Parties in this Province who have potatoes to ship to friends in any part of the United States should not misunderstand the proper rate of duty. Many imagine the duty to be 45c, while it really remains at the old figure, viz 25c.

The Tablets cure constipation, indigestion, wind colic, diarrhoea, destroy worms, break up colds, and make coughing easy. REBUILDING THE WHOLE BODY That is the Constant Business of the Blood

And That is why a Blood Making Tonic will Make the Body well and Keep it so

Pure, red blood is the vital principal of life, for upon it the tissues of the body live. It goes practically to every part of the body, carrying nourishment and oxygen, taking up the wastes and so changing them that they can be cast out of the body. As our every act results in the breaking down of some of the tissues and the formation of waste materials, the body is in a constant state of change. To maintain health, strength and life the blood must be pure in order to replace these tissues with plenty of fresh nourishment and rid the body of its waste material. Men and women who are run down will find Dr. Williams' Pink Pills the best tonic for their condition because these Pills are a certain blood-builder and a purifier. They enable the blood to meet the unusual demands of the body and give perfect health. We offer the case of Mrs John McInnis, of Welland, Ont., as a proof of the great power of Dr. Williams' Pink Pills over disease. Mrs. Harman says: "For several years I lived a life of pain and misery, and even now as I recall that illness it seems as if I were contemplating. The trouble began with weakness and loss of appetite. This was followed by headache and emaciation. At times I had violent palpitation of the heart and shortness of breath, finally I was completely prostrated. I was so haggard that my friends hardly knew me, and I often thought my last hour had come. My sufferings would follow me into the region of dreams, with such distinctness that I would awaken shivering and shaking with sweat, and scarcely able to realize that I had been out dreaming. The best efforts of three doctors at different times failed to help me. Then I was urged to try Dr. Williams' Pink Pills. Within one month I felt a distinct improvement, and after using eleven boxes I was again in the full possession of health and strength. Several years have now elapsed since this illness and as I have constantly enjoyed the best of health I am warranted in saying that the cure is permanent."

Dr. Williams' Pink Pills should be used in all diseases caused by thin, watery or impure blood, such as the anemia, rheumatism, bronchitis, trouble, after effects of miscarriage, and fevers, neuralgia, headaches and various ailments common to women and growing girls. These Pills are sold by all medicine dealers or by mail at 50 cents a box or three boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

The first consignment of Prince Edward Island smelts arrived in Boston this morning by train. There were only one two and one half barrels in the consignment but the fact that some had come, was pleasing to the dealers. The Prince Edward Island smelts are somewhat of a favorite in the market. They come to the market, packed differently from the smelts from Maine and New Brunswick, which are packed in boxes with rickled ice, while the Prince Edward Island smelts are packed "floated" in barrels. That is they are floating in water with sufficient ice to keep them chilled, after the manner of packing mackerel, and arrive here after the trip on the trains in excellent condition. The above is clipped from a Boston paper of late date. It has been claimed that October is too early to ship smelts but after reading the above this theory must be entirely dispelled.

A sad accident occurred at New Harmony on Saturday morning when Floretta McPhee, a little girl aged four years and five months was accidentally killed. Her brother, Bill, sixteen years of age was going out to dig potatoes and decided that he would take a gun belonging to his elder brother along with him to shoot some partridge. He was in the house and was in the act of raising the cap on the gun and was lowering the hammer, his brother at the same time warning him to be careful or he might do some harm, when the hammer slipped through his fingers striking his little sister on the forehead. She was also a member of the Woman's Auxiliary, where she was a faithful worker. She will be greatly missed in the Church life, as well as in the home, for she was ever ready to respond to the call of duty, whenever it was needed. In the home she was always bright and cheerful, and a happy exemplar of life will never be forgotten. She bore her lingering sickness patiently and was never heard to murmur. She had just been in bed for one month when the end came. She died trusting in Jesus as her Saviour and assuring those around her of her trust and confidence in the future. She leaves to mourn besides a sorrowing husband, two little boys, William and Edwin, a father and mother, William and Mrs Howard, four brothers and one sister, namely, John Preston, Chester, Lloyd and Blanch. All except Preston were at her bedside when she died, he being in Golden Ridge, Sask. Much sympathy was expressed to all in their trouble and especially the husband and children. Two beautiful wreaths were presented, one by the Woman's Auxiliary and Geo Sims and family of Kensington, which were very much appreciated.

A very pretty home wedding was solemnized Wednesday evening a few minutes past seven, at the home of Thomas R. and Mrs Travers, seven two Howard street, when their daughter, Miss Louise Travers, became the bride of Stillman Alden Magoun of Rockland, son of Mrs Abbi Simmons of North Duxbury. The ceremony was performed by the Rev E. D. Fellers, of the Hatherly Methodist Episcopal church, the single ring service being used. The bride was attended by her sister, Miss Jennie H. Travers of Rockland and John Simmons of Duxbury performed the duties of best man. The bride wore a handsome pattern gown of white lace over silk, and a veil caught up with ribbons of the valley. She carried a bouquet of field roses. The bridesmaid wore a white and blue costume of white silk batiste over silk, with purple trim, with cluny lace trimmings. She carried pink. The house was most tastefully decorated for the occasion. A profusion of immense ferns and palms formed the background for the bridal party during the ceremony, and they stood beneath an arch of cut flowers and ferns, surmounted by two white doves. The sitting room was decorated with gold and the dining room in red with autumn foliage. Directly after the ceremony a reception was held, at which relatives of the bride and groom from Boston, Haverhill, Duxbury, North Abington, Rockland and the surrounding towns, M and Mrs Magoun were assisted in receiving by the bridesmaid and best man. During the remainder of the evening the guests were entertained with a musical program and a collation was served. The bride's gift to her maid were gold collar pins and the groom presented the best man with a pearl scarf pin. Mr and Mrs Magoun left town later in the evening, and after a wedding trip, will reside at 193 Crescent street, where they will be at home to friends after December first. The bride wore a dark blue traveling suit with hat to match. They received many hand some and costly wedding gifts. Both the young people are well known in Rockland. Mr Magoun is superintendent of S. E. Packard & Sons' Rockland factory and is a member of several local organizations. -Stand ard, Rockland Mass. (P. B. Clark Summerside is an uncle of the bride.)

A very pretty autumn wedding took place yesterday morning at the residence of G. M. and Mrs Robinson, 223 1/2 Ave. E., when Mary Perle, the only daughter of the late G. G. G. and Mrs. J. E. I., was united in holy wedlock to Ralph Ernest Larrabee, of Houlton, Maine, by the Rev G. W. Kerby, Methodist Minister, in the presence of relatives and friends of the bride and bridesmaid. The bride, who was unattended, was given away by her uncle, G. M. Robinson, and looked most becoming in a dress of grey eolienne and carried a charming spray of white roses and maiden hair ferns. After the ceremony was performed the wedding guests partook of a luncheon given by the bride. Then amid a shower of congratulations, the bride and groom, the former attired in a travelling suit of taupe, with hat to match, left Calgary by the 1.30 p. m. train to spend their honeymoon travelling in the east for an indefinite period. -Ed.
