

BATHURST ELIMINATED 8 TO 2

Abegweits No Match For Moose Jaw

Abegweits Lose To Tigers 8-2

Moose Jaw Tigers defeated Abegweits last night at the Arena 8 to 2 in a more or less listless exhibition of the national pastime.

From the opening whistle in the first period till the final gong it was only a question of how many goals would the visitors emerge victorious.

Eight to two does not by any means tell the story of the game by periods; Tigers adopting an airtight defence supplemented by a fast and hard checking front line had it over the local pucksters resembling the proverbial circus tent. There was nothing to it from start to finish but a general parade toward the red and black scoring zone with McEwen in the Ablett citadel working high and handsome in the last two periods to stem an overwhelming defeat.

Last night's game was rather mediocre so far as hockey and all the thrills that goes with it is concerned; there were no scintillating plays and little or no checking on the respective defences; Tigers took it easy—and the game went the same way.

The first period ended 3 to nothing; the second 5 to 2; the Abegweits scoring their counters perhaps, on the best plays of the evening, Gordon, Spillet and Earle Prowse, the predominating factors on the counts.

In the third session, the yellow and black rubber hunters opened fast on the whistle to score two goals in one minute of play and ten minutes later made it 8 to 2 without a semblance of a hope for Abegweits to make a fifty-fifty showing in the remaining minutes of hockey.

Only two penalties were handed out last night, said misdemeanors being awarded to Tigers, two players being "chased" for tripping.

Following are the lineups:
Abegweits—McEwen, goal; Spillet, McLellan, Acorn, defence; Prowse, Gordon, Saunders, Nicholson, Blanchard, forwards.

Moose Jaw—Thompson, goal; Sanders, Belicom, Norman, defence; N. Cooke, Robertson, Cousins, McMillan, McPhee, Fauland, R. Cooke, forwards.

Baseball's 'Submarine'!

By QUIN HALL
Copyright, 1929, King Features Syndicate, Inc. Great Britain rights reserved.

When it comes to gambling on baseball talent John McGraw, of the New York Giants, is probably as nifty a chance taker as any manager in the big leagues.

McGraw isn't always right. The fellows who don't like the white-thatched pilot of the New York club will tell you that "Mac" has let loose talent which, gathered together on one team, would win a flag in the National League—or the American either, for that matter. That may be true. There are a whole lot of ex-Giants who are doing fairly well on other teams; but, even in the face of that, McGraw's Giants seem to be doing fairly well and they are already rated high in the coming season's possibilities as pennant winners.

McGraw is reputed to be a past master at patching up broken-down pitchers and his most recent effort along this line concerns the signing of Carl Mays, the "submarine ball" flinger who was unconditionally released by the Cincinnati Reds last season. Since Mays is no longer a spring chicken and spent most of his time last Summer on the Red's bench, many fans were nonplussed at the announcement that Carl had been signed by McGraw.

But McGraw is smart. He doesn't pose as a philanthropist though willing to do a little gambling when it comes to baseball players. The New York pilot knew that Mays was suffering from neuritis and that his arm did not go back on him as a result of a pitching injury. He gambled that Florida sunshine and treatment would bring Mays back into the limelight as an effective twirler. He took the chance and from present reports Mays will be able to take his turn on the mound for the Giants this Summer.

In signing Mays, McGraw probably remembered the case of Arthur Nehf, who was a failure for two years because of an attack of neuritis; and who came back last year to take his place among the leading flingers in the National League.

In the face of troubles and accidents which have beset his career, Mays has shown an admirable spirit. While pitching for the New York Yankees some years ago in a game against Cleveland he delivered a wild pitch that struck Ray Chapman, Cleveland shortstop, on the temple, resulting in a fatal injury. Mays was exonerated from the blame, but there is little doubt that worry served to diminish his effectiveness.

It was Mays, too, who dragged the American League into court back in 1920. Famous as a star pitcher for the Boston Red Sox, Mays suddenly deserted that team during the Summer. He was indefinitely suspended. Before he was reinstated he was sold to the New York Yankees. Under the circumstances, former President Ban Johnson refused to confirm the deal and declared the pitcher ineligible. The Yankees obtained an injunction from a New York Supreme Court judge, which restrained Johnson from interfering with the appearance of the pitcher in a New York uniform.

