twelve hours during 1928, Canada lost thirty infants under one year of age, a total loss 21,195 lives, we ask ourselves, "Why did they die? Could they have been saved?"

Why did they die?

Some of the chief causes of these deaths, according to the Dominion Bureau of Statistics, are: Premature

Births and Injuries at Birth—5,586; Diarrhoea, Dystentery and Diseases of the Stomach—4,144; Congenital Malformations and Disabilities—3,834; Bronchitis and Pneumonia—2,334; and other Communicable Diseases—1,450.

Could they have been saved?

Lack of knowledge, or ignorance, definitely contributed to the death of 50% of these children; this ignorance was evidenced by the lack of ante-natal service, lack of satisfactory medical and nursing care at the time of, and following birth, and by artificial feeding, etc.

In co-operation with the Federal and Provincial Departments of Health the Canadian Council on Child Wel-

fare is making an effort to try to reduce this tremendous loss of life in Canada. A series of pre-natal and post-natal letters, the latter covering the first year of the baby's life, and including habit training may be secured in French and English, free of charge, by writing the Provincial Department of Health, or the Child Hygiene Section of the Canadian Council on Child Welfare, 408 Plaza Bldg., Ottawa, Ont.

Prepared by the Child Hygiene Section, Canadian Council on Child Welfare. Section operated from funds supplied by The Canadian Life Insurance Officers Association.

IN MEMORIAM

MICHAEL J. FEEHAN

It is with deep regret we chronicle today the death of Michael J. at his home in St. Andrews, on Thursday morning, March 6th., at the advanced age of 82 years.

Deceased had been in his usual good health until one week previous to his death when he was stricken with pneumonia. Despite medical skill and tender nursing his spirit passed to Him who gave it.

He was the soul of honesty and integrity always taking a deep interest in everything that was for the advancement of church and state. He was of a kind and genial nature and in the home was always noted for his generous hospitality where everyone was assured of a hearty welcome.

For many years he carried on an extensive business in the lobster packing industry and made many firm friends throughout the country. He was visited during his illness by his pastor Rev. A. P. McLellan and died fortified by the rites of the Catholic Church of which he was a consistent member.

His funeral to St. Andrews on Saturday morning, March 8th., was very largely attended where a solemn High Mass of Requiem was celebrated for the repose of his soul. His pall bearers were: Wallace McIntyre, A. J. McKay, Fred Egan, Alan Morrison and James McIntyre. He leaves to mourn his loss and cherish his memory four sons and four daughters namely, Frank on the homestead, Joseph, in U. S. A., John at Mt. Stewart and Bernice, at Pt. de Roche, Sadie (Mrs. J. A. McDonald) at Scotchfort, Vinie (Mrs. Frank Kelly) at Morell, Addie (Mrs. Urban McDonald) at Mt. Stewart and Elsie, in Boston, also thirty-two grand children. His wife predeceased him some years ago.

Mass cards were received from the following: Mr. and Mrs. John Feehan, Mt. Stewart, Genevieve, Loyal and Dannie Feehan, Mr. and Mrs. Frank Feehan, Mr. and Mrs. Bernice Feehan, Pt. de Roche, Mr. and Mrs. Frank Kelly, Morell, Mr. and Mrs. J. A. McDonald, Scotchfort, Mr. and Mrs. Urban McDonald, Mt. Stewart, Miss Elsie Feehan, Boston, Mass., Miss Maude McCormack, Pt. de Roche, Miss Annie O'Hanley, Mt. Stewart, Mr. and Mrs. Temple Murphy, French Village, C. J. McInnis and mother, French Village, Raymond Doyle and mother, French Village, Dr. and Mrs. Walsh, Mt. Stewart, Mr. and Mrs. A. J. Grant, Mt. Stewart, Mr. and Mrs. Lou Kelly, Morell.

Spiritual Offerings: Mr. and Mrs. William Jay, Charlottetown, Miss Carrie Grant, Charlottetown.

Letters of Sympathy: Rev. R. McInnis, S. J., Weston, Mass., Miss Nellie McNamara, Boston, Mass.

CLAIM TO "MAKE" GOLD

PARIS, April 3.—(British United Press)—The claim of the Academy of Science has been disturbed by the reading by M. Deslandres, of a remarkable paper by Madame Marcioanu, a Roumanian scientist. Madame Marcioanu had already attracted the attention of the academy by her researches, and the story of her claim to have solved the problem of transmuting common metals into pure gold was awaited with considerable curiosity.

IMPERIAL COD OIL AND DOG BISCUIT

IMPERIAL

Their Choice

A BALANCED RATION

"Best and Most Outstanding"

The Manager of one of the foremost Upper Canadian ranches writes us as follows:

"We would not think of using any other biscuit but IMPERIAL as we consider it the BEST AND MOST OUTSTANDING biscuit on the market today."

This is the consensus of opinion of our leading Canadian Fox Ranchers and accounts for the National use of IMPERIALS as an all-the-year-round Fox Food.

The cost of food is so small compared with the value of the Silver Foxes that ranchers consider it only a matter of good business common sense to feed the best which is always the most economical.

Do not experiment with cheaper foods. Feed IMPERIALS and get the best results in healthy foxes with highest quality pelts.

For sale by leading distributors or direct from the factory.
