NOTICE !

We wish to advise our customers, that in the month of March, a change will be made in our billing routine.

At the present time customers' meters are read during the second and third week of each month. All bills are rendered and due the first day of the following month. This practice results in a large volume of work to be accomplished during the latter part of the month.

The new method, which will spread our work more evenly over the month, will involve continuous meter reading and billing throughout the month, thereby relieving periods of congestion.

The territory will be divided into six districts, each district being billed at a different time of the month. Each customer will be billed only once a month, but instead of bills being rendered the first of each month they will be issued as follows:

District No. 1—Bills will be rendered & due 5th of month
District No. 2—Bills will be rendered & due 10th of month
District No. 3—Bills will be rendered & due 15th of month
District No. 4—Bills will be rendered & due 20th of month
District No. 5—Bills will be rendered & due 25th of month
District No. 6—Bills will be rendered and due last day of month.

Fifteen days will be allowed after billing date before accounts are overdue.

In some cases the first bills under the new arrangement may cover a period greater or less than one month, depending on how the new meter reading date compares with the previous one.

Morning Stock Letter

(Received over Pitfield and Co's Private Wire)

NEW YORK, March 1—Copper metal prices are off in London today. Paramount directors on Saturday declared a sixty cent dividend for the current quarter. The regular dividend of $1.50 was declared on the first preferred. American Smelting and Refining 1936 reported $6.85 against $5.01 for 1935. Mesta Machine $4.25 against $3.11. Dividend meetings scheduled for today are Coca Cola and probably Celanese. Saturday's market was irregular but we would look for strength in some sections of the list today, namely, Schenley, National Distillers, Marshall Fields, Macy, Sears, Monty Ward, Mack Truck, White Motors, Southern Pacific and Southeastern rails.

TORONTO, March 1—Macassa—For the nine months Dec. 31 Macassa had a net profit of $376,156. This was equal to 14 cents per share. Due to the fact that the company has changed its fiscal year to the calendar year, no comparative nine months figures for similar period last year can be given. However, in the twelve months ended March 31, 1936 Company had net profit of $417,287 equal to 16 cents per share which indicates improvement in earnings.

Calgary and Edmonton—Vancouver Wires—While little has been said of the preparations of C. and E. to participate in the development of the potential crude oil area in South Turner Valley, it is learned on good authority that lease options have been arranged involving drilling commitments covering the greater part of C. and E. holdings extending four or five miles south of the Highwood River. This is immediately south of the west flank area now under intensive drilling activity.

TORONTO, March 1—(CP)—Developing a strong market in the afternoon session, the western oils pulled the miscellaneous mines index higher by .28 despite weakness in the base metals, while the golds sold down a point. Volume was off to 1,217,000, the smallest for a full session since Nov. 13 last.

A sharp mid-day advance for Royalite to a new high for seven years started a buying wave in the whole oil group at higher prices. Royalite added 4 1-2 to close at 58. It sold at 99 for broken lots. Dalhousie gained 30 cents, and gainers of 10 to 15 cents were Calgary-Edmonton, Okalta and Home.

Hudson Bay had the widest setback in the base metals, dropping a point to close at 37. Noranda and Falconbridge weakened 1-4 each and Pend Oreille 50 cents.

The big golds, Dome, Lake Shore and McIntyre closed unchanged while some of the cheaper issues declined. Pickle Crow and Pioneer weakened 20 to 30 cents each.

In Memoriam

MRS. THOMAS ARTHUR SMITH

In the evening of Wednesday, January 13th, Mrs. Thomas Arthur Smith, a very highly esteemed resident of Wood Islands North passed peacefully away at the age of 57 years.

The deceased had been in a condition of failing health for two years so that the coming of the end was in a way not unexpected. Through it all, though, her loved ones kept hoping that she might yet be restored to health and at times it looked as though this might be possible. Even on the day of her death she was if anything somewhat brighter than usual and in the later evening she took a sudden turn for the worse. From this she never fully rallied and it was not long until her gentle spirit winged its heavenward flight.

Besides a sorrowing husband Mrs. Smith leaves to mourn the loss of a kind and loving mother, three sons and one daughter.

The sons are Cyril, Elmer and Grover, and the daughter is Mrs. Duncan Gillis, all of Wood Islands north. Another daughter, Mrs. Wm. Smith, Belle River, passed away three years ago. The surviving members of the family are feeling their loss very keenly.

The deceased was the daughter of the late Mr. and Mrs. John Beaton, Wood Islands North, and was one of a family of only two members, one brother and one sister. The brother is Mr. Angus Beaton, Wood Islands North.

Mrs. Smith was a woman of a somewhat retiring disposition and spent the greater part of her time in her own home, so that she was not as widely known as she might have been had she given more time to outside activities. Those who came to know her found in her a lady of sterling worth and she will be much missed among her relatives and friends. This will be especially true of the immediate members of her own family, by whom she was much beloved.

In the days to come her loved ones will no doubt often

"Sigh for the touch of a vanished hand"

"And long for the sound of a voice that is stilled".

But all in vain; never more shall that gentle touch be felt, or that voice be heard here below.

The future had no fears for her. That Saviour who had been her strength and her comfort for years would in passing through the valley of the shadow be her guide and her light, so that there could be no darkness. The end was peace.

The funeral which was quite largely attended, was held on the afternoon of Saturday, Jan. 16th. The service was conducted by Rev. R. Hensley Stavert and was a very impressive one.

The pall-bearers were Messrs Roderick McRae, Chester Hancock Lloyd McPherson, Donald Crawford, Isaac Martin and Alex. S. McMillan. Interment was in the Presbyterian cemetery, Wood Islands.