The 1926 season was one of Mays' best. That was the year the Reds were nosed out of the pennant by the Cardinals in the last week of the season. Carl had been stricken with illness ten days before the finish.

McGraw hopes that Mays will be as effective this year as he was in 1926.

ALBERTON WON MACLEAN CUP BY 8 GOALS TO 4

Cup Presented by H. M. Downing, President of League at Conclusion of Game.

Over 300 very enthusiastic fans, a hundred or more of whom came up by the special from Borden on Thursday night, witnessed one of the fastest and most exciting games of hockey played in the Crystal Rink, Summerside, this season. It was the final playoff in the Prince County Intermediate League for the handsome MacLean Trophy, between the Cape Traverse and Alberton teams.

The latter started with a lead of two goals from the previous playoff at Alberton, to which they added a further lead of two on Thursday night, thus winning the championship of Prince County and the cup by a total score of 8-4.

Although it is conceded that the better team won out, the play in the final bout was fast and even from start to finish.

In the first period six minutes elapsed before the first score, made by Jeffrey for Alberton, followed in less than a minute by another by O'Brien. After fourteen minutes of play Oulton made the third and last tally of the session for the visitors. Play was mostly around the Alberton net, but the Cape Traverse boys did poor shooting. Paquette especially had a number of chances to score, but his shooting was erratic. Score 3-1 in favor of Alberton.

In the second period, seven minutes from the faceoff Paquette got the first one home for Cape Traverse and repeated just seven minutes later. The Alberton goalie stopped a number of hot shots but without success. Score 3-2.

In the final period C. Howatt, four minutes from the faceoff, brought the score to 3-3 with a fine shot after running over half way down the rink. Then the game warmed right and play was of the liveliest description for the next ten minutes, when O'Brien off a solo run landed a hot one in the Cape Traverse net, followed shortly after by a tally for Larkin on a pass from O'Brien. There was no further scoring and the game ended 5-3 in Alberton's favor.

The lineup:
Cape Traverse—Waddell, goal; Mulligan, McPherson, defence; B. Howatt, Paquette, F. Howatt, C. McWilliams, W. McWilliams, Clark, forwards.

Alberton—Melvin, goal; Millman, K. Profit, defence; O'Brien, Larkin, H. Jeffrey, Oulton, A. Jeffrey, A. Profit, forwards.

The game was refereed by Messrs F. McFarlane and Ralph Silliphant.

The presentation of the MacLean Trophy was then made on the ice to the winning team by Mr. H. M. Downing, President of the Prince County Intermediate Hockey League.

Mr. Downing read a telegram from Mr. A. E. MacLean, M. P., asking him to present the cup on his behalf and to heartily congratulate the winners and also to extend to each and every team taking part in the elimination games his appreciation of the way in which they have carried out the series.

Addressing Mr. Profit, captain of the winning team, Mr. Downing said in brief: "I have the honour of presenting you with the A. E. MacLean Cup, emblematic of the Intermediate hockey championship of Prince County. Kindly accept the hearty congratulations of your executive, together with those of Mr. A. E. MacLean, M. P., who donated this very beautiful challenge trophy to be competed for annually by the Intermediate Hockey League teams." Three hearty cheers were then given for Mr. A. E. MacLean, M. P.—8

Frenchmen Win Eastern Series

"Papermakers" No Match For Fast Quebec Aggregation—Take Two Game Clash 8-2.

(Canadian Press)

HALIFAX, March 15—St. Francis Xavier hockeyists defeated the Maritime champions, Bathurst Papermakers, here tonight by a 5 to 2 score in the second game of the Eastern Canada Allan Cup playdowns. The Montreal Frenchmen captured the series by an 8 to 2 score, having defeated Bathurst here Wednesday night by 3-0.

Tonight's game was much better than Wednesday's affair, the Bathurst boys setting a fast pace and keeping the Montrealers on the defensive a great deal of the time.

Superior teamwork won for the Montrealers tonight, as the Frenchmen waited for chances to break away from their blue line. They scored four of their goals by this method, while Baril caged the fifth score on a brilliant individual effort.

Showing wonderful bursts of speed, the Papermakers outsped the Montrealers throughout, but sheer speed alone was not enough to down the French stars. The Frenchmen teamed up well and Bond, Bathurst goalie, made many brilliant stops from shots in close on the cage. Bathurst shot the first score and for a while had the visitors on the run, but the experience and teamwork of the Montrealers soon told, and the Montrealers went ahead to stay.

