The Brunswick

Why the Brunswick Method of Reproduction Insures a Superior Phonograph

Reason No. 1 The Brunswick Method of Reproduction includes the Ultona, a new conception in playing. The Ultona consists of an arrangement of the several necessary reproducing diaphragms upon one tone arm—an all-in-one arrangement, with no attachments—nothing to take off or put on.

At a turn of the hand, the Ultona presents to any type of record the proper diaphragm and needle, the exact weight. Thus the requirements of each type of record are met. The Ultona demands no sacrifice in tone, as attachments often do.

Reason No. 2 Equal in importance to reproduction is tone amplification. The Brunswick Method of Reproduction also includes a new idea in acoustics—The Brunswick Amplifier.

Old-time ideas were at variance. Some makers still cling to metal construction. Others use a combination of wood and metal—a wooden horn and a metal casting as the "throat."

But the Brunswick Amplifier is oval in shape, and built entirely of wood, like a fine violin. It is molded of rare holly-wood. The sound waves receive uniform amplification to reach their fullness, hence the Brunswick tone is richer and more natural. Strident, metallic notes are absent.

We Invite Comparison

Make comparisons. Let your ear decide. Try to find an equal to Brunswick tone.

You're bound to end such a search at a Brunswick shop, where every opportunity will be given you to decide for yourself.

Hear this remarkable instrument before you decide.

Can't Say Enough In Their Favor

Why Mrs. F. Lagacey Recommends Dodd's Dyspepsia Tablets to all her friends who have Stomach Troubles.

"I cannot say enough in favor of Dodd's Dyspepsia Tablets, 50c a box, Mrs. Augustine F. Lagacey, Green Point, N. B. Of course she has reasons for making a statement like this, and here they are:

"When I commenced to take Dodd's Dyspepsia Tablets my food would not digest properly. They made me well. The normal of this is that if you take your stomach trouble before it gets too firm a grip it is easily helped by Dodd's Dyspepsia Tablets.

But as in Mrs. Lagacey's case, stomach trouble, if neglected, always grows worse. In its worst stages it takes time to help it. But Dodd's Dyspepsia Tablets will do it.

Dodd's Dyspepsia Tablets 50c a box or six boxes for \$2.50 at all dealers, or The Dodd's Medicine Co., Limited, Toronto, Ont.
