A PRESENTATION AT PENTICTON

The following is taken from the Penticton, B. C., "Herald" of April 25th. Mr. Miller referred to is a son of the late Principal Miller, of Charlottetown.

An interesting ceremony took place at the final practice of the Penticton Choral Society in the Ellis school assembly hall last Thursday, when Hon. Pres. J. A. Cleland read an address to Conductor L. J. Miller and signed by the members of the club, expressing their gratitude and appreciation for the earnest and whole-hearted manner in which he had conducted the affairs of the society during the present season.

Mrs. H. Keddell then presented Mr. Miller with a silver-mounted ebony baton on behalf of the members. The leader replied feelingly and expressed his appreciation of the spirit of good fellowship which had prompted the presentation.

There is every prospect of a crowded hall to-night for the second annual concert of the Choral Club, as most of the members report a fair number of tickets.

Following was the address read to Mr. Miller:

Penticton, B. C., April 25, 1918.

To Mr. L. J. Miller, Dear Mr. Miller,—We, the members of the Penticton Choral Society, wish to express our deep sense of obligation to you for the valuable service which you have so graciously and generously rendered as our conductor. To you the society owes the inspiration for its existence and through your enthusiasm and devotion to the art, you have stimulated and fostered the love of good music in this community. We feel that whatever progress we have made is to be attributed greatly to your clearly-marked ability. Your patience and kindness have been unfailing, and we shall never remember the pleasant and profitable evenings we have spent together under your direction.

We wish you to accept this Conductors Baton as a slight evidence of our esteem and grateful appreciation. Signed by members of Choral Society.

and Mrs. Hinton in the near future for Halifax where the Professor will do social work among the soldiers. Both in social and musical circles. Prof. and Mrs. Hinton have been prominent favorites and always willing to lend their talents to every good cause. They will be followed to their new home with sincerest good wishes.

The big event of the week, in which everyone tried to do their share, was the Red Triangle Campaign which is being made an unprecedented success all over the Province.

Captain and Mrs. W. T. Herridge,

who recently returned from England, are at present the guests of the latter's parents, Mr. and Mrs. A. W. Fleck in Ottawa. Captain Herridge, who has friends and relatives in this city expects to return again to the front, but Mrs. Herridge will remain at home for the summer.

"Mrs. Wiggs of the Cabbage Patch" was written in a half-used business ledger and then copied with two fingers on the typewriter by the author, Alice Heggan Rice.

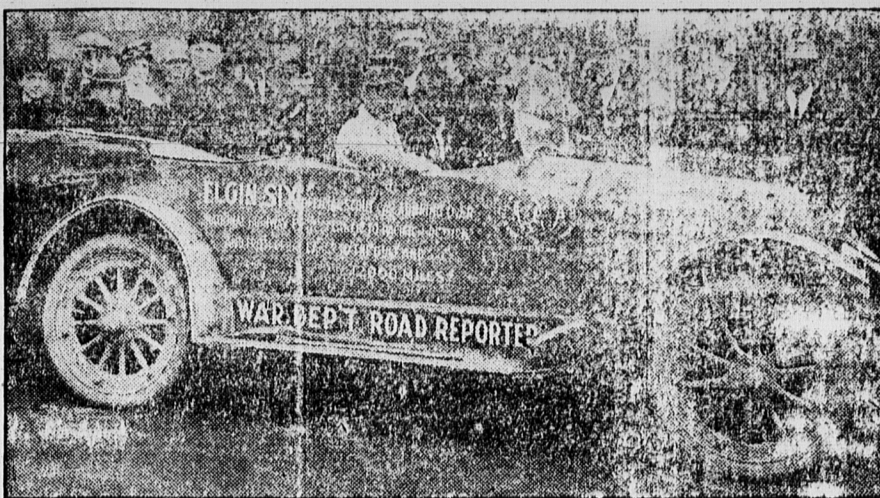

The commencement exercises at the Prince of Wales College on Friday morning were most enjoyable. The young graduates, after a year of hard study received their diplomas amid hearty congratulations and enthusiastic applause and wishes for a happy and profitable holiday. many of the

students intending to help out in garden and farm work.

The Nursing Service of the Canadian Overseas Military Forces has grown in accordance with the increasing demands of an ever expanding army. In 1914, there were 104 nurses. In 1917, 1778, and the establishment of the Service is 2,233. The Service is administered by Matron-in-Chief McDonald of Halifax, assisted by Matrons Boulter and Cains and Sister Coxall. Miss MacDonald has to a great extent created the system and built up the organization. The headquarters, which is located in London, England, has everything to do with the administration of the whole and the welfare of each individual nursing sister.

Chicago to the Pacific Coast and back—twice across the Rockies—no chance to touch the engine—no chance to even look at clutch or transmission—that is the latest wonderful record of the ELGIN SIX.

Valve-in-head Motor never faltering on steepest inclines, in deepest mud nor heaviest sands—

And Economy—19.4 Miles to the Gallon of Gasoline

ENGINE, clutch and transmission SEALED, performed without adjustment—without repair—for two solid months of continuous travel.

The car ran perfectly in the freezing, rarefied atmosphere above the clouds; and cooled perfectly in 132 degrees of desert heat.

A broken fan-belt—compelling the car to travel a thousand miles homeward with a still fan—a performance almost unbelievable—added a crucial test.

This stock car was selected and placed under seal by the Chicago Motor Club as an Official Road Reporting "Scout Car" and traveled un-

der the auspices of the American Automobile Association and the Detroit Automobile Club.

Clutch holding on mile after mile of steepest mountain climbs— Brakes holding fast on mile after mile of downward plunges—where slipping meant death—

What eloquent proof of the 100% stamina and dependability of the ELGIN SIX.

In the Service of the U.S. War Dept.

But the greatest honor was conferred upon the ELGIN SIX when Secretary of War Baker, in a personal letter, appointed it "Official Scout Car" to report transcontinental road conditions to the War Department for emergency movements of troops and supplies.

A car exactly like the one which made this great world's record (which was one of our regular stock cars) may be purchased of any Elgin dealer.