Thirteen penalties were handed out, the game being rather hectic stages. Victor Wagner, of Ottawa, handled the whistle.

Kenny Carroll shot the first goal eight minutes bringing the rubber from behind the Montreal cage. Two minutes later Lapointe carried the rubber length of the ice and Ahearn in to catch his pass at the goal mouth two minutes before the period. Baril went through the Bathurst fence. He was checked but fell the rubber into the cords and sprawled on the ice.

Lapointe collected a short rebound of Brune's shot after six minutes, the second period, after the Montrealers had sped through the entire Bathurst net. Six minutes later Baril again carried the rubber the length of the ice and flipped a place Pedesault for a fine score. The lead ended 4-1.

Kenny Carroll shot Bathurst's only goal of the night after four minutes of the final session, scoring a play similar to that one which tallied in the first period. Pedesault broke through the Bathurst boys' defence and flipped a pass to Ahearn near the Bathurst goal mouth the concluding score of the game.

Five Classes For Today's Horse Races

- Following are the classes listed for the big meet scheduled to take place on the harbor this afternoon.
- One glimpse over the personnel of this roster appended below, is enough in itself to insure the most sanguine or blasé, red hot racing and blanket finishes.
- CLASS B TROT**
Bonnie Brook
Devonport Prince
Mary Volo
Grace Forbes.
 - CLASS B PACE**
Colorado P.
Worthy Set
Tommy M.
 - CLASS C TROT**
Dapper Don
The Allie
Ever Ready
Marjory Dillon.
 - CLASS A TROT**
Peter Verde
Briar Mack
Captain Jackson.
 - CLASS A PACE**
Jessica the Great
Colorado Mac
Dorothy E.

BRUINS ARE OFFER FOR STILL AFTER JAMES FROM COLLEGE MEN CANADIENS

BOSTON, March 15—Pursuant to the announced intention of having an "all-college" sextet available next season, the Bruins are making overtures to "Bobby" Giddens of Ottawa, star forward on the Harvard team. While no definite offer has been made to Giddens, and probably will not be at least until the end of the college season, it is known that owners of the Bruins are "sweet" on Giddens, who is one of the best collegiate players of the season.

RANGERS WIN SECOND PLACE

NEW YORK, March 15—The Chicago Black Hawks, tall-enders of the National Hockey League, put a successful end on a poor season here tonight by holding the world's champion New York Rangers to a 1 to 1 tie. The Hawks outplayed the Rangers most of the time, but could not score after the first five minutes.

Earl Miller, speedy Chicago wing man, put the cellar champions ahead early in the first period, coming from behind the goal to catch Rosen asleep. He faked a pass out, then slipped the puck into one corner while the Ranger goalie was looking for a play at the other side. Another brilliant individual play by Murray Murdoch, of the Rangers, tied the score near the end of the second frame. He broke through the Chicago defence, feinted Gardner out of the net and put in an easy shot.

MAGEE DIES

PHILADELPHIA, March 15—The death of Sherwood Magee, an umpire in the National League and for many years a member of the Philadelphia Nationals, marks the passing of one of baseball's most colorful figures. Stricken with pneumonia at his home here just a week ago, death occurred last night. He was 44, and is survived by a widow and three children.

CURLING CHALLENGE

In view of Mr. J. H. Prichard's rink being the winners of the Secretary's prize, which was played off last Saturday evening, a challenge was issued to play Mr. Prichard's rink.

The challenging rink was selected by Mr. W. Arthur Allen, the losers to entertain the rinks to an oyster supper at the Capital Tea Rooms. The game was played on Wednesday evening in the Curling Rink, Summerside, and caused a good deal of excitement, with plenty of thrills, from the opening bell to the finish, which ended with a decided victory for the President's rink, as the score denotes. The score was as follows:

R. E. Ellis	G. A. Calbeck
F. A. Johnston	Thane Campbell
E. Harris	W. A. Stewart
J. H. Prichard	H. T. Begg
Skip—5	Skip—25

Havana, Cuba, plans to build a stadium, capable of seating more than 25,000 people, in which will be held the Central American Olympic games next year.

AT THE L.O.C.

