VICTORIA THE VILLAGE BY THE SEA

Mrs. Eddie Morrison has returned home to Victoria after a very pleasant stay of two weeks in Charlottetown.

Miss Olive Holm, nurses' aid at the Provincial Sanatorium, Charlottetown, is spending her vacation very pleasantly with relatives and friends in Victoria.

Mrs. Herbert Gill and two young children, Carol Anne and Roger, Victoria, have returned home after a pleasant visit with Mr. Gill's parents, Mr. and Mrs. Richard Smith, Pleasant Valley.

Mrs. Evan Wright and young son Robert, of Victoria, spent a pleasant weekend in Kingston recently, guests of Mrs. Wright's sister-in-law, Mrs. William Younker, Mr. Younker and family.

Mrs. Norman Gray and young son Jeffrey are visiting in Victoria, guests of Mr. and Mrs. S. J. Dunsford, Bank of Nova Scotia. Mrs. Gray's husband is doing Government survey work at Murray Harbour.

Mr. and Mrs. Charles Doull and son Edgar, Charlottetown, were visitors to Victoria recently. Accompanied by Mr. Miner MacNevin they also visited in Argyle Shore and Desable, being guests at the home of Mr. and Mrs. Hector MacKay.

Mrs. Ab Clark, Victoria, is at present a patient in the Prince Edward Island Hospital, Charlottetown. Her many friends here look forward to hearing of an improvement in her condition ere long. Her daughter, Mrs. Earl Lord is staying in town while her mother is at the hospital.

Rural electrification, the next all important subject, is the "talk of the day" as a rule, for with the power line coming through from Charlottetown at an early date many of the farm folk along the country highway will be able to keep right up with their city cousins and enjoy the luxuries of well lighted homes and outbuildings as well as having many of the other electric appliances which prove such a boon to busy housewives. A number of houses have already been wired in readiness for the "hook-up."

A sign of impending prosperity is the fact that two new modern dwellings or bungalows are being built in the neat little village of Hampton, one by Mr. Earle Callbeck, egg grader with Morrison & Co., and the other by Mr. John H. Myers. On the Rectory grounds at St. John's Anglican Church, Crapaud, the foundation has been set and a frame soon to be erected for a new Rectory on a smaller scale and much more modern style of building than the old Rectory which will now be used for a Youth Center. In Victoria Mr. Stanley Stewart has begun digging a cellar and making preparations for a foundation upon which to build an up-to-date residence in early spring. So along with all the other forms of re-modelling and re-decorating of farm houses and buildings in Victoria and other prosperous localities adjoining, we should soon have a section of the Island hard to beat anywhere.

A number from Victoria and adjoining localities attended the roll call service at the Tryon Baptist Church on Sunday afternoon, October 26th, which was well attended. The Rev. C. A. Hicks, pastor of the Church presided, the guest speaker being Rev. James D. Davison, B.A., B.D., pastor of the Baptist Church, Charlottetown. The subject of his sermon, "What Meaneth Baptist Baptism" was dealt with in an able and inspiring manner and listened to by an appreciative audience. The mindedness of the speaker in handling this subject was most noticeable and no doubt much enjoyed by the large number of devoted Baptists present, as well as members and adherents of the other denominations round and about who were privileged to gather at this lovely country church on a glorious October afternoon to worship and hear the Word of God expounded by this gifted speaker. The organist was Mrs. Flora Clark and there was special music for the service.

An organization meeting of a Young People's Union was held in the Hall here on Friday evening, Oct. 24th. There was a large attendance of enthusiastic people present. The Rev. T. A. Head, pastor of the United Church, was chairman. The meeting opened by singing "Faith of Our Fathers," and "Leaning on the Everlasting Arms," followed by Scripture reading and prayer by Mr. Head. The following officers were elected: President, Miss Prada Howatt; vice president, Miss Christine MacLeod; secretary, Miss Annie MacDougall; assistant secretary, Mr. John Knox; press reporter, Miss F. Inman; Christian Fellowship convener, Mr. Evan Wright; missions, Mrs. Keith Myers; citizenship, Mrs. John Knox; culture, Mrs. Donald MacLeod. A few discussions took place as to night meeting, etc. It was decided to meet in the Institute room in the Hall on Friday evening of each week at 8 o'clock, also to charge a small joining fee to help defray the expenses of light and heat and to take up a collection at each meeting to carry on the work of the Society. It was also decided to hold a social evening once a month, lunch to be provided by an appointed committee. At the close of the meeting a delightful social hour was spent, the young folks enjoying themselves to the utmost in playing games, after

Mr. Peter Gallant was re-elected on the Credit Committee. A special feature of the evening was the presentation of a lovely Pen and Pencil set to the Treasurer, who kindly thanked the members for their thoughtfulness. After the business of the meeting was transacted, Mr. Peter Robinson gave some valuable advice.

Mr. J. G. Dennis, Managing Director of the Prince Edward Island Credit Union League complimented the officers on their work, and outlined in details the Share and Loan Department.

A vote of thanks was moved and extended to Father Robin and Mr. Dennis. The meeting adjourned by the singing of the National Anthem.

Lunch was served to all present, which several of the ladies present served delicious refreshments. The Society now being organized and having gotten away to a good start, we trust the meetings will prove interesting in every way and that much spiritual as well as material benefit may be derived from these weekly meetings. It should add much to the social life of the young folks of the village and older ones as well, to enjoy the privilege of attending these meetings with good leadership, so now let's all "pull together" and make this coming winter one of the best ever in "The Village by the Sea."

JINKED COLLIER SAILS AT LAST

NANAIMO, B. C., Oct. 30 — (CP) — Port authorities here sighed with relief when the United States Liberty freighter Florence Crittendon finally got away from here with 10,000 tons of coal for Eire. She was delayed when: A crew member became ill and had to be removed to Seattle. The wireless operator was stricken and had to be taken ashore. A new third engineer reported rather the worse for wear and struck Capt. Abram Dean, who withdrew prosecution rather than further delay departure. She cleared port only to be towed back three hours later because of an engine-room breakdown. She's on her way now while officials keep their fingers crossed.