LADIES BOWLING

On Wednesday night, Mar. 13th the Ramonas met and defeated the Erius by 209 pins. H. McMillan rolled high single of 166 pins and F. Flynn high three of 394. Following is the line up:

RAMONAS	
A. Duffy	127 92 103
F. Flynn	112 141 141
A. Higgins	102 88 92
H. McMillan	110 68 166
Total	451 389 502
Total	1342
ERIUS	
G. Keenan	108 128 99
F. Hogan	68 91 101
R. McFarlane	77 84 101
R. Francis	94 66 106
Total	347 379 407
Total	1133

Beginning with 28 acres in an experimental tract in 1924, New Zealand today has 1,000 acres devoted to tobacco, and expects that within five years it will grow enough of the weed to supply all local users.

D.R.A. MEET IN AUGUST

OTTAWA, March 15—The D. R. A. annual prize meeting of the Dominion of Canada Rifle Association will be held this year, during the week of August 12. The dates for this historic event, which attracts marksmen of all provinces to the Connaught Rifle Ranges just outside the capital, were decided by the executive following the annual meeting of the association here.

PORAT AND RISKO SIGNED

CHICAGO, Mar. 15—Otto Von Porat, conqueror of Tom Heeney today signed for a 10-round bout with Johnny Risko, the Cleveland "Baker Boy," at Boston, April 6, in further quest for the heavyweight boxing title.

Women live longer than men, recent statistics showing that for every three men aged between 75 and 85 there are four women, while for every four men over 85 there are seven women.

ANTIS WIN COLLEGIATE HOCKEY HONORS

(Canadian Press)

FREDERICTON, Mar. 15—St. Francis Xavier University of Antigonish, winners of the eastern section, tied University of New Brunswick, winners of the western section 4-4 here tonight and won the triumph for the Maritime Intercollegiate hockey title ten to five.

HAGEN WINS

MIAMI, Fla., March 15—Walter Hagen, paired with Leo Diegel, won the annual international four-ball match golf tournament, defeating Gene Sarazen and Johnny Farrell, defending champions, one up.

Y's Men's Club Weekly Meeting

The regular weekly meeting of the Charlottetown Y's men's club was held in the Y. M. C. A. at 6 p. m. Thursday evening. Dr. C. C. Archibald occupied the chair. After supper some items of business were dealt with including the voting on new members.

Mr. Claire Campbell of Charlottetown was the speaker of the evening and chose as his subject "The Natural Resources of Western Canada."

Mr. Campbell explained for the benefit of the club what was meant by this title, the subject being one much before the public at present.

Prior to 1870 these natural resources in the form of lands were controlled by the Hudson Bay Co. by charter from the crown, and were known as Prince Rupert's Land. In 1870 however this territory was taken over by the Canadian Government for the sum of 11-2 million dollars a portion formed into the Province of Manitoba, then dubbed "The Postage Stamp Province." In 1896 Alberta and Saskatchewan were formed. A grant of 250 million acres was given to Ontario and Quebec. Under the provisions of the Dominion Lands Act of 1907 two sections of each township were set aside as public lands the revenue to be used for educational purposes. This made million acres valued at 200 million dollars as a source of revenue. In March, 1927 25 million dollars had been received by the Dominion Government. Contrasting the lot these provinces with that of P. E. I. which 100 years before its entry into Confederation was divided into by the British Government and lots given to persons who had claimed against the crown. These lands were bought back by the Province and later privately obtaining 2-3 of land bought the remaining 1-5 a cost of \$800,000 borrowed from Dominion Government. This was resold to the tenants at a cost of \$200,000. A subsidy of \$45,000 lieu of public lands was granted Province from which the interest on the loan was to be deducted leaving a balance of \$5,000.

In 1807 Manitoba had no public lands, in 1882 they received a subsidy of \$45,000, in 1885 that was increased to \$100,000. While the population was less than that of P. E. I. today Manitoba receives a subsidy of half a million dollars. All public lands of the West Provinces with the exception of B. are administered by the Dominion Government.

Now the Western Provinces want to control their public land, and their subsidy and revenue.

The hearty applause of the members testified to the interest taken the speaker and his subject.

Archibald thanked the speaker. A further item of business the chairman of the Ladies Night committee announced that next Thursday would be Ladies' Night and invited the club that the programme was most interesting one.

No further business offering meeting closed with The King.
